God The Astrologer Soul Karma And Reincarnation How We Continually Create Our Own Destiny:

God/Goddess the Astrologer Jeffrey Armstrong, 2019-01-03 This book won New Age Book of the Year when it was written in 2001 At the time of its writing NO scientist would agree with Jeffrey Armstrong that the ayurvedic body type could be provably predicted from a Vedic astrology chart Then in 2015 after the genome project was well on its way a group of scientists in India discovered that the ayurvedic body type was in fact predictable in the genome One of the first things that Jeffrey can predict when looking at a person s chart is their Ayurvedic body type what they look like and the qualities of that personality type This not only validates Jeffrey s personal research but the validity of Vedic Sidereal astrology Since the rights to this book have now reverted to the author he is making this historical book available as an e book Jeffrey Armstrong is also working on a 2nd update version of this book that will include recent scientific information to be available soon God the Astrologer systematically reveals the lost links between religion science destiny and free will It a clear guide to how the Divine manifests in the material world and how we can cooperate It explains the true spiritual relevance of astrology in our live and offers the profound revelation that God is the original programmer DISCOVER You are not the sign you think you are Western Astrology uses star positions that are off by 2 000 years Scientific proof of karma reincarnation Vedic astrology clearly shows the evidence of a personal God God has both male female aspects Your Ayurvedic body type is written in the stars

God, Goddess the Astrologer Jeffrey Armstrong, 2001 Systematically reveals the lost links between religion science destiny and free will

Divinely Touched: Transform Your Life Dr. Dave DiSano, Mary DiSano, 2011-08-29 Divinely Touched is a story of personal transformation It chronicles Marys spiritual awakening how she was divinely saved led and transformed From the depths of depression from battles with physical ailments for which the medical profession had no explanations from being led into worlds she never knew existed she survived being taken to the underworld She was guided and healed by light workers shamans and avatars from this world and the spirit dimension and led on a journey of personal physical mental and spiritual healing Marys experience like that of a caterpillar when transformed into a beautiful butterfly is one that will inspire enlighten and transform your life as well Dr Dave uses science research and knowledge of the ages to explain what Mary experienced and open worlds to the reader that they may never have imagined Divinely Touched Transform Your Life can in fact do just that With painstaking detail Mary describes her descent into darkness and her triumphant return Like Margaret Starbird in The Goddess in the Gospels who also has a spiritual awakening that took her into the realms of psychosis Mary describes a similar personal descent into darkness before bursting forth into spiritual awareness Inside you will find a compelling story that may help you or someone you love Maureen St Germain author of Beyond the Flower of Life Finding the Rhythms of Health and Happiness Divinely Touched is a wonderful book that documents an impassioned and heartfelt account of the pitfalls and triumphs of personal awakening Dr Michael Sharp author of The Great Awakening The Book of Light The Book of Love The Dossier of Ascension

Vedic Culture Stephen Knapp, 2005-11-22 The Vedic tradition of India is

rooted in Sanatana Dharma the eternal and universal truths that are beneficial to everyone It includes many avenues of self development that an increasing number of people from the West are starting to investigate and use including Yoga Meditation and spiritual practice Vedic astrology Ayurveda Vedic gemology Vastu or home arrangement Environmental awareness Vegetarianism Social cooperation Global peace And much more Vedic Culture shows the advantages of the Vedic paths of improvement and self discovery that you can use in your own life to attain personal awareness happiness and fulfillment It also provides a new view of what these avenues have to offer from some of the most prominent writers on Vedic culture in the West who discovered how it has affected and benefited their own lives For the benefit of individuals and for social progress the Vedic system is as relevant today as it was in ancient times Discover why there is a growing renaissance in what the Vedic tradition has to offer in Vedic Culture *How To Mess Up Your Life With Astrology* , **Bibliographic Guide to Psychology** New York Public Library. Reincarnation & Karma John Van Auken, 2015-04-02 This is a fast reading far reaching look into the strange concept of our soul's life describing how our soul goes through a recurring cycle of incarnations bringing karma that affects us in a way often unseen like a shadow over our personality's life and relationships today Van Auken explains how and why reincarnation occurs where our past life memories are stored and how we may become aware of our soul and its karmic patterns He explains soul mates twin souls soul groups and reveals what our souls are doing when they are not incarnating He revisits passages in the Bible about our origin and true nature a nature that is not affected by the death of the physical body Using sources from the Hindu Akashic Records and the Book of Life or Book of Remembrance as well as Kabbalistic and Gnostic teachings he gives us examples of how our soul sees life rather than our earthly self's view He uses Edgar Cayce's discourses to add to our overall understanding of soul life versus personality life Destiny fate and karma are explored as well Then he has a series of chapters of meditation dreams living by ideals rather than allowing circumstances to direct our lives There's a fascinating chapter telling the lifetimes of one soul's whole series of incarnations and how each of them contributed who she is today and why specific people are in her life today All in all it is an interesting and compelling revelation about a life few of us are aware of but are apparently living at some level of our consciousness

