## **Gods In Epic Poets And Critics Of The Classical Tradition:**

*The Gods in Epic* D. C. Feeney, 1991 The role of gods in the classical world's epic tradition has been the subject of controversy since ancient times and many modern readers continue to find their presence a source of frustration Although the problem of the gods in some individual works has been intensely discussed this is the first study to be devoted to the classical literary tradition as a whole together with the apparatus of critical scholarship which was part of that tradition The survey seeks to restore a sense of the power of this unique form of fiction Page 4 of cover

**Classical Traditions in Science Fiction** Brett M. Rogers, Benjamin Eldon Stevens, 2015 For all its concern with change in the present and future science fiction is deeply rooted in the past and surprisingly engages especially deeply with the ancient world Indeed both as an area in which the meaning of classics is actively transformed and as an open ended set of texts whose own classic status is a matter of ongoing debate science fiction reveals much about the roles played by ancient classics in modern times *Classical Traditions in Science Fiction* is the first collection in English dedicated to the study of science fiction as a site of classical receptions offering a much needed mapping of that important cultural and intellectual terrain This volume discusses a wide variety of representative examples from both classical antiquity and the past four hundred years of science fiction beginning with science fiction's rosy fingered dawn and moving toward the other worldly literature of the present day As it makes its way through the eras of science fiction *Classical Traditions in Science Fiction* exposes the many levels on which science fiction engages the ideas of the ancient world from minute matters of language and structure to the larger thematic and philosophical concerns

**Hope in Ancient Literature, History, and Art** George Kazantzidis, Dimos Spatharas, 2018-07-09 Although ancient hope has attracted much scholarly attention in the past this is the first book length discussion of the topic The introduction offers a systematic discussion of the semantics of Greek *elpis* and Latin *spes* and addresses the difficult question of whether hope ancient and modern is an emotion On the other hand the 16 contributions deal with specific aspects of hope in Greek and Latin literature history and art including Pindar's poetry Greek tragedy Thucydides Virgil's epic and Tacitus *Historiae* The volume also explores from a historical perspective the hopes of slaves in antiquity the importance of hope for the enhancement of stereotypes about the barbarians and the depiction of hope in visual culture providing thereby a useful tool not only for classicist but also for philosophers cultural historians and political scientists

[The Cambridge Companion to Virgil](#) Fiachra Mac Góráin, Charles Martindale, 2019-04-18 Presents stimulating chapters on Virgil and his reception offering an authoritative overview of the current state of Virgilian studies

**Virgil: Oxford Bibliographies Online Research Guide** Elaine Fantham, Emily Fahey, 2010-05 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic

information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In classics as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is just one of many articles from Oxford Bibliographies Online Classics a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of classics Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit [www.oxfordbibliographies.com](http://www.oxfordbibliographies.com)

**Sexuality in Greek and Roman Culture** Marilyn B. Skinner, 2013-07-23 This agenda setting text has been fully revised in its second edition with coverage extended into the Christian era It remains the most comprehensive and engaging introduction to the sexual cultures of ancient Greece and Rome Covers a wide range of subjects including Greek pederasty and the symposium ancient prostitution representations of women in Greece and Rome and the public regulation of sexual behavior Expanded coverage extends to the advent of Christianity includes added illustrations and offers student friendly pedagogical features Text boxes supply intriguing information about tangential topics Gives a thorough overview of current literature while encouraging further reading and discussion Conveys the complexity of ancient attitudes towards sexuality and gender and the modern debates they have engendered *The World of Tacitus' Dialogus de Oratoribus* Christopher S. van den Berg, 2014-09-11 Re evaluates Tacitus dialogue about the limits and possibilities of public speech in the Roman Principate **Statius and Ovid** Tommaso Spinelli, 2024-05-30 Studies Statius reworking of Ovid's Metamorphoses and Virgil's Aeneid to explore the Thebaid's political reflection on Flavian Rome *Transformative Change in Western Thought* Ingo Gildenhard, 2017-07-05 This groundbreaking volume maps the shifting place and function of marvelous transformations from antiquity to the present day Shape shifting taking animal bodies miracles transubstantiation alchemy and mutation recur and echo throughout ancient and modern writing and thinking and continue in science fiction today as tales of gene splicing and hybridisation The idea of metamorphosis lies in uneasy coexistence with orderly world views and it is often cast out or attributed to enemies Augustine and the church fathers consider shape shifting ungodly Enlightenment thinkers suppress alchemy as unscientific genetically modified wheat and stem cell research are stigmatised as unnatural Yet the very possibility of radical transformation inspires hope just as it frightens A provocative theorising trans historical history this book ranges across classics literature history philosophy theology and anthropology From Homer and Ovid to Proust and H P Lovecraft and through figures from Proteus to Kafka's Fly and to Spiderman four historical surveys are combined with nine case studies to show the malleable yet persistent presence of transformation throughout Western cultural history **More than Homer Knew - Studies on Homer and His Ancient Commentators** Antonios Rengakos, Patrick Finglass, Bernhard

