## **God Christ Church A Practical Approach To Process Theology:**

*God, Christ, Church* Marjorie Suchocki, 1989 This is one of the most impressive applications of process thought to Christian doctrine and constitutes a kind of process theology mini summa ADRIS Newsletter God, Christ, Church Marjorie Suchocki, 1986 The Making of American Liberal Theology Gary J. Dorrien, 2006-01-01 In this first of three volumes Dorrien identifies the indigenous roots of American liberal theology and demonstrates a wider longer running tradition than has been thought The tradition took shape in the nineteenth century motivated by a desire to map a modernist third way between orthodoxy and rationalistic deism atheism It is defined by its openness to modern intellectual inquiry its commitment to the authority of individual reason and experience its conception of Christianity as an ethical way of life and its commitment to make Christianity credible and socially relevant to modern people Dorrien takes a narrative approach and provides a biographical reading of important religious thinkers of the time including William E Channing Ralph Waldo Emerson Horace Bushnell Henry Ward Beecher Elizabeth Cady Stanton and Charles Briggs Dorrien notes that although liberal theology moved into elite academic institutions its conceptual foundations were laid in the pulpit rather than the classroom Christian Theology Peter Crafts Hodgson, Robert Harlen King, 1994-01-01 This highly acclaimed and widely used volume now in its third edition is a collaborative presentation of the chief Christian doctrines in light of their traditional theological formulations their historical development and contemporary challenges Joined by David Tracy Langdon Gilkey Edward Farley Sallie McFague and many others Hodgson and King explore the task of theology method scripture and traditions God revelation creation human being sin and evil Christ and salvation church sacraments the Spirit and Christian life the reign of God other religions and the Christian paradigm Each chapter sets forth the primary shape and substance of a doctrine its historical development how that tradition has been challenged and transformed under the pressures of modern thought and new and persistent issues that set the agenda for future theological work Written with intelligence and verve and newly updated *Christian Theology* has proven a superlative introduction to Christianity's classical heritage and its future theological horizons Companion volumes include *Readings in Christian Theology* and *Reconstructing Christian Theology*

**Under the Oak Tree** Ronald J. Allen, John S. McClure, O. Wesley Allen Jr., 2013-11-06 Two trends in the early twenty first century intersect to give this volume immediate relevance 1 The emerging postmodern ethos in North America is calling into question many things we have taken for granted including the purposes of the church and 2 our time is increasingly fractious as groups with distinct worldviews become polarized and often antagonistic Eleven noted contributors join a growing current that sees conversation as an image to refresh our thinking about the nature and purpose of the church and as a process in which individuals and communities with different perspectives come together for real understanding *Under the Oak Tree* employs the image of Sarah and Abraham greeting three visitors under the Oaks of Mamre as an image for the church as a community of conversation a community that opens itself to the otherness of the Bible voices in history and tradition others

in the contemporary social and ecological worlds Furthermore the book shows how conversation can lead the church to action The book takes a practical approach by exploring how conversation can shape key parts of the church s life Topics include preaching worship formation evangelism pastoral care mission and ecumenism social witness and the relationship of Christianity to other religions Foundational chapters consider God as conversational the church as community of conversation and the minister as conversation leader