Karma and Reincarnation Paramhansa Yogananda, 2007-02-28 Many people share theories on reincarnation or karma or what happens at death Paramhansa Yogananda a master of yoga writes from his own true knowledge and experience

From Death to Birth Pandit R. Tigunait, 1997 Through a series of lively stories drawn from the ancient scriptures and his own experience Pandit Rajmani Tigunait reveals the truth about karma how we create it why it becomes our destiny and how we can use it to shape the future of our dreams From Death to Birth will give you insight into life's most perplexing questions

Maestro Rachel Madorsky, Nathaniel Madorsky, 2011 Gaining control of your own destiny is very important but spiritually it can prove quite difficult *Maestro Unveiling Karma and Reincarnation* is a thoughtful spiritual study from Rachel Madorsky as she speaks on the unique journey to self discovery and realization of one's own destiny and place in the universe With wisdom for good health physically and spiritually *Maestro* contains plenty of wisdom to be considered for spirituality readers highly recommended Ancient ideas about the immortality of the soul bring hope in 21st Century life and health crises and make us accountable for past and present behavior Rachel Madorsky shares true life stories of those she has treated interspersed with well researched and thoughtfully penned insight on the historical and religious roots of reincarnation and karmic thought and their acceptance by past and modern societies Madorsky's practice is based in reincarnation and karma or universal cause and effect that a person's soul may have lived many past lives in many bodies and that wrongs done to them or committed by them in a past life or over successive lives or committed by an ancestor can be the source of difficulties today A health crisis Madorsky argues is often an echo of long ago wrongs Recognizing and atoning for past wrongs is the key to

breaking free of karma that is still negatively reverberating Good or bad choices made today meanwhile can positively or negatively affect the future The tenor of a present day relationship Madorsky also argues may be rooted in conflict between people who clashed in a past life or inversely were good friends or close kin Examples from Madorsky s healing practice often involving people whose conditions confound modern medical doctors are convincing One woman Madorsky writes was fatally mauled by a bear in a past life while her husband cowered at a safe distance The book s complex philosophy demands a slow deliberate read and re read that is time well spent A solid affirmation for those already accepting of karma and reincarnation and an excellent introduction to those newly exploring those intertwined concepts *Edgar Cayce on Reincarnation and Family Karma* Kevin J. Todeschi, 2011-01-14 Life is a completely lawful experience because of the universal laws of reincarnation and karma that draw individuals together Rather than being some type of unavoidable destiny or a fate about which we can do very little the Edgar Cayce material instead sees karma as essentially an unconscious reservoir of information stored within the soul s memory Although this memory may draw certain events and individuals to one another personal free will and the way in which an individual responds to that memory determines her or his actual life experiences Drawing upon contemporary family relationships as well as family relationships for individuals who received guidance from Edgar Cayce this insightful volume examines the activities of reincarnation and karma especially as they play out in the dynamics of family relationships All individuals are brought together within their respective families as a means of learning specific lessons and having opportunities for personal soul growth In addition to examining the universal laws of reincarnation and karma this book illustrates the lawfulness of life the exacting nature of individual responsibility and the ever present hopefulness of personal free will In the end Edgar Cayce on Reincarnation and Family Karma makes an enormous contribution to demonstrating that life is a completely lawful experience that individuals can overcome whatever karmic lessons they seem to be faced with that free will is completely free and that God is truly as fair and as loving as we have always wished for our Creator to be