Zimmermann,2020-04-06 This book contains a collection of twenty one essays in honour of Professor Franco Montanari by eminent specialists on Homer ancient Homeric scholarship and the reception of the Homeric Epics in both ancient and modern times It covers a wide range of important subjects including neoanalysis and oral poetry the Doloneia the Homeric scholia the theoretical premises of Aristarchean scholarship and Homer in Sappho Pindar Comedy Plato and Hellenistic Poetry As a whole the contributions demonstrate the vitality of modern scholarship on Homeric poetry **Madness**

**Unchained** Lee Fratantuono,2007-01-01 The book aims at providing a coherent guide to the entirety of Virgil's Aeneid with analysis of every scene and in some cases every line of crucial passages The book tries to provide a guide to the vast bibliography and scholarly apparatus that has grown around Virgil studies especially over the past century and to offer some critical study of what Virgil's purpose and intent may have been in crafting his response to Augustus political ascendancy in Rome Rome's history of near constant civil strife and the myths of Rome's origins and their conflicting Trojan Greek and native Italian origins Shakespeare, National Poet-Playwright Patrick Cheney,2004-11-25 Shakespeare National Poet

Playwright is an important book which reassesses Shakespeare as a poet and dramatist Patrick Cheney contests critical preoccupation with Shakespeare as a man of the theatre by recovering his original standing as an early modern author he is a working dramatist who composes some of the most extraordinary poems in English The book accounts for this form of authorship by reconstructing the historical preconditions for its emergence in England as in Europe including the building of the commercial theatres and the consolidation of the printing press Cheney traces the literary origin to Shakespeare's favourite author Ovid who wrote the Amores and Metamorphoses alongside the tragedy Medea Cheney also examines Shakespeare's literary relations with his contemporary authors Edmund Spenser and Christopher Marlowe The book concentrates on Shakespeare's freestanding poems but makes frequent reference to the plays and ranges widely through the work of other Renaissance writers *Their Maker's Image* Mary C. Fenton,Louis Schwartz,2011-05 **Madness**

**Triumphant** Lee Fratantuono 2,2012-06-28 **Madness Triumphant** A Reading of Lucan's Pharsalia offers the most detailed and comprehensive analysis of Lucan's epic poem of the civil war between Caesar and Pompey to have appeared in English In the manner of his previous books on Virgil and Ovid Professor Fratantuono considers the Pharsalia as an epic investigation of the nature of fury and madness in Rome this time during the increasing insanity of Nero's reign The volume proceeds chapter by chapter book by book through Lucan's poem as it unfolds the thesis that the poet Lucan crafted an epic response to both Virgil and Ovid the closing movement in a three act tragedy of madness In response to the Aeneid Lucan raises the idea that the final ethnographic settlement of Trojans and Italians may not have been for the best while in response to the Metamorphoses he explores the idea that the immortality achieved by the poet may not after all prove to be a blessing An introduction and bibliography provide additional direction for the study of this greatest surviving work of literature from the so called Silver Age of Neronian literature while the individual chapters offer in depth bibliographical citations and extensive

annotation as a guide to further study of the poem Lucan's poem is revealed to be the consummate hymn to fury as the poet offers a return to the opening of Homer's Iliad and the wrath of Achilles which is now viewed as part of an unending cycle of madness that will end only in the flames of a global conflagration that will consume all things The pervasive intertext of Lucan's epic poem with his predecessor Manilius' *Astronomica* is also investigated as the nature of Lucan's response to both Stoic and Epicurean antecedents is explored Manilius' stars are virtually sprinkled through the *Pharsalia* as the heavens offer a celestial canvas for the poet of fury to illustrate the beautiful lies that may ultimately be shown to conceal even more seductive truths

**Wordplay and Powerplay in Latin Poetry** Phillip Mitsis, Ioannis Ziogas, 2016-07-28 The political allegiances of major Roman poets have been notoriously difficult to pin down in part because they often shift the onus of political interpretation from themselves to their readers By the same token it is often difficult to assess their authorial powerplays in the etymologies puns anagrams telestichs and acronyms that feature prominently in their poetry It is the premise of this volume that the contexts of composition performance and reception play a critical role in constructing poetic voices as either politically favorable or dissenting and however much the individual scholars in this volume disagree among themselves their readings try to do justice collectively to poetry's power to shape political realities The book is aimed not only at scholars of Roman poetry politics and philosophy but also at those working in later literary and political traditions influenced by Rome's greatest poets

