Godbearing Life The Art Of Soul Tending For Youth Ministry:

The Godbearing Life Kenda Creasy Dean,1998 **The Godbearing Life, Revised Edition** Kenda Creasy Dean,Ron Foster,Megan DeWald,2023-03-01 A generation ago The Godbearing Life charted a new course for youth ministry to fuel the faith both of young people and the adults who minister with them It is founded on the truth that we are all Godbearers to one another and therefore youth ministry is more about people than programs Youth ministry is ministry that invites young people into deep soul work and spiritual friendships Like the original The Godbearing Life Revised Edition is conversationally written grounded in scripture and grows out of all three authors own pastoral experience The update addresses the profound shifts in society and ministry over the past twenty five years from the interconnection of technology to the professionalization of youth ministry This book reimagines the means of Godbearing youth ministry in a post pandemic digital age in the twenty first century while holding on to the fact that young people are continuously transformed by the message The Godbearing Life Revised Edition offers a new generation of church leaders the same depth of spiritual wisdom that shifted the ground for youth workers two decades ago The basic message is this young people need adults who practice faith alongside them *A New Vision, a New Heart, a Renewed Call* David Claydon,2005 **Wide-Awake in God's World** Graham D. Stanton,2020-10-08 In an expressivist culture effective engagement must acknowledge teenagers freedom to choose their own spiritual path Yet in an evangelical theology faithful formation must hold on to biblical authority As we seek to engage young people with the Bible key questions need to be explored Such questions include how can pedagogical freedom be affirmed without undermining theological authority and how can authority be asserted without diminishing personal freedom This study explores a freedom authority dialectic in theological dialogue with the educational philosophy of Maxine Greene Greene s reflection on the arts and the imagination are brought into conversation with insights from Charles Taylor Garret Green and Nicholas Wolterstorff As a work of practical theology the book concludes with a framework to shape the purpose content and values for Bible engagement in contemporary youth ministry *Spirituality for Youth-Work* Phil Daughtry,2016-09-23 This book addresses a systemic gap in existing studies on human services and youth work While the notion of spirituality does make rare appearances in such literature it is often vaguely defined and underdeveloped both as a concept and as a mode of practice This ambiguity is symptomatic of the broader shift in the sociological context of Western and global societies that has been referred to variously as post modern late modern and post secular From the perspective of the relationship between human development and the spiritual theological we live in a time between times We have not yet worked out how to speak of spirit nor how to include its meanings in positive youth intervention and developments in our language for a public spiritual consciousness remain in a state of cultural flux This book offers a coherent vocabulary and narrative from which to construct a more explicit and deliberate practice of spiritual care education and professional identity for youth workers It speaks directly to youth work practitioners managers of youth services those providing youth work

education and anyone with an interest in youth and spirituality research and practice *Christian Youth Work in Theory and Practice* Sally Nash, Jo Whitehead, 2014 Churches today face unique challenges as they seek to help young people engage with the Christian faith and youth workers whether employed or volunteer play a key role in supporting this process This book provides a comprehensive overview of Christian youth work drawing together practice theory and theology in a format which is both engaging and informative Serving as both a text and workbook it brings together key youth ministry thinkers and grass roots practitioners to explore significant themes and issues It will be invaluable to those thinking about youth work at a strategic level as well as youth work practitioners Each of the sixteen chapters is followed by a response written from a different perspective modelling reflective practice and theological reflection Topics covered include mission church adolescent identity appropriate relationships spiritual practices youth culture pastoral care work with families education leadership and management inclusive youth work theology lifelong learning ethical dilemmas and the Kingdom of God

The People of God's Presence Terry L. Disaffiliating Ministry Gregory Baker, 2019-08-23 This book explores the shifting role of the minister in light of the experiences of college men in the United States Young men frequently struggle to know what it means to be a man and doubt that churches can supply the meaning and direction for which they hunger These men are not necessarily lost but they do need a certain kind of spiritual accompaniment that is likely to push many ministers outside of postures and practices with which they have grown comfortable This interdisciplinary work draws together feminist and masculinist theories contemporary practices in campus ministry recent literature on religious deconversion and individual interviews with college men in order to argue for new ways amid the practice of ministry This work invites ministers to become more apophatic to grow comfortable with moving away from clarity and to adopt ungrasping postures of ministry that attend to the unfolding theology of the individual This repositions campus ministers to support young adults from a range of spiritual commitments *Disaffiliating Ministry* invites ministers to eliminate wasteful ministerial habits to explore new ministry practices and to enjoy the freedom of accompanying young men in processes of leaving behind attitudes and actions that cease to be life giving while deepening in faith courage and responsibility for others