**Dictionary of Feminist Theology** Russell,Russell, David,2004-01-01 Providing a tool for all who wish to learn about the growing fields of womanist mujerista Asian feminist and white Euroamerican feminist studies in religion this dictionary furnishes a pluralistic approach to feminist theologies guiding readers who are interested in all areas of Christian theology as they relate to feminism What's Wrong with Sin Derek R. Nelson,2009-07-30 This title portrays two primary doctrines of sin posited in the last half century the structural sin type and the relational self type After an introduction to the current discussion on the doctrine of sin two nineteenth century rejections of individualistic conceptions of sin are explicated and critiqued The book concludes with recommendations drawn from the preceding analyses for further understanding of the social dimensions of sin *Dancing with God* Karen Baker-Fletcher,2006-12-01 *Dancing With God* is an exploration of the divine gifts of courage and grace in the face of evil Moreover it is a doctrine of God as the source of that courage Baker Fletcher presents an understanding of the work of the Trinity with regard to the problem of crucifixion a metaphor she uses for unnecessary violence She develops a process of relational womanist theology that considers the empathetic omnipresence of God in the midst of unnecessary suffering and the healing power of God in movement of the Holy Spirit She engages the contributions of a diversity of theologians like Paul Tillich Karl Barth Gordon Kaufman John Cobb Jr Majorie Suchocki Charles Hartshorne Andrew Sung Park and Katie Cannon in her discussion of the dance of the Trinity in creation and the problem of sin evil and suffering Through creative works like that of Alice Walker s *The Color Purple* and journalist Joyce King s account of the James Byrd Jr murder in Jasper County Texas Baker Fletcher reveals the healing encouraging power of the Holy Spirit in the lives of survivors of unnecessary violence Encyclopedia of Protestantism Hans J. Hillerbrand,2004-08-02 For more information including sample entries full contents listing and more visit the Encyclopedia of Protestantism web site Routledge is proud to announce the publication of a new major reference work from world renowned scholar Hans J Hillerbrand The Encyclopedia of Protestantism is the definitive reference to the history and beliefs that continue to exert a profound influence on Western thought Featuring entries written by an international team of specialists and scholars the encyclopedia traces the course of Protestantism from its beginnings prior to 1517 when Martin Luther nailed his 95 Theses to the door of Wittenberg Cathedral to the vital and diverse international scene of the present day Understanding Christian Doctrine Ian S. Markham,2017-03-16 The comprehensive and engaging introduction to contemporary Christianity revised and updated The second edition of *Understanding Christian Doctrine* presents a completely updated and revised edition that builds on the

most popular features of the first edition to offer a lively overview to the central beliefs of Christianity Ian S Markham a noted authority of Christianity discusses the great thinkers of the Christian tradition and puts them in conversation with contemporary progressive theologies in a book that goes from Augustine Aquinas and Luther to Liberationist Feminist and Queer theologies Designed to be a basic primer the text is written in a manner that assumes the reader has no prior knowledge of theology or Christian doctrine The book is designed to present the basic options in all the key areas of Christianity as well as information on how to make complex theological decisions The author tackles all the key questions from creation to eschatology Furthermore Markham makes his own distinctive contribution he argues that theodicy traditionally seen as a major difficulty with belief is actually a theme that links many aspects of Christian doctrine The revised second edition includes a wealth of new information including A lively and comprehensive introduction to Christianity that assumes no prior knowledge of the faith An overview to the great thinkers of Christian tradition that puts them in conversation with progressive liberationist theologies Suggestions that help even the most skeptical to learn to understand and possibly embrace theological assertions Breakout boxes that explain the significance of the text s various philosophical ideas and positions The text is ideal for anyone interested in learning about the foundations of Christianity as well as new ideas about the faith Christianity is presented in a manner that embraces the richness of the tradition and affirms the central claims of the historical creeds while engaging with liberationist challenges to the tradition     The Christian Story Gabriel Fackre,1996 An original work in systematic theology The Christian Story rises from and strives to be a resource to the life and witness of the church and its leadership In addition to covering the standard teachings of Christianity the doctrines of God creation the fall covenant Christ salvation church and consummation Volume 1 presents Fackre s introduction to systematic theology This revised third edition develops in more detail the doctrine of the Trinity takes up the issues of religious pluralism and Jewish Christian dialogue and offers a perspective on angelology New appendices discuss inclusive language and describe the surge of writing in the field of systematic theology     **Perfecting Grace** Mark H. Mann,2006-11-15 Mark Mann seeks to renew discussion of the doctrine of holiness in Christian theology by using the human sciences as a tool for theological reconstruction He identifies the anthropological presuppositions of the holiness tradition and explores the ways that those presuppositions have led to particular assertions regarding the nature of Christian holiness as that doctrine is affirmed by the holiness tradition He asks to what extent holiness is possible in this life How is holiness obtained and to what extent can people gain knowledge of having achieved holiness Mann uses the resources of the neurosciences the sociology of knowledge and psychology to help answer these questions and to provide constructive theological analysis of these questions     Jesus Christ for Contemporary Life Don Schweitzer,2012-02-13 Jesus Christ for Contemporary Life is an understanding of Jesus as the Word of God grounded in what can be known historically of Jesus and informed by subsequent reflection upon him which hopes to help shape a Christian identity characterized by bounded

