God Without Religion Questioning Centuries Of Accepted Truths:

God Without Religion Sankara Saranam, 2005-03 In a groundbreaking approach to today s tough spiritual and social dilemmas God without religion offers an intelligent and compassionate bridge from dogmatic belief systems to progressive spirituality The son of self exiled Iragi Jews Sankara Saranam shows why organized religion has long been the cause of humanity s worst wars and most acute suffering then guides us beyond our divisive history into more expansive perceptions capable of creating a unified peaceful future Through a series of penetrating inquiries and practices readers are invited to examine their beliefs turn inward and develop a direct understanding of God God Without Religion Sankara Śaranam, 2005 Disillusioned with organized religion some people escape into New Age movements and others retreat from their spiritual moorings altogether A more satisfying and transformative option is to embark on a quest to discover God on your own Using time tested tools of spiritual investigation it becomes possible to examine your present beliefs explore the nature of God and sense of self and ultimately expand your identity This book is a classic and introduces readers to an age old approach to spiritual inquiry Included are seventeen universal techniques for developing a personal relationship with God God Without Religion Sankara Saranam, 2016-01-05 Since and broadening your view of yourself others and all of life Sankara Saranam's groundbreaking book God Without Religion was released 10 years ago thousands have been enlightened by his teachings and revelations Now in this special 10 year anniversary edition Sankara returns with new insights and a renewed message of spiritual guidance and inspiration Disillusioned with organized religion millions of people turn to secular humanism neo atheism New Age thinking Eastern religious practices and mysticism while others retreat from spirituality altogether A more satisfying and transformative option is to embark on a quest to discover what is real to you Using time tested tools of investigation into your own sense of self you can examine your present beliefs explore the nature of reality and ultimately expand your identity and awareness God Without Religion introduces this age old approach to self inquiry for today's readers Step by step it offers a bridge between organized religion and self realization for anyone questioning traditional dogma or its legacy of divisiveness It also assists in overcoming limitations and notions of exclusivity promoted by modern day movements Included are 17 universal techniques for developing a personal understanding of the underlying substance of existence and broadening your view of yourself others and all of life This updated edition includes new details about Sankara's personal experiences with each technique These highly relatable new passages will help you connect with each concept in a personal way so that you can discover or rediscover your own spiritual path to clarity The Devil's Advocate versus God's Honest Truth Necip Fikri Alican, 2025-02-27 The Devil's Advocate versus God's Honest Truth is a scholarly monograph exploring the rationality of religion particularly the tenability of theism through a dialectical analysis of plausible arguments for the existence of God versus reasonable grounds for suspicion It offers a comprehensive and balanced coverage of the issues inviting readers to reflect and ponder the subject in its full scope The book thus makes up for the

missing objectivity in an area that has long been dominated by sectarian scholarship and polarized beyond reconciliation **The Homemade Atheist** Betty Brogaard, 2010-03-23 This book shares the author's step by step search for the honest answers that freed her from the mental slavery of extreme religion and allowed her to find a true happiness Or Not To Believe: The Social and Neurological Consequences of Belief Systems Rahasya Poe, 2009-11-06 To Believe or not To Believe The Social and Neurological Consequences of Belief Systems An in depth look at how we limit our conscious evolution by maintaining rigid belief systems that no longer serve us and are lacking any logic or reason considering today s advances in physics neuroscience and recent archaeological fi nds Neuroscience has shown that people who meditate have much higher brain coherence than people who don t this balance is thought to be the gateway for spiritual enlightenment which could be viewed as a bioneurological event Through a better understanding of reality and our relationship to it humankind will be able to see through the veils of illusion that keep us in constant conflict with one another Included are interviews with Dr Bruce Lipton Dr Joe Dispenza Dr Andrew Newberg Fred Alan Wolf Neale Donald Walsch Lynne McTaggart Gary Zukav Amit Goswami Shakti Gawain Dan Millman Byron Katie Alberto Villoldo PhD Drunvalo Melchizedek Peter Russell Timothy Freke and Rollin McCraty of HeartMath The book s message reflects the words of Voltaire Those who can make you believe absurdities can make you commit atrocities Christian Controversies Scott Haraburda, 2013 The Greatest is Love God wants us to love our neighbors If this is the premise of being Christian then why do thousands of denominations claim to be the right and true one implying that all others are false The author searches for truth and explores real world issues concerning Christians throughout history and today and the future of Christianity in this ever changing world Join the author as he challenges you to think outside of your comfort zone and questions what you might have been told not to question about the Word of God This book contains many facts and true stories some you might recognize and some from the author s own life as he logically discusses controversial subjects such as a Perfect Bible sex lying killing ethics Christian leadership Bible thumping judgment and women s rights It is well documented and written in easy to understand language to arm you with the knowledge you need to discuss Scripture in an educated and meaningful way and to develop a real world perspective of Christianity a must read for all who profess to be Christian Yahvehism Imam Warith-Deen Umar, 2011-01-06 Imam Umar s book Judailogy dares to go where few if any have gone before It s well researched logic and argumentation should serve as a resource for much needed discussion in modern America where such dialogue is often suppressed or discouraged The Precarious Human Role In a Mechanistic Universe John F. Brinster, 2011-01-06 No description available for this title **Library Lin's Curated Collection of Superlative Nonfiction** Linda Maxie, 2022-05-05 Trust a librarian to help you find books you ll want to read Library Lin s Curated Collection of Superlative Nonfiction is a librarian s A list of nonfiction books organized by subject area just like a library Linda Maxie Library Lin combed through 65 best books lists going back a century She reviewed tens of thousands of books sorted them according to

