

A person stands on a beach, their back to the camera, with arms raised high in a gesture of praise or joy. They are silhouetted against a bright, hazy sky and the ocean. The person is wearing a dark top and light-colored pants. The ocean waves are visible in the foreground and middle ground.

Rejoice in the Lord  
always; again I will  
say, rejoice.

Akers,2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God      Herald of Gospel Liberty Elias Smith,1910