openness In Jesus Christ for Contemporary Life Don Schweitzer explores the significance of the person work and relationships of Jesus Christ for contemporary life He moves from the historical Jesus to the present in three parts In the first part Schweitzer develops an understanding of Jesus as the Word of God who became incarnate to give the goodness and beauty of God further expression in time and space Second he explores how various atonement theories articulate ways in which Jesus empowers people to further express this beauty and goodness in their own lives And finally Schweitzer explores how Jesus relates to people in the church to the events and movements in history to other religions and to Christians in their dialogue with God in prayer     *The Transforming God* Tyron Inbody,1997-01-01 This book offers a bold new approach to the theological interpretation of human suffering Beginning with a description of suffering and evil as religious problems Inbody moves to a critique of the all loving and omnipotent deity in classical theism concluding with a radical interpretation of the Christian God as a vulnerable transforming God     **Healing the Divide, Tenth Anniversary Edition** Amos Smith,2024-05-17 Healing the Divide is a bold call to understand Jesus according to the earliest lineage of Christian Mystics a call to transform our dualistic minds and heal a divided church This book is a must read if you find yourself frustrated by the fundamentalist and new age polarization of twenty first century Christianity bewildered by religious pluralism or searching for Christianity s elusive mystic core     Reconstructing Christian Theology Rebecca S. Chopp,Mark Lewis Taylor, Christian theology needs to be reconstructed in light of recent and momentous intellectual changes social revolutions and steep pedagogical challenges That is the conviction of many of North America s leading theologians whose close collaboration over several years bring us this exciting volume Reconstructing Christian Theology introduces theology in such a way that readers can discern the relevance of historical materials pose theological questions and begin to think theologically for themselves Further like other projects of the Workgroup on Constructive Theology this volume stems from a deep desire to model a credible creative and engaged contemporary theology So each chapter tackles major Christian teaching juxtaposes it with a significant social or cultural challenge and then reconstructs each in light of the other The result is an innovative and compelling way to learn how theology can contribute to rethinking the most pressing issues of our day     Theological Cartographies Benjamin Valentin,2015-03-14 Benjam n Valent n presents a substantive yet accessible introduction to the three central doctrines of Christian theology God humanity and Christ In an engaging style Valent n offers an overview of each of these doctrines delving into its tradition within the Christian community throughout history from the writing of Scripture forward He further explores what contemporary life tells us about this doctrine and how that compares to traditional understandings and then determines how we can reconstruct this doctrine in light of our new assessment of it Each chapter concludes with suggested readings for further study Throughout Valent n highlights the diversity of Christian thought bringing together past tradition and contemporary questions to arrive at a new understanding of what these important doctrines can mean for us today     **Routledge Companion to Philosophy of Religion** Chad Meister,Paul

**Turning Toward the Victim** Thomas Gates, 2025-06-10 Part primer on Ren Girard's groundbreaking mimetic theory part Bible study through the lens of mimetic theory and part dialogue with early and contemporary Quakers Turning Toward the Victim demonstrates how these three perspectives can mutually inform one another in unexpected ways Contemporary liberal Friends Quakers have largely drifted away from the Bible due in part to its seeming sanction of divine violence Girard by contrast sees the themes of sacred violence and its overcoming as central to the biblical witness and so can provide the means by which Quakers and others might reengage with the Scriptures Girard's claim that the biblical God has nothing to do with violence will resonate with Friends traditional commitment to nonviolence and peacemaking Girard's insights into the scapegoat mechanism can also help us to understand the witness of early Friends who functioned as the scapegoat caste in seventeenth century England Using the traditional Quaker framework of conviction convincement and conversion Thomas Gates explores the relevance of these concepts for Friends and other Christians today [Butler on Whitehead](#)

Roland Faber, Michael Halewood, Deena Lin, 2012-03-22 This volume is based on the first set of formal conversations which brings together the dynamic philosophies of two eminent thinkers Judith Butler and Alfred North Whitehead Each has drawn from a wide palette of disciplines to develop distinctive theories of becoming of syntactical violence and creative opportunities of limitation In bringing together internationally renowned interpreters of Butler and Whitehead from a variety of fields and disciplines philosophy rhetoric gender and queer studies religion literary and political theory the editors hope to set a standard for the relevance of interdisciplinary philosophical discourse today This volume offers a unique contribution to and for the humanities in the struggles of politics economy ecology and the arts by reaching beyond their closed circles toward understandings that may serve as the basis for the activation of humanity today

Considered together Butler and Whitehead delineate a whole new cadre of approaches to long standing problems as well as never before asked questions in the humanities
