## **Gods Prison Gang:**

**God's Prison Gang** Walter Wagner,1977 Tells the gripping behind the scenes accounts of the lives and crimes of men and women who met God in lonely prison cells      God's Law and Order Aaron Griffith,2020-11-10 There is more to the story of mass incarceration than civil rights backlash politics It is also a religious story Aaron Griffith points to the key role played by evangelical Christians who worked for conversion of prisoners and pushed an anticrime agenda that while ostensibly colorblind exacerbated racial inequality in the justice system      GOD LOVES GANGS Ouida D. Sauls,2011-08-31 Mary put her briefcase on the floor beside her as she looked out of the window of the train Another passenger Randall put an identical briefcase on the rack above the seat across from where Mary and her daughters were sleeping Then the man rushed off to the restroom The train made a jerking motion as it took off and Randall s briefcase fell to the floor across where Mary was sitting Mary s briefcase moved further down Mary heard the noise and turned to notice the briefcase next to her and picked it up and placed it between the seats next to her That was quite a jolt Mary said as she picked up the briefcase not knowing it wasn t hers When Randall a drug dealer returned to his seat he panicked until he saw a briefcase two seats back Randall s briefcase now has a Bible and notebook and Mary s briefcase is now filled with seven million dollars      **Gangs, Prisons, Parole \$ the Politics Behind Them** Bobby Delgado,2007-11 Delgado s expos sheds light on Texas gangs the Texas prison system the corrupt authority figures charged with running the Texas prison system and the government figures determined to protect it      *God's Gangs* Edward Flores,2014 Winner 2014 Distinguished Contribution to Research Award presented by the Latina o Sociology Section of the American Sociological Association Los Angeles is the epicenter of the American gang problem Rituals and customs from Los Angeles eastside gangs including hand signals graffiti and clothing styles have spread to small towns and big cities alike Many see the problem with gangs as related to urban marginality for a Latino immigrant population struggling with poverty and social integration gangs offer a close knit community Yet as Edward Orozco Flores argues in *God s Gangs* gang members can be successfully redirected out of gangs through efforts that change the context in which they find themselves as well as their notions of what it means to be a man Flores here illuminates how Latino men recover from gang life through involvement in urban faith based organizations Drawing on participant observation and interviews with Homeboy Industries a Jesuit founded non profit that is one of the largest gang intervention programs in the country and with Victory Outreach a Pentecostal ministry with over 600 chapters Flores demonstrates that organizations such as these facilitate recovery from gang life by enabling gang members to reinvent themselves as family men and as members of their community The book offers a window into the process of redefining masculinity As Flores convincingly shows gang members are not trapped in a cycle of poverty and marginality With the help of urban ministries such men construct a reformed barrio masculinity to distance themselves from gang life      **God behind Bars: An Empirical Approach to Prison Ministry in the United States and Germany** Daniel B. Lampe,2024-07-01 This first empirical study

on differences between prison ministries in the US and Germany enables a dialogue between chaplains of both countries What can they learn from each other What do they have in common that thus has been transculturally tested The divergent theological philosophical backgrounds of the two criminal justice systems are presented along with their different accentuations of retributing punishment and rehabilitating restoration Religious extremism of inmates and switching of religious orientation in prisons are discussed the roles of volunteers assessed and promising restoration methods presented such as the so called Circles or religion related rehabilitation programs which have been proven to reduce recidivism by changing inmates mindsets The book examines chaplains working styles in ten fields of activity as well as their theological and political leanings their job satisfaction and factors contributing to overload their time management and their dreams of what could be done better

**Gangster to God** Timothy Rau,2021-01-08 Gangster to God is an incredible true life story and testimony of Love and Grace filled with incredible miracles only God could have set in motion After enduring years of tragedy drug addiction and finally a life sentence in prison suicide seemed the only option for this man when God intervened and through overwhelming odds his life was turned around and completely changed forever by The Love Of Jesus Christ

**God Doesn't Waste a Thing** Luke Chance,2023-01-12 After being sentenced to 20 years in the Department of Corrections Luke found himself involved in many tragic heartbreaking and surreal moments behind bars However during those same events God showed Himself to be faithful loving and present in creating miracles out of what many would consider impossible situations Luke s journey is like Joseph s in Genesis What many intended for harm God chose to use for good Luke shares how even in the worst circumstances God works all things according to His will God Doesn t Waste a Thing leads you through the many divine miracles that Luke witnessed during his incarceration and will show how nothing is wasted when it comes to God and building His Kingdom Luke spent seven years in prison for a crime he committed but now shares his story of contrition faith and hope for redemption that will inspire others facing great adversity in their lives

*The Culture Is I-God I & II* Divine39 Allah,2016-12-04 The Five Percent Nation are the Gods He was teaching in the Temple in 1963 and left in June or July He was there for three an one half years 1960 1963 All men lie when they are afraid Some tell many lies some but a few Some have only one great lie they tell so often that they almost come to believe it though some small part of them will always know that it is a lie and that will show up on their many faces

