Commentaries on Romans, 1-2 Corinthians, and Hebrews Cyril, 2022-03-08 For the first time in English this ACT volume translates Cyril of Alexandria s surviving New Testament commentaries Abounding with insights from one of the most significant figures of the early church these commentaries explore themes such as the triune nature of God Christ's sacrificial death and justification and are essential tools for understanding Cyril's reading of Holy Scripture of Basho Yury Lobo, 2016-12-30 According to the author Yury Lobo this book just happened After very intense submerging into Japanese culture history art and poetry one early morning the whole idea of the book came to him as one piece to introduce Shakespeare to Japan at least two centuries before it actually happened. The idea however as crazy as it may sound is not quite too far away from reality it could truly have happened that a Roman Catholic Japanese with initial traditional samurai background escaped to Christian Macao in 17th century where he was introduced to English which became in time his second mother tongue und through English was captured with the genius of Shakespeare Of course Haruki Okami s core was still Japanese Once a samurai forever a samurai The tiger doesn t change his stripes His Basho and Shakespeare influenced existential poetry is a sort of crossover or fusion of both languages cultural poetic and religious traditions of Japan and England Hokku married with Shakespearean blank verse Haruki Okami the fictitious poet was impressed by Shakespeare like French artists were impressed by Japanese art in the second half of the 19th century which brought impressionism to life His impressionistic poetry is sort of extended minimalism with more attention to transient details Important is the architecture of Haruki Okami s verse 3 lines long shorter one and the shortest It is sort of backward steps or stairway arranged sense wise in ascending order The reader is kind of going downstairs but actually he is going up The

Embracing the Beat of Phrase: An Psychological Symphony within God In The Depths

In a global eaten by screens and the ceaseless chatter of quick connection, the melodic splendor and mental symphony created by the written term usually diminish in to the background, eclipsed by the persistent sound and disruptions that permeate our lives. But, set within the pages of **God In The Depths** a wonderful fictional treasure full of natural feelings, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, that charming masterpiece conducts readers on an emotional journey, skillfully unraveling the hidden tunes and profound influence resonating within each cautiously constructed phrase. Within the depths of the emotional analysis, we will discover the book is central harmonies, analyze its enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
