Some Things Matter... Some Things Don't Anna D. Jaquith, 2007 In the big picture of life some things really matter and some things really don't matter Try to keep everything in perspective and live for what matters in the end It matters that you learn to let God be your best friend in the world Other people may fail you but He never will It matters that you keep the Ten Commandments God gave you these rules to follow because He loves you and wants you to have the best life possible It matters that you learn to view yourself as God views you He absolutely thinks the world of you and He made you the way that you are for a special reason It matters that you learn to resist the lies of compromise What have you gained if you've enjoyed everything the world has to offer but have lost your soul in the process If you've lost your soul you have lost all that there is to lose It matters that you learn to fight the enemy Live with your armor on Be a warrior and not a wimp Give it all you've got and do damage to the devil's camp Bottom line having God say Well done good and faithful servant is what matters in the end
