The Word for All God's Family Leslie J. Francis, Marian Carter, 1996 Freed to Be God's Family Mark R. Glanville, 2021-01-27 Family provides community identity and shared values In the book of Exodus God frees Israel from slavery to Egypt But they are not left as orphans Rather the redeemed are made into a new family God s family In Freed to be God s Family Mark R Glanville argues that the central motif of Exodus is community God wants a healthy dynamic relationship with the redeemed As family members Israel is called to learn God s ways and reflect God s character to the world Freed to be God s Family is a concise and accessible

guide to the message and themes of Exodus Each chapter keeps the big picture central and provides probing questions for reflection and discussion **Adopted into God's Family** Trevor J. Burke,2016-02-11 In this New Studies in Biblical Theology volume Trevor Burke argues that the scripture phrase adopted as sons while a key theological metaphor has been misunderstood misrepresented or neglected He redresses the balance in this comprehensive study of the phrase This volume not only probes a neglected theme it also edifies says D A Carson **Trust and Obey: Man'S Part in Joining God'S Family** Ken Nissen,2014-05-01 How can it be How can salvation be Gods gift of grace through faith and not by works yet there are tons of Bible verses that connect eternal life directly to obedience and faithfulness It was a great aid to me to see how both are given and they do not conflict at all I have written several papers to show this and they have been helpful to a number of people So I am enclosing these into a book form Each paper shows in various ways how both the faith and obedience verses are valid and precious According to Scripture very good I agree with everything in it I dont think we will ever fully know Gods part and our part but this is the closest I have ever seen It is the best bridge I have seen I feel it is a unique and much needed contribution concerning Paradox Dr Robertson McQuilkin president emeritus of Columbia International University Very thought provoking Ive been aware of this Paradox but having it presented like this highlights the grace works elements in our faith which must be confronted It also broadens ones appreciation for the Word concerning Paradox Dave Scovill missionary translator missions counselor administrator and writer Bread for All God's Family Leslie J. Making God Part of Your Family Michael Grady, 2023-03-21

Making God Part of Your Family Volume 3 strives to bring God's plan to life for individuals and their families as He chose to reveal these truths through the stories in the Old Testament. Most would agree that the Old Testament stories can be difficult to relate to and understand. Veteran Bible teacher Michael Grady retells the Old Testament stories in concise, thought-provoking doses that are easy to understand and intended to stimulate family discussions. He demonstrates that the Old Testament stories are much more than just a history of the Israelites; God's chosen family. They are parables detailing God's guide to living and His eternal plan for redemption and salvation for all who choose to believe. The stories in **Making God Part of Your Family** Volume 3 provide a unique combination: they are both simple enough for children to understand and deep enough for parents to grow in the knowledge and wisdom of God's Word. This vibrant yet carefully researched volume brings families closer together and helps them clearly establish their identity as children of God and brothers and sisters of Jesus.

The Ancient Church as Family Joseph H. Hellerman, 2001

The author explores the literature of the first three centuries of the church in terms of group identity and formation as surrogate kinship. Why did this become the organizing model in the earliest churches? How did historical developments intervene to shift the paradigm? How do ancient Mediterranean kinship structures correlate with church formation? Hellerman traces the fascinating story of these developments over three centuries and what brought them about. His focus is the New Testament documents, especially Paul's letters, second-century authors, and concluding with Cyprian in the third century. Kinship terminology in these writings, behaviors of group solidarity, and the symbolic power of kinship language in these groups are examined.