**When Texas Prison Scams Religion** Michael G. Maness,2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is

the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars

life to be a light now and the world to see there can be changed We can't do it on our own Try Jesus He won't let you down That's what the book is all about the change that God has done in my life God bless you and I pray that you enjoy what you read It's about change     *Blood Entanglements* Stephen Offutt, 2023 In many low income neighborhoods in El Salvador two groups have significant influence over the public sphere gangs and evangelical churches Members of both groups often belong to the same families use similar organizational strategies and engage each other in local marketplaces Pastors and gang leaders compete for power within communities while informally sharing community governance Entanglements even occur within formal organizations Gang members can be found in churches and faith based organizations while an evangelical presence exists within prisons and other gang controlled spaces Blood Entanglements shows the importance of religion in gang controlled neighborhoods in El Salvador through extensive empirical data and the personal stories of people who live there Stephen Offutt uses the notion of entanglement to explain how and why evangelicals have such frequent and often intimate interactions with gangs which are groups that many evangelicals believe are evil Entanglement he shows also sheds light on how evangelicals engage with Latin American society and social problems more generally The book concludes with policy recommendations for reducing gang prevalence and violence in areas with a prominent evangelical presence

*God vs. the Gavel* Marci A. Hamilton, 2005-05-30 God vs the Gavel challenges the pervasive assumption that all religious conduct deserves constitutional protection While religious conduct provides many benefits to society it is not always benign The thesis of the book is that anyone who harms another person should be governed by the laws that govern everyone else and truth be told religion is capable of great harm This may not sound like a radical proposition but it has been under assault since the 1960s The majority of academics and many religious organizations would construct a fortress around religious conduct that would make it extremely difficult to prosecute child abuse by clergy medical neglect of children by faith healers and other socially unacceptable behaviors This book intends to change the course of the public debate over religion by bringing to the public's attention the tactics of religious entities to avoid the law and therefore harm others     *More 10-Minute Talks* Jonathan McKee, 2013-01-22 Sometimes you don't have their attention for very long Whether you've planned for a short message or your program has run long a ten minute talk is sometimes all you have space for in your youth ministry So make sure you make it ten minutes that really count If you need to communicate something meaningful in just a little time 10 Minute Talks has just what you need more than two dozen ready to go story based talks With talks for spiritual growth targeted at your Christian students and outreach talks perfect for any teenager you'll be prepared to give them a bite of truth that they can walk away remembering Following the method Jesus used most often these More 10 Minute Talks give you stories that can impact students with one simple point Each talk gives you the tools you need to make it count and the flexibility to make it work for your context Along with each topic and title you'll find The Big Idea Scripture The Story The Transition Statement Application Closing Don't get caught with nothing to say or too much to say in the time you've got Get

10 Minute Talks and get a meaningful message across quickly Tolstoy's Search for the Kingdom of God Javier Sethness Castro, 2025-03-11 Building on its predecessor Queer Tolstoy A Psychobiography 2023 this book uncovers queer anarchist dimensions of the second half of Count Lev Nikolaevich Tolstoy's life 1828 1910 and of the Russian writer's later art works It features queer friendly readings of *Anna Karenina* 1875 1877 *The Gospels In Brief* 1881 *The Death of Ivan Ilych* 1886 *The Kreutzer Sonata* 1889 *Master and Man* 1895 and *Resurrection* 1899 among other classics However the argument does not overlook the gross misogyny expressed by Tolstoy in either his art or his marriage with Countess Sofia Andreevna Tolstaya Rather the author explores the fundamental contradictions between sexism and anti authoritarianism while critiquing Tolstoy's self defeating commitment to patriarchy The text also praises the writer's late turn toward preaching Christian anarchism as it traces aspects of Tolstoy's artistic and political resonance in the twentieth century including pacifist plant based communes the Russian and Mexican Revolutions the Bloomsbury Group the Catholic Worker and Soviet era hippies **An Everyday God** James Taylor, 2005 A long awaited reissue of James Taylor's bestselling timeless classic *An Everyday God* Taylor is a master at finding God in the stuff of ordinary life He teaches the way Jesus taught by telling stories about everyday things an old song remembered from years ago an arthritic pet cat a lost contact lens Along the way he opens our eyes ears minds and hearts to the discovery that God is not only present in religious ceremonies but in everything we do whether we're studying the universe or diapering a baby taking out the garbage or playing touch football At any time God may be telling us something new or helping us to understand something old The first book in Taylor's *Everyday* trilogy *An Everyday God* remains a rewarding guide to spiritual growth The Courage to Stand On the Stage of Life: True Success Is Living Through an Authentic You! Nakia Melecio, 2014-04-07 The courage to stand on the stage of life Gives readers a life changing approach to navigating the setbacks and unexpected turns of life The result is a book that effectively and lovingly guides readers onto a path that was always meant for them whether it's the path they came from or a more authentic path they've always longed for This book ultimately helps readers mine the opportunity a setback offers the chance for a stronger more authentic self to emerge The book will begin with stories of people who need to make a comeback giving the reader a chance to say Oh I so relate to that As the book unfolds the reader will encounter stories of people who have made a remarkable comeback **What Good Is God?** Philip Yancey, 2025-05-01 Journalist and spiritual seeker Philip Yancey has always struggled with the most basic questions of the Christian faith The question he tackles in *What Good Is God* concerns the practical value of belief in God His search for the answer to this question took him to some amazing settings around the world Mumbai India when the firing started during the terrorist attacks at the motel where Martin Luther King Jr was assassinated on the Virginia Tech campus soon after the massacre an AA convention and even to a conference for women in prostitution At each of the ten places he visited his preparation for the visit and exactly what he said to the people he met each provided evidence that faith really does work when what we believe is severely tested *What Good Is God* tells the story

of Philip's journey the background the preparation the presentations themselves Here is a story of grace for armchair travelers spiritual seekers and those in desperate need of assurance that their faith really matters