the Dewey Decimal Classification system and selected an entire library s worth for you to browse without leaving home Here you ll find Summaries of outstanding titles in every subject Suggestions for locating reading material specific to your needs and interests In this broad survey of all the nonfiction categories you will find titles on everything from the A bomb to Zen Buddhism You might find yourself immersed in whole subject areas that you never thought you d be interested in **Code for Global Ethics** Rodrigue Tremblay, 2010-12 Humanists have long contended that morality is a strictly human concern and should be independent of religious creeds and dogma This principle was clearly articulated in the two Humanist Manifestos issued in the mid twentieth century and in Humanist Manifesto 2000 which appeared at the beginning of the twenty first century Now this code for global ethics further elaborates ten humanist principles designed for a world community that is growing ever closer together In the face of the obvious challenges to international stability from nuclear proliferation environmental degradation economic turmoil and reactionary and sometimes violent religious movements a code based on the natural dignity and inherent worth of all human beings is needed more than ever In separate chapters the author delves into the issues surrounding these ten humanist principles preserving individual dignity and equality respecting life and property tolerance sharing preventing domination of others eliminating superstition conserving the natural environment resolving differences cooperatively without resort to violence or war political and economic democracy and providing for universal education This forward looking optimistic and eminently reasonable discussion of humanist ideals makes an important contribution to laying the foundations for a just and peaceable global community Mind Stephen Larsen, 2014-05-27 We are all fundamentalists whether we acknowledge it or not We were born into a world of myth and metaphor and have come to internalize the stories we were told as children as the literal interpretations of much greater and deeply symbolic lessons When we fall into such patterns according to author and psychotherapist Stephen Larsen we lose all flexibility and freedom of thought We become split by dualistic thinking bad versus good black versus white and are weighted down by definitive concretistic principles and behaviors that alienate us from one another Dr Larsen explains that we can avoid such pitfalls by identifying our inner fundamentalist and becoming more open minded individuals

The Historical Christ and the Theological Jesus Dale C. Allison Jr., Dale C. Allison, 2009-03-09 In this book Dale Allison addresses ongoing historical theological questions concerning Jesus Christ What should one think of the modern quest for the historical Jesus when there is such enduring discord among the experts and when personal agendas play such a large role in the reconstructions How much history is in the Gospels and how much history does Christian theology require that there be How does the quest impinge on conventional Christian beliefs and what might it contribute to contemporary theological reflection From publisher's description The Blackwell Companion to Jesus Delbert Burkett, 2013-11-11 The Blackwell Companion to Jesus features a comprehensive collection of essays that explore the diverse ways in which Jesus has been imagined or portrayed from the beginnings of Christianity to the present day Considers portrayals of Jesus in the New

