Rush,2019-04-16 On a 2001 trip to the cathedrals of Europe anthropologist John Rush and his wife entered St Mark s Basilica in Venice and encountered a mosaic depicting Jesus surrounded by mushrooms with an Amanita muscaria cap in his hand Examining the space with new eyes they discovered images of mushrooms and mind altering plants all over the Basilica Intrigued Dr Rush spent seven years researching and reflecting on the profound effects hallucinogens had on the founding of all three major Western religions He concluded that Judaism Christianity and Islam are political constructions evolving out of the use of not only Amanita muscaria but a plethora of mind altering substances **Failed God Fractured Myth** in a Fragile World re examines the scriptural stories of Judaism Christianity and Islam as told in the Bible and Qur an and reveals them as concocted mythical charters stemming from drug induced romps with the super natural Rush shows how mind altering substances played an instrumental role in the birth and development of Western religions and explains how they contributed to reports of prophetic experiences including angry and disturbing messages from the divine With chapters on Judaism Christianity and Islam Rush fully addresses the effects of mind altering substances on each tradition convincingly discrediting the idea that they stem from actual human interaction with the divine He also shows how an intoxicated and over zealous Apostle Paul corrupted Jesus s simple message of human decency forming an oppressive religious system based on fear In a thought provoking conclusion Rush asks how we can continue to attribute authority to traditions that were so clearly irrationally founded and incompatible with today s world

Divinity Constant D. F. Downey,2008-07-15 An alien object planted here 2000 years ago to recreate the life of Jesus Christ is unearthed in the Mexican Desert A heretical alien Christian group the Apocaleans in the persons of charismatic televangelists Chris Gary van Icke comes to Earth to stage the second coming and end the world to save us before our declining faith condemns us forever Brother Brendan leads a determined band who must show we are ready to spread all the beliefs of our world to the unenlightened of the universe A major complication is that this may be where Jesus actually lived It s a race against time to save humanity and maybe even God Himself      PsychoBible Armando Favazza,2014-07-01 With 2 000 religious denominations and nearly 500 000 churches and temples in the United States the Bible is not only doctrinally confusing but behaviorally confusing too Is it a sin to drink alcohol Will prayer cure the sick Is homosexuality an abomination Why is celibacy so highly valued Do belief and feminism mix How should the Passion be interpreted In this enlightening and entertaining work Armando Favazza a world renowned psychiatrist specializing in culture and society explores these and other questions and examines the impact of the Bible on behavior through time and space from the Holy Book s gradual formation thousands of years ago to the present day This is an indispensable work for all those interested in better understanding the foundations of society s and perhaps even their own beliefs and behaviors and is a thought provoking read for those not afraid to inform their faith      **The Free Thought Magazine** ,1895      *Understanding the Faith* Jeff Myers,2016-06-01 Does the Bible have authority in a world committed to relative truth The understanding of absolute

**Visiting the Calvario at Mitla, Oaxaca** William R. Arfman,2008 In the centre of the Mexican town of Mitla stands a run down chapel on an overgrown pre colonial pyramid The chapel housing three crosses is the town s Calvario the local representation of the hill on which Christ died Although buses full of tourists on their way to Chiapas or on daytrips from Oaxaca City swarm the town every day almost none of them ever visit the Calvario Instead they stick to the tourist zone to marvel at the famous mosaic friezes of the pre colonial temples and shop for traditional souvenirs in the tourist market If they would climb the steep steps to the chapel they would discover that despite appearances the building still sees extensive use as pilgrims from the wide Zapotec region visit it to bring offerings to and ask favours of the souls of their dearly departed And as these offerings consist of elaborate arrangements of flowers fruits black candles cacao beans and bundles of copal incense such tourists might well start to wonder where the origins of these practices lie It is this question that this thesis seeks to answer To achieve this current theories on cultural continuity syncretism the materiality of religion and ritual theory are combined with a study of archaeological historical iconographical and anthropological sources In addition ethnographic fieldwork has been conducted to come to a better understanding of the offerings made in the Calvario today In three parts the thesis first addresses the history of Mitla as The Place of the Dead then of the Calvario as a ritual location and finally of the offerings for the dead Combining these three lines of research an interesting image is formed of the continuity of ancestor veneration in this busy tourist town
