

"self-control" follows knowledge,¹²⁷ so that the believer is responsible to practice what he knows.

Now while this is the fruit of the Spirit, we must keep in mind that the Holy Spirit operates in us as we cooperate with Him. If we refuse to yield to Him, His fruit cannot be borne in us. When Paul used the figure of a race to illustrate the life of Christian service, he made it plain that the winner "is temperate in all things,"¹²⁸ "Rigid self-denial over a period of time was necessary in order to compete in a contest that might last but a few minutes, and then the prize was merely temporal. How willing a Christian should be to subject himself to self-control, discipline, and self-denial in order that he might serve his Lord in an acceptable manner! If there is to be victory for us, it can be only as we allow the Holy Spirit to rule our human spirit.

Oh, are we satisfied to live a negative life that is unfruitful? Let us heed God's Word so that it does not become unfruitful in our lives.¹²⁹ Let us give diligence to the truth that we "shall neither be barren nor unfruitful in the knowledge of our Lord Jesus Christ."¹³⁰ If we are living in sham or pretense, we are "trees . . . without fruit."¹³¹ When we tamper with this world, there can be no fruit;¹³² therefore "have no fellowship with the unfruitful works of darkness."¹³³ Christians are to keep occupied in the holy things of God, "to maintain good works for necessary uses, that they be not unfruitful."¹³⁴ Yield yourself to the Holy Spirit's leading and He will bring forth His fruit in you.

Topical Bible Studies David Lendway,2019-08-19 This book is Volume I of three volumes containing a collection of Bible topics allowing the reader to easily identify and with little or no effort commit to memory exactly what God expects of them from within His written Word Although this will not necessarily bring about the reader s ability to remember precisely where each of these topics appears in the Bible s book chapter and verse it will after reading enough of these topics make their daily Bible reading much easier and so much more enjoyable due to their new found understanding The reader will also discover when studying topic by topic they will remember the subject matter much better than when these particular subjects flew by them at lightning speed while reading along in their Bible These self contained Bible studies work for everyone It doesn t matter where one stands in their faith or how much they know about the Bible these studies will work For those who are well rooted in the Word these studies will work for them as a review those who own an average understanding of God s Word will be able to use these studies not only as a review but also for learning something that God has said and they had previously missed Those who know very little about the Word of God will be able to learn a great deal from these topical studies since they are self contained and require no explanation because all commentary is backed up with book chapter and verse from the inspired Word of God Those who know nothing about the Word and are seeking to learn about God the Father God the Son God the Holy Spirit their salvation and the existence of this spiritual world they have heard so much about will now be able to learn straight from His Word right in the comfort of their living room whatever it is they want to know

The Trinity Chuck Missler,2023-01-26 Is there One God or Three How does one reconcile the One God of the Sh ma with the Three Persons of the Trinity The doctrine of the trinity has been at the heart of much theological controversy The routine objection is that the doctrine sacrifices monotheism to tritheism But this objection

thrives on a misconception of divine personality in the image of disparate individual human selves This type of rationalistic apologetics promotive of trinitarianism on speculative rather than revelational grounds regrettably encourages this misunderstanding One of the reasons we suffer such misunderstanding is due to our relying on models Chuck explores the ostensible tensions between the Old and New Testament revelations of the ultimate mystery of the Godhead This is a foundational study for every Christian
