different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God *The Gospels distributed into meditations for every day of the year, by l'abbé Duquesne* Arnaud Bernard d' Icard Duquesne,1881 **The Accountant's Tale** Andrew P. Porter,2021-06-08 Three problems in the life of the church 1 For the past millennium theologians have done a brisk trade in proofs arguments for the so called existence of God the validity of the Christian faith and so on I think this is a mistake Christianity is a choice 2 Typical Christian theology begins with Jesus rather than with the Common Documents the documents shared in common by Christianity and rabbinic Judaism This is Marcionite Theology so called for a second century figure who wanted to delete the Common Documents from the Bible Many problems in theology become much more tractable if the Common Documents the Exodus focally are treated as a model rather than as a mere prologue to the New Testament 3 There are problems with God interfering with nature and they have become worse with modern science God interfering with nature doesn t just injure the sciences it also generates serious pathologies in theology The theme is choices made by the church and the book is called *The Accountant's Tale* because somebody once asked an accountant What is two times two and got the answer What do you want it to be **Future Grace, Revised Edition** John Piper,2012-09-18 Explore this stunning quality of God s grace It never ends In this revision of a foundational work John Piper reveals how grace is not only God s undeserved gift to us in the past but also God s power to make good happen for us today tomorrow and forever True life for the follower of Jesus really is a moment by moment trust that God is dependable and fulfills his promises This is living by faith in future grace which provides God s mercy provision and wisdom everything we need to accomplish his good plans for us In *Future Grace* chapter by chapter one for each day of the month Piper reveals how cherishing the promises of God helps break the power of persistent sin issues like anxiety despondency greed lust bitterness impatience pride misplaced shame and more Ultimate joy peace and hope in life and death are found in a confident continual awareness of the reality of future grace **Be Anxious for Nothing** Sean Ewing,2025-05-27 Even those who know the promises of peace in Christ can struggle with anxiety When fear clouds the heart and trust feels distant this book offers a clear biblical path forward Grounded in Scripture and biblical counseling leading to deeper faith surrender and hope in God s sovereign care With compassion and clarity each chapter provides practical help and theological insight to guide readers from anxious striving to lasting peace By meeting fear and anxiety with truth and anchoring their hearts in God s unchanging character readers will discover a peace that transcends circumstances a peace that guards their hearts and minds in Christ Jesus **The Power of a Positive Mom & The Power of a Positive Woman** Karol Ladd,2006-10-03 Learn the power of your words and how to use them positively learn how prayers encouragement attitude and example can change your family forever *Everything Else You Always Wanted to*
