Christian Science Sentinel ,1901 The Practical Works of Richard Baxter Richard Baxter,1838 **Faith's Freedom** Luke Timothy Johnson,1990-07-23 Johnson believes Christian spirituality needs an intellectual recasting that takes seriously the life of ordinary people in a world shaped by modernity rather than the monastery by discerning the narrative of God's action in their midst You're Not the Only One Megan LeCluyse,2025-07-29 College is a time when people have a lot going on in their lives It's easy to put faith to the side for these four years But how can college students allow their faith to help them process everything going on Whether it's about how to make this new place feel like home questioning what to do in life feeling overwhelmed by assignments and everything else going on or something else entirely this book is here to help students process this special time in their lives With passages from Scriptures reflections on common college experiences prayers and reflection questions this book will help readers feel assured that they are not alone in their experiences or in their lives **The Swiss Monthly** ,1923 **Post-Christian Nation** Mark A. Stelter,2024-02-15 We have been indoctrinated with the lie that belief in God is irrational As a result the United States is rapidly becoming a post Christian nation At the current rate by 2040 most Americans will no longer identify as Christian Mark Stelter relies on his professional experiences as a lawyer theologian and former college professor to carefully examine secular materialism and clearly demonstrate that it is the theistic worldview not the atheistic worldview that is most supported by the evidence Stelter explores a variety of topics that include the triumph of secularism in American culture the shift in worldviews the separation of church and state the academic assault on religion moral truth versus moral relativism the intolerance of tolerance and much more Post Christian Nation is a well documented examination of how Christianity not atheism prevails when tested by reason logic and science **The Churchman** ,1901 **Thomas Aquinas** Nicholas Healy,2021-11-18 The work of Thomas Aquinas 1224-1275 has become increasingly influential in recent doctrinal theology and theological ethics aside from his extraordinary historical significance Thomas has been read ever since his death today as much as ever What is it that distinguishes his work and can his theological judgments and proposals still be brought to bear in contemporary theological inquiry This book presents a new study of Thomas Aquinas focusing on the evangelical pastoral and theocentric character of his premodern theology Healy presents Thomas as first and foremost a theologian of the Christian life who when he used philosophical concepts did so in order to fulfill the task of theology which he conceived as an ecclesial discipline dedicated above all to helping Christians follow Jesus Christ Thomas's interpretation of Scripture and his theological method his Trinitarian ontology his Christology and his Christological anthropology conception of the church and sacramental theology are all examined from this perspective The richness and complexity yet profound simplicity of the Christian way of life Thomas reveals is shown to make a valuable contribution to the thought of contemporary readers and the significance of Thomas's writings for contemporary theological questions and concerns is revealed Worldviews and Christian Education
