Go Home! Rowan Hisayo Buchanan, 2018-02-19 An anthology of Asian diasporic writers musing on the notion of home Bold and devastating the very definition of reclamation The International Examiner Asian diasporic writers imagine home in the twenty first century through an array of fiction memoir and poetry Both urgent and meditative this anthology moves beyond the model minority myth and showcases the singular intimacies of individuals

figuring out what it means to belong The notion of home has always been elusive But as evidenced in these stories poems and testaments perhaps home is not so much a place but a feeling one embodies I read this book and see my people see us and feel in our collective outsiderhood at home Ocean Vuong New York Times bestselling author of *On Earth We're Briefly Gorgeous* To be from nowhere is the state of Asian diaspora but there is also a wild humor and imagination that comes from being underestimated rarely counted hardly seen Here we begin to draw the hopeful outlines of a collective history for those so disparate yet often lumped together Jenny Zhang author of *My Baby First Birthday* Language allows for many homes and perhaps the writers and readers of the anthology too will succeed in returning home or finding a home through these words NPR.org Effectively dismantling all sorts of stereotypes Buchanan's anthology gives voice to notions of identity belonging and displacement that are much more vast complex and textually rich than mere geography Shelf Awareness Revolutionary for all the iterations of home it shows through fiction poetry and memoir sure to provoke a full range of emotions to swoon and clutch in my chest Literary Hub

Get Right Church & Let's Go Home Cassandra J. Snyder, 2008-05-23 *Get Right Church and Let's Go Home* is a book birthed from the spirit of God Just imagine sitting at the foot of the throne with pen and paper and God telling you why He is concerned for the body of Christ Just imagine God allowing you to feel His emotions for His people If you can just picture the cross and the price that was paid and how the price has become so insignificant to the Church then you can understand what this book is designed to accomplish The things written in this book come straight from the word of God The only way to dispute it is to dispute the word the truth I often tell my children that the truth is the truth whether you choose to accept it or not You can analyze it You can show what you think is a better way You can even convince a nation that what you say is true but when Jesus Christ returns and declares the truth that will be it All issues will be settled all arguments will cease all those who are going to heaven will go and all those who are not will go to hell No it is not a damnation and hellfire book It is a book written out of love If God did not love us He would not bother to reach us He could just allow us to continue in this world's deception and end up where many of us are now separated from Him The words get right let us know that it is not too late This book is just a warning to let the Church and the world know that time is not on our side Time is insignificant to God but it means

Wiens, 2024-10-31 Delbert Wiens was born during the depression to an ethnic German speaking Mennonite family As an adult he became the righteous older sibling who wanted oddly to identify with his elders Returning home to Corn Oklahoma with a severe case of culture shock after living in Vietnam he wrote New Wineskins for Old Wine to tell Mennonites they were succumbing to evangelical forms of modernism Unfortunately the relentlessness of his analysis convinced many that he had a dangerous mind This book tells the story of his recovery of the wisdom of his elders In response Wiens develops metaphors like concrete and abstract to clarify how civilizations evolve He centers his attempt to tell stories that like biblical narratives and parables evoke traditional attitudes and lifestyles Phrases like mutual aid and ethnic cliches like Gottesfurcht honoring God and Gelassenheit letting go and letting God are used to describe their qualities and virtues The final chapters use a more abstract style to trace some of the positive and negative consequences of progress This book circles around its center chapters 4 9 that describes the faithfulness and character of his elders May these meditations better evoke the desire to imitate them **Decisions** United States.
