Deigloriam, 2023-02-08 God s plan for mankind is as unique as each person that has lived on this earth From the time of inception to the moment of death God has orchestrated a plan for each person God s love for mankind is all inclusive and allows for man s failures and achievements We wait and act in complete humility and prayer looking and listening for his direction and will for our life First Peter 5 6 7 reads Humble yourselves therefore under the mighty hand of God that he may exalt you in due time Casting all your cares upon him for he careth for you The believer receives the glorious gift of the Holy Spirit when a decision is made and a confession of faith made This is the same Holy Spirit that Peter received at Pentecost that empowered him to preach with such conviction that thousands were baptized and received the Holy Spirit into their being Christianity is under attack from multiple directions today The society of today no longer wants to recognize or obey any of God s commands Society of today is focused entirely on self and greed without love for one s neighbor

God's People, God's Plan Harold Lerch,2018-02-01 The Bible is the infallible word of God It is reliable The creation account and historicity are supported by science not disproven Is the promise of the Messiah false hope How can peace come to the Middle East **God's Divine Plan for Humanity Vol. 1** Felix Wantang,2023-01-31 This book is Volume 1 of God s Divine Plan for Humanity series You are a very important part of God s divine plan for humanity God wants to draw you closer to him and bring you to that place where you reach the full potential of your life far beyond your imaginable dreams When you read this book you will never look at your life and the world the same again you will start to see the world and understand the Bible better than ever before This book will take you to God s creative library step by step to unveil the mysteries of God s plan for humanity using the language of heaven The knowledge you gather from this book will draw you closer to God just like Abraham Isaac Jacob Joseph Moses David and Joshua all used the secret of the language of heaven to draw closer to God and fearlessly fight the spiritual forces of this sinful world Learn the hidden secrets of the supernatural language of heaven and see the world through the eyes of the author of life Jesus Christ When you look at the world do you believe there is something seriously wrong with the whole system Do you believe there is something not natural that for some inexplicable reason is holding humanity hostage You can analyze it from all political angles but the truth is the world is controlled by supernatural spiritual forces and unless you understand what it is and how it operates you will remain a slave to the system The Bible teaches in Psalm 24 1 2 that God owns the world and everything in it If God owns it all then he is in absolute control and God has the tools to set you free from the satanic forces of this sinful world The battles we face in this world are not natural Any attempt to use natural weapons to fight these battles is a big mistake you cannot use natural weapons to fight a supernatural battle When you believe the enemy and look at life through the eyes of the enemy you become engulfed and enslaved by the enemy but when you believe in Jesus and look at life through the eyes of Jesus you will ultimately become united to Jesus In life what you believe determines what you see The battle is in your mind The choice is yours In this world you will have trouble But take heart I have overcome the world John 16 33 Happily Ever After Is Not Always in God's Plan Connie Lopez,2012-11-30 Just when I thought I reached the happily ever after dream being married over 18yrs my world came crumbling down I thought I had all together seeing God s favor throughout my life until one day God decides to shake my world Found myself asking why did this happen how did this happen How did I not see it coming If

you have found yourself asking these questions and wonder why bad things happen to good people I can honestly say God is speaking to you right now this moment through me You are not alone God wants you to know even though the struggles of this world will try to wear us down they can't keep us down He is and will be in control if you allow him to be Let's start the journey together where you will discover that you can trust God for a good resolution to a bad situation You will discover that even if your Happily Ever After didn't turn out so happily God is still in control and he is still directing your path Nothing in life is a coincidence but all part of God's plan Trusting God with everything and through everything might be one of the hardest things to do but one of the most rewarding results you can ever imagine
