Conradi, 2004 It often takes a crisis to see what a life's shape has been to show what really matters For Peter Conradi writer academic acclaimed biographer of Iris Murdoch the moment came in 1982 This is his account of the new life journey he embarked on back then **The Big Questions: God** Mark Vernon, 2013-11-05 Easy enlightening and mind stretching here are answers to the 20 biggest questions of religion and its attempts to give meaning to our world The Big Questions series is designed to let renowned experts address the 20 most fundamental and frequently asked questions of a major branch of science or philosophy Each 3000 word essay simply and concisely examines a question that has eternally perplexed enquiring minds and provides answers based on the latest research This ambitious project is a unique distillation of humanity's best ideas In The Big Questions God Mark Vernon answers the 20 key questions Can reason prove the existence of God Will science bring the end of religion Why do people still have religious beliefs Is religion a mistake of evolution Can drugs induce religious experiences Can you be spiritual without being religious Have you seen a miracle What is the literal meaning of Scripture If you're not religious is nothing sacred Can an agnostic pray Is religion inherently violent What is it like to be a fundamentalist What is Buddhist enlightenment Is Confucianism a religion Is nature divine Is there a perennial philosophy Does human suffering rule out God Can we be good without God Are we living in the end times Is there life after death **The Best Buddhist Writing 2006** Melvin McLeod, 2006 Presents an eclectic collection of Buddhist inspired writings on a wide range of issues *The Mystic Way in Postmodernity* Sue Yore, 2009 This book challenges experiential esoteric and colloquial understandings of mysticism by bringing a fresh relevance to the term through an interdisciplinary dialogue between literature mysticism and theology in the context of postmodernity In order to achieve this the author takes selected writings of Iris Murdoch Denise Levertov and Annie Dillard and incorporates them into various stages of a redesigned mystic way The fourteenth century mystic Julian of Norwich is invoked throughout as a role model whom these three writers seek to emulate as popular writers contemplatives and theologians As theologians who are concerned with the pressing issues of our age Grace Jantzen Dorothee Soelle and Sallie McFague are drawn on as conversation partners to complete the three way discussion The author maintains that understanding the writing and reading of creative texts in the context of practical mysticism facilitates an integrated approach to the use of literature for theological expression **The Murdochian Mind** Silvia Caprioglio Panizza, Mark Hopwood, 2022-06-07 Iris Murdoch was a philosopher and novelist of extraordinary breadth and originality whose work defies simple categorisation Her philosophical writing engages with an astonishingly wide range of figures from Plato and Kant to Sartre and Heidegger and her work increasingly inspires debate in ethics aesthetics religion and literature The Murdochian

Mind is an outstanding reference source to the full span of Murdoch's philosophical work comprising 37 specially commissioned chapters written by an international team of leading scholars. Divided into five clear parts, the volume covers the following areas: A guide to Murdoch's key philosophical texts including *The Sovereignty of Good* and *Metaphysics* as a Guide to *Morals*; Core themes and concepts in Murdoch's philosophy such as love, moral vision and attention; Murdoch's engagement with the history of philosophy including Plato, Kant, Hegel, Simone Weil and Wittgenstein; Interdisciplinary connections with art, literature and religion including Judaism, Buddhism and Christianity; Murdoch and contemporary philosophical debates including feminism, virtue ethics and metaethics; The application of Murdoch's thought to applied ethics including animal ethics, psychiatric ethics and the environment. Although recent years have seen a blossoming of interest in Murdoch's philosophy, *The Murdochian Mind* is the first volume to do justice to the incredibly rich and wide-ranging nature of her work. As such, it will be of great interest to students of philosophy, especially ethics and aesthetics, as well as those in related disciplines such as literature, religion and gender studies.

A Very English Hero Peter J. Conradi, 2013-08-01
Modest, handsome and a fine poet, eccentric Englishman Frank Thompson made an unlikely soldier. Brother of E. P. Thompson and lover of Iris Murdoch, Frank was an intellectual idealist, a rare combination of brilliant mind and enormous heart. Of his wartime experiences, Frank wrote prodigiously. His letters, diaries and poetry still read fresh and intimate today, and it is from these that Peter J. Conradi brings vividly to life a brilliantly attractive and courageous personality. Aged just twenty-three, Frank was captured, tortured and executed in Bulgaria. A soldier of principle and integrity, he fought a poet's war, a very English hero from a very different era.

The American Isherwood James J. Berg, Chris Freeman, 2015-01-08
Novelist, memoirist, diarist and gay pioneer Christopher Isherwood left a wealth of writings. Known for his crisp style and his camera-like precision with detail, Isherwood gained fame for his *Berlin Stories*, which served as source material for the hit stage musical and Academy Award-winning film *Cabaret*. More recently, his experiences and career in the United States have received increased attention. His novel *A Single Man* was adapted into an Oscar-nominated film; his long relationship with the artist Don Bachardy, with whom he shared an openly gay lifestyle, was the subject of an award-winning documentary. Chris and his memoir *Christopher and His Kind* was adapted for the BBC. Isherwood's colorful journeys took him from post-World War I England to Weimar Germany to European exile to Golden Age Hollywood to Los Angeles in the full flower of gay liberation. After the publication of his diaries, which run to more than one million words and span nearly a half century, it is possible to fully assess his influence. This collection of essays considers Isherwood's diaries, his vast personal archive and his published works, and offers a multifaceted appreciation of a writer who spent more than half of his life in southern California. James J. Berg and Chris Freeman have brought together the most informative scholarship of the twenty-first century to illuminate the craft of one of the singular figures of the twentieth century. Isherwood, the American, emerges from the shadow of his English reputation to stake his claim as a significant force in late twentieth-century American culture, whose legacy

Clements, 2011-11-01 This book argues that many of the mid twentieth century s significant novelists were united by a desire to return the increasingly interior novel to ethical engagement They did not seek morality in society politics or the individual will but sought to unveil a transcendent Good by using techniques drawn from the canon of mystical literature
