learning to hear His voice

by Margaret Feinberg

A photograph of a person sitting on a wooden dock by a body of water at dusk. The sky is a deep, dark blue, and the water reflects the light from the sky. The person is silhouetted against the water, and their reflection is visible in the calm surface. The overall mood is peaceful and contemplative.

Zondervan,2012-05-29 The NIV Voices of Faith Devotional Bible combines Scriptural insights from both the past and present

to reveal God's truth for your life today Writers such as C S Lewis and Eugene Peterson Oswald Chambers and Joni Eareckson Tada St Augustine and Brennan Manning Thomas Kempis and Dallas Willard voices from yesterday and voices from today join together to address a topic for a timeless and relevant devotional experience every day *ASAP Recovery* Chuck Chapman, 2024-10-28 The Bible says freedom is the birthright of every child of God who has been born again into His Kingdom Therefore whether you are here for sin addiction loss brokenness burnout needing a fresh move of God in your life or to find healing for the pains of the past or for your damaged emotions the Word of God promises that this freedom is available to all of His children And yet how many people do you know who are truly walking in this promised freedom ASAP Recovery Building on the Right Foundation addresses this disconnect between promise and experience by firmly reestablishing three foundational truths that the church has always believed but forgotten somewhere along the way All of the Bible is Inspired or written by God 2 Timothy 3:16-17 All of the Bible is Inerrant or without errors Psalm 18:30 All of the Bible is Infallible or incapable of failing to deliver on any of the things it says it will Isaiah 55:11 The reason these three foundational truth claims should matter to those in the church and especially to those of us in the recovery community is If you don't believe the first claim that God wrote the Book then you will never believe the second claim that it is without errors And if you never believe this second claim then you will never trust in nor experience for yourself the victory that the Word of God offers you over any and all addictions and willful sin in its third claim to be infallible By the end of this book you will know beyond a reasonable doubt that the Bible is the very words of God Himself and therefore above reproach thus establishing it as the only foundation to build our life and recovery on Furthermore you will also find that no matter who you are where you've been what you've done or how far gone you may be this book was written to take both the addicted and defeated Christian alike down the same path of Scripture until they arrive at their destination and heart's desire freedom

[The Naked Soul](#) Tim Alan Gardner, 2010-05-12 Go ahead Leave your loneliness behind We all want to matter to someone but the risks of relationship can seem far too great It's easier to just keep our distance We fear embarrassment misunderstandings and even rejection so we silently endure our loneliness We work on trying to be nice rather than being real hoping that others will like us Or we might simply give in to the path of least resistance the life of hurry impatience and fatigue which feels familiar and safe We pay a terrible price to avoid authentic relationships It's time to stop denying your deepest longing the desire to be known and loved The Naked Soul shows you how to know and accept others and how to be known and accepted by others You can exchange the familiar but deadly territory of loneliness for the exhilaration of giving and receiving love You don't have to hide any longer Break free from loneliness be the person God created you to be and start living a life that matters

Hearing God in Conversation Sam Williamson, 2016-06-27 I picked it up out of curiosity and I couldn't put it down Eugene Peterson Christians are comfortable

saying that Christianity is about a relationship with God Yet many might also say that they sense little meaningful relationship with God in their own lives After all the foundation of good relationship is communication but conversation with God often seems to go only one way We may sing of walking and talking with God in the garden His voice falling on our ears but few have heard that beloved voice themselves Sam Williamson acknowledges the fundamental human longing to hear God s voice and offers a hopeful supposition God is always speaking we ve just never been taught how to recognize His voice Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor This book deftly bridges the gap between solid biblical theology and practical application addressing topics such as how to truly pray without ceasing how to brainstorm with God how to navigate our emotions how to answer God s questions and how to hear God s voice for others Hearing God in Conversation offers simple step by step lessons on how to hear God Williamson begins with Scripture meditation He then expands the practice of listening for that voice everywhere in the checkout line on the job in a movie theater and even in silence From there he demonstrates how to hear God s guidance when making any decision By the end readers eyes and ears will be opened to the limitless methods through which God speaks **God's Many Voices** Liz Ditty,2018-08-21 Many people claim to hear God s voice though not always with discernment I ve found Liz Ditty to be a trustworthy guide in learning how to listen and how to do so with wise discernment Philip Yancey Best selling author Liz Ditty writes with warmth humor and grace about the spiritual practices that too often feel overwhelming She approaches the spiritual life with simplicity and generosity and tells a story of learning to listen to the voice of God that inspires me to do the same God s Many Voices is a book for anyone who believes God is still speaking and anyone who needs a friend to walk them directly toward that Holy Voice Micha Boyett Author of Found A Story of Questions Grace and Everyday Prayer Do you wish to hear God speak to you in your everyday life God s Many Voices will help you discover a God who is infinitely closer and more involved in our world than we give Him credit for This book is an invitation to learn God s voice from the scriptures and then recognize it everywhere in daily life Author Liz Ditty uses biblical teaching and relatable examples reinforced with reflective exercises at the end of each chapter to open readers ears and hearts to what God is telling them Only His voice in our lives can give us confidence in our decisions and dreams give us freedom from our fears and failures and lead us toward the joy of being fully alive accepted and loved by God