Testament and beyond Jesus in non Christian religions philosophical and historic perspectives modern manifestations and representations in Christian art novels and film Comprehensive scope of coverage distinguishes this work from similar offerings Examines both Christian and non Christian perspectives on Jesus including those from ethnic and sexual groups as well as from other faiths Offers rich and rewarding insights which will shape our understanding of this influential figure and his enduring legacy The Publishers Weekly ,2005 The Simplest Way Madhukar, H. W. L. Poonja, 2006 A relaxed and short road to peace of mind uncomplicated by the intellect and personal history This renowned German teacher advocates deconstructing the tyrants called feelings and the egocentered programming of many lifetimes **New Spiritual Answers** to Life's Big Questions Marianne Figge Stein, 2006-06-01 Do you want meaningful inspirational answers to important questions about God the universe and the meaning of life Are you an open minded spiritual seeker who is willing to look outside the boundaries of traditional religions Then you ll want to know about new spirituality It s not a new religion or organization it s a new worldview based on love tolerance compassion and freedom It s based on the writings of people such as Neale Donald Walsch author of the Conversations with God books but it also draws on sources ranging from ancient mysticism to contemporary science This book serves as an introduction to new spirituality for people who are ready to embark on a spiritual journey In a question and answer format it discusses important issues in a clear inspirational and practical way that will help you cultivate inner peace and happier relationships in your daily life You ll find out what new spirituality has to say about topics such as love karma suffering and the future of humanity You ll also learn about reincarnation co creation intuition and healing And above all you ll acquire a compassionate and empowering basis for finding your own way to enlightenment New Spiritual Answers to Life's Big Questions Ph. D. Marianne Figge Stein, 2006-06 Do you want meaningful inspirational answers to important questions about God the universe and the meaning of life Are you an open minded spiritual seeker who is willing to look outside the boundaries of traditional religions Then you ll want to know about new spirituality It s not a new religion or organization it s a new worldview based on love tolerance compassion and freedom It's based on the writings of people such as Neale Donald Walsch author of the Conversations with God books but it also draws on sources ranging from ancient mysticism to contemporary science This book serves as an introduction to new spirituality for people who are ready to embark on a spiritual journey In a question and answer format it discusses important issues in a clear inspirational and practical way that will help you cultivate inner peace and happier relationships in your daily life You ll find out what new spirituality has to say about topics such as love karma suffering and the future of humanity You ll also learn about reincarnation co creation intuition and healing And above all you ll acquire a compassionate and empowering basis for finding your own way to enlightenment God Without Religion Sankara Saranam, 2001-09-07 Disillusioned with organized religion some people escape into New Age movements and others retreat from their spiritual moorings altogether A more satisfying and transformative option for some is to embark on a quest to

discover God independently Using time tested tools of spiritual investigation it becomes possible to examine our present beliefs explore the nature of God and sense of self and ultimately expand our identity beyond its borders This book introduces this age old approach to spiritual inquiry for modern day readers Step by step it offers a bridge between organized religion and mystical spirituality for anyone questioning traditional dogma or its legacy of divisiveness It also assists in overcoming limitations and notions of exclusivity promoted by New Age movements Included are 17 universal techniques for developing a new view of what is meant by God and for broadening our view of ourselves others and all of life **Social and Cultural Dynamics** Pitirim Sorokin, 2017-09-29 This classic work is a revised and abridged version in a single volume of the work which more than any other catapulted Pitirim Sorokin into being one of the most famed figures of twentieth century sociology Its original publication occurred before World War II This revised version written some twenty years later reflects a postwar environment Earlier than most Sorokin took the consequences of the breakdown of colonialism into account in discussing the renaissance of the great cultures of African and Asian civilization Other than perhaps F S C Northrop no individual better incorporated the new role of the Indian Chinese Japanese and Arabic peoples in this postwar world Sorokin came to view social and cultural dynamics in terms of three major processes a major shift of mankind s creative center from Europe to the Pacific a progressive disintegration of the sensate culture and finally the first blush of the emergence and growth of a new idealistic sociocultural order This volume is perhaps most famous for revealing Sorokin's remarkable efforts to understand the relationship of war and peace to the process of social and political change Contrary to received wisdom he shows that the magnitude and depth of war grows in periods of social cultural and territorial expansion by the nation In short war is just as often a function of development as it is of social decay This long unavailable volume remains one of the major touchstones by which we can judge efforts to create an international social science There are few areas of social or cultural life that are not covered from painting art and music to the ethos of universalism and particularism These are terms which Sorokin introduced into the literature long before the rise of functional doctrines For all those interested in cultural and historical processes this volume provides the essence of Sorokin's remarkably prescient effort to achieve sociological transcendence by takin