Karma and Reincarnation Barbara Y. Martin, Dimitri Moraitis, 2021-09-30 We have lived an extraordinary series of lives that has led us to our present experience And the life we are living now will prepare us for lives yet to be lived There is life after death and Barbara Martin has seen it Now for the first time comes her inspired firsthand account of the intricate world of spiritual rebirth The award winning authors of Change Your Aura Change Your Life reveal the afterlife in a work based directly on Martin s personal explorations of the world to come and awe inspiring clairvoyant experience with the spiritual worlds Both a fully practical handbook to the ins and outs of the karmic cycle and a field guide to the spiritual plane and how reincarnation works Dive deeper into the mystery of your soul s potential and how to understand your past present and future lives from a higher perspective Uncover your own destiny and what you can do to unravel the mystery of your soul s journey Brings together the design of the world beyond and the mechanics of karma Gives practical guidelines and tools to deal effectively with karmic situations and avoid generating

adverse karma Helps align readers with their spiritual purpose Shows readers how to face and resolve their karmic troubles Provides essential keys to spiritual development A true spiritual wonder in a single fully accessible volume Karma and Reincarnation is perfect for both those taking their first steps down a spiritual path and longtime spiritual students **The Karmic Journey** Judy Hall,1990 Karmic astrology postulates that we are eternal spiritual beings whose past life patterns can be identified in our birthcharts along with the purpose of our new incarnation Drawing on famous case histories Hall supports this theory and deepens our own spiritual perceptions by linking them to a pattern laid down in the past **God the Astrologer** Jeffrey Armstrong,2004-04 **Symphony of Your Karma** Rachel Madorsky,2008 In Symphony of Your Karma Rachel Madorsky shows through her case studies and research with her patients just how intertwined our present existence is with the fabric of time itself The threads of our past lives weave with our present existence to provide the framework for our future destiny our Karma Rachel Madorsky shows us why certain life experiences seem to repeat themselves and provides her insight on how you can untangle yourself from your past karmic web The author shows us that life changing life affirming choices made today can and do make a difference in our past to create a new reality a new destiny Symphony of Your Karma allows you to peer in the window during Rachel s healing sessions to learn from her patients self explorations of their present illnesses The book provides the author s thoughtful analysis into past situations and how those choices and actions came to play a role in her patient s current health The author s mantra To be forewarned is to be forearmed rings true Our best defense for Karma is to understand our past and then to exercise our free will to make life changing choices for our future as our consciousness evolves We learn through Symphony of Your Karma ways to shed limiting thought patterns and etheric stampings of past choices and actions to unravel the past karmic threads and weave new ones a new Karmic destiny A must read for anyone wishing to explore further the fabric of Karma Reincarnation Mari Silva,2021-03-31 Unlock the mystical world of past lives and reincarnation with this easy to understand guide Reincarnation has been part of religious and spiritual teachings for generations The idea that the human soul develops every time we live another life appeals to our belief that we learn something whenever we are reborn Karmic debt is often used to describe why bad things happen to good people and the term Karma has become part of our everyday vocabulary This book is filled with different perspectives regarding reincarnation and allows you to reach your own conclusions Does the idea of heaven and hell seem unlikely What about Summerland The Wiccan belief may appeal more to your spiritual beliefs and offer an alternative view on the afterlife This book will help you understand Have you ever been called an old soul Do you have knowledge of things that you can t explain Take a quiz to discover how mature your soul is What are the five levels of the soul in the teachings of Kabbalah What is karma and how can you repay any karmic debt that may have accumulated in your former lives Discover the seven archetypal souls contained within the Spectrum of Essence Have you met your soulmate What is a twin flame and how have you met yours What does your birth chart tell you about your former incarnations How to

read it and gain information without having to consult an astrologist How to use freewriting and astral projecting to travel back to former lives How shamans discovered the earliest form of journeying back to former lives and meeting themselves in the past And so much more So what are you waiting for Get your copy of this book today and begin your journey into the fascinating study of karma rebirth past lives and reincarnation
