Gods Greater Glory:

God's Greater Glory Bruce A. Ware, 2004-11-11 Though in all things God's Word is the final authority our Christian tradition as inherited from centuries of careful reflection and endeavoring to be true to the teaching of Scripture can greatly enlighten us Nowhere is this blend of respectful listening to the wisdom of the past and faithfulness to the Bible more necessary than in our contemporary reformulations of the doctrine of God's person Bruce Ware believes that while tradition's emphasis on God's metaphysical perfection and His supremacy over the world is correct we must refine our understanding of the way in which He relates to us While retaining the deepest concerns of the historic tradition Ware offers a more rational view of God's dealings with His children a view that is reflected in Scripture's own testimony of Him Ware then applies this concept of real divine exaltation and real divine human relationship to the areas of our prayer life confidence in God and His guidance of us

God's Greater Glory Kenneth W Hagin, 2004 Do you want to be a part of what God is doing today or are you content to sit on the sidelines and watch others take their places in carrying out His plans and purposes in the earth If you want to stand up and be counted God is saying to you Prepare yourself get ready God wants each of us to enter into and experience a greater move of His glory in our midst In God's Greater Glory Rev Kenneth Hagin Jr shows how God used the holy passion of generations past to spark great moves of His Spirit In every age God has had men and women who sensed what He wanted to do and committed themselves to pray about it so He could bring it to pass This book will inspire members of the Body of Christ to drop personal agendas and seek the face of God for a greater move of His Spirit in our midst than we have ever seen God wants this generation to experience a powerful display of His glory and Rev Hagin Jr shows us how we can do it Book jacket

God's Greater Glory Thomas Ashburn Jr., 2008-10 Have you ever asked yourself why did this happen to me Have you ever been the victim of horrible circumstances despite your willingness to please God Why do we experience hardship Thomas Ashburn Jr uses biblical characters and his own personal experiences to explain why bad things happen to good Christians Why did Job lose it all Why was Daniel thrown into the lion's den Get the answers in this exciting new book Learn how to see things as God sees them Prepare to be challenged inspired and to better understand your life and God Thomas Ashburn Jr has had a passion for writing since high school He graduated from Norfolk State University with a bachelor's of arts in journalism He has written several articles for daily newspapers Thomas is a member of St Mary's Holiness Church in Chesapeake Va where his father Thomas Ashburn Sr is pastor He is a deacon and financial trustee at St Mary's Thomas's purpose for writing is to glorify God and to inspire others to overcome every obstacle

God's Lesser Glory Bruce A. Ware, 2000-11-07 Christians throughout history have been strengthened by their confidence that God knows everything about the future But consider this What if it simply is not true What if God can only rely on His best guess about tomorrow just as you and I do Would it not affect your trust in Him your confidence in facing the future your worship and your motivation to leave everything in His hands And yet this is the consequence that has to be faced if you trust what a number of leading voices in evangelicalism are proposing under the doctrine of open theism In its redefinition of the nature of divine providence open theism adjusts the entire picture of God's sovereignty and involvement in our lives Bruce Ware carefully summarizes and critiques this dangerous doctrine from a thoroughly biblical perspective providing an excellent treatment of both the classical and openness views He explores their implications and faithfully pinpoints the subtle ways that open theism undermines our trust in God and lessens His glory in our lives

Renewing Theology J. Matthew Ashley, 2022-07-15 This comprehensive study investigates the role that Ignatian spirituality has played in the renewal of academic theology using three prominent Jesuits as case studies Over several centuries spirituality has come to define a field of concerns and themes increasingly treated separately from those of academic theology as if the latter had little relation to the former This raises the question for us today How is spirituality related to the practice of theology In *Renewing Theology* J Matthew Ashley provides an answer by turning to Ignatian spirituality and three prominent twentieth century theologians who embraced its spiritual resources Karl Rahner Ignacio Ellacur a and Jorge Mario Bergoglio that is Pope Francis Ashley begins his investigation by considering the historical origins of the widening separation between spirituality and academic theology in the Christian West He provides an initial overview of Ignatian spirituality focusing on the openness and multidimensionality of Ignatius of Loyola s Spiritual Exercises presented here as a text in which the conditions of modernity that defined its author s world are present at least incipiently Ashley then offers three case studies in order to show how each Jesuit Rahner Ellacur a and Pope Francis responded to the challenges of modernity in a way that is uniquely nourished and illuminated by themes constitutive of Ignatian spirituality Their theologies Ashley suggests evince a particular clarity and force when the Ignatian spirituality that animates them is foregrounded Providing new and productive avenues into understanding the theologies of these three individuals this sophisticated and enlightening book will interest scholars and students of systematic theology as well as readers who are interested in the future of theology and spirituality in a fragmented age
