*God in New Testament Theology* Prof. Larry W. Hurtado, 2010-08-01 Analyzes the various New Testament conceptions of God and suggests how they can best contribute to a contemporary constructive theology In this important new volume in the Library of Biblical Theology Larry W Hurtado introduces the different understandings of God that arise in the books of the New Testament and explores the ramifications of those views for contemporary theology Questions covered include Why has the subject of God received comparatively little attention in much contemporary New Testament scholarship Is the Christian God of the New Testament the same deity described in the Old Testament What impact does the New Testament's emphasis on Jesus have for its discourse about God How do New Testament references to the Divine Spirit affect its understanding of God Given the diversity of the New Testament writings is it possible to speak of a sole New Testament view of God How should contemporary theology understand the triadic shape of New Testament discourse about God in light of the later development of the doctrine of the Trinity

The Promise of the Father Marianne Meye Thompson, 2000-01-01 Marianne Thompson surveys the portrayal of God as Father in the Old Testament and Second Temple Judaism in the ministry of Jesus in the Synoptic Gospels and in the writings of Paul and John Thompson argues that rather than rooting the image of God in a debate about gender Father terminology really identifies an ancestor who grants inheritance

fully man *Israel and the Covenants in New Testament Times* Peter Williams, A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that *Life Application New Testament Commentary* Livingstone, 2016-07-01 Based on the best selling Life Application Commentary series this single handy volume holds practical concise insight on every verse in the New Testament Now readers can get all the useful background information they need without a lot of obscure facts they don't need A key resource for every Bible teacher and anyone else who wants to understand the New Testament and how it applies to real life

**The Conclusion of the New Testament** Witness Lee, 1985 **Day Thoughts on the New Testament of Our Lord and Saviour Jesus Christ** R. Tennent Shaw, 1875 **The Mystery of God: Early Jewish Mysticism and the New Testament** Christopher Rowland, C.R.A. Morray-Jones, 2009-06-17 This book brings together the perspectives of apocalypticism and early Jewish mysticism to illuminate aspects of New Testament theology The first part begins with a consideration of the mystical character of apocalypticism and then uses the Book of Revelation and the development of views about the heavenly mediator figure of Enoch to explore the importance of apocalypticism in the Gospels and Acts the Pauline Letters and finally the key theological themes in the later books of the New Testament The second and third parts explore the character of early Jewish mysticism by taking important themes in the early Jewish mystical texts such as the Temple and the

Divine Body to demonstrate the relevance of this material to New Testament interpretation      *'The Real Scriptures' of God - New Testament* James Platter, 2012-09-29 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isnt in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone elses church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language The Real Scriptures edited by James Platter above a layman who formerly studied the scriptures for many years with the Baptist Bible Fellowship in San Dimas California in the United States but now rejects the reduced 1627 A D Version of the KJV Bible and formally learned the Greek language of the New Testament at Capernwray Missionary Fellowship Moss Vale N S W Australia under the Reverend Alan Catchpoole in 1973