*The Thebaid* Publius Papinius Statius, 2007-03-01 A classical epic of fratricide and war the *Thebaid* retells the legendary conflict between the sons of Oedipus Polynices and Eteocles for control of the city of Thebes The Latin poet Statius reworks a familiar story from Greek myth dramatized long before by Aeschylus in his tragedy *Seven against Thebes* Statius chose his subject well the Rome of his day ruled by the emperor Domitian was not too distant from the civil wars that had threatened the survival of the empire Published in 92 A.D. the *Thebaid* was an immediate success and its fame grew in succeeding centuries It reached its peak of popularity in the later Middle Ages and Renaissance influencing Dante Chaucer and perhaps Shakespeare In recent times however it has received perhaps less attention than it deserves in large part because there has been no accessible dynamic translation of the work into English Charles Stanley Ross offers a compelling version of the *Thebaid* rendered into forceful modern English Casting Statius's Latin hexameter into a lively iambic pentameter more natural to the modern ear Ross frees the work from the archaic formality that has marred previous translations His translation reinvigorates the *Thebaid* as a whole its meditative first half and its violent second half its intimate portrayal of defeat and retribution and the need to seek justice at any cost In a wide ranging introduction Ross provides an overview of the poem its composition reception and legacy its major themes and literary influences and its place in Statius' life And in a helpful series of notes he offers background information on the major characters and incidents

[A Companion to Tacitus](#) Victoria Emma Pagán, 2012-01-09 *A Companion to Tacitus* brings much needed clarity and accessibility to the notoriously difficult language and yet indispensable historical accounts of Tacitus The companion provides both a

broad introduction and showcases new theoretical approaches that enrich our understanding of this complex author Tacitus is one of the most important Roman historians of his time as well as a great literary stylist whose work is characterized by his philosophy of human nature Encourages interdisciplinary discussion intended to engage scholars beyond Classics including philosophy cultural studies political science and literature Showcases new theoretical approaches that enrich our understanding of this complex author Clarifies and explains the notoriously difficult language of Tacitus Written and designed to prepare a new generation of scholars to examine for themselves the richness of Tacitean thought Includes contributions from a broad range of established international scholars and rising stars in the field *Now and Rome* Ika Willis, 2010-11-11 *Now and Rome* is about the way that sovereign power regulates the movement of information and the movement of bodies through space and time Through a series of readings of three key Latin literary texts alongside six contemporary cultural theorists Ika Willis argues for an understanding of sovereignty as a system which enforces certain rules for legibility transmission and circulation on both information and bodies redefining the relationship between the virtual and the material This book is both innovative and important in that it brings together several key strands in recent thinking about sovereignty history space and telecommunications especially in the way it brings together textual theories reception deconstruction with political and spatial thinking It also serves as a much needed crossing point between Classical Studies and cultural theory Thomas May, Lucan's Pharsalia (1627) Emma Buckley, Edward Paleit, 2020-11-27 Lauded after his death as champion of the English Commonwealth but also derided as a most servile wit and mercenary pen the poet dramatist and historian Thomas May c 1595 1650 produced the first full translation into English of Lucan's *Bellum Civile* shortly before a ruinous civil war engulfed his own country Lucan whose epic had lamented the Roman Republic's doomed struggle to preserve liberty and inevitable enslavement to the Caesars and who was forced to commit suicide at the behest of the emperor Nero was a figure of fascination in early modern Europe May's accomplished rendition of his challenging poem marked an important moment in the history of its English reception This is a modernized edition of the first complete 1627 edition of the translation It includes prefatory materials dedications and May's own historical notes on the text Besides an introduction contextualising May's life and work and the key features of his translation it offers a full commentary to the text highlighting how May responded to contemporary editions and commentaries on Lucan and explaining points of literary political philosophical interest There is also a detailed glossary and bibliography and a set of textual notes enumerating the chief differences between the 1627 edition and the others produced in May's lifetime This volume aims not just to provide an accessible path into the dense sometimes provocative poem May shapes from Lucan but also a broader appreciation of the translator's literary merits and the role his work plays in the history of the English reception of Roman literature and culture

**Amor Belli** Giulio Celotto, 2022-03-09 Examines Lucan's literary adaptation of the cosmological dialectic of Love and Strife
