U.S. energy strategy in the Middle East

Energy independence is not just an economic but also a foreign policy goal for the United States, says Zolt László, who argues that the country's regional policies are well-suited to achieve that aim.

The real recipients of the Peace Prize

Robert Cooper lists three individuals whose contribution to the formation of the EU deserves to be remembered, but who may not be as well known as the original winners getting all the recognition.

The tactics of Egypt's democratic dictator

■ Morsi's strongman push to cleanse judiciary may be democracy's only chance

■ Opposition forces cannot be described as model of democratic principles either

BY OMAR KHORRAM

Muslim Brotherhood leader Mohamed Morsi, Egypt's first president, recently granted himself sweeping emergency powers to curtail, he claims, to ensure the objectives of the revolution. On the one hand, Morsi's decision is a bold move, but on the other hand, it is a move that is likely to be seen as a move to consolidate his power, with the potential to undermine the revolution's goals.

Morsi has also been put in the odd position of having to defend his decision against charges of authoritarianism. In the past, the Egyptian government has been accused of authoritarianism, but Morsi's decision is a move to consolidate his power, with the potential to undermine the revolution's goals.

With emergency powers, Morsi is in a position to implement his vision of a new Egypt. He has the potential to implement his vision of a new Egypt, but he also has the potential to undermine the revolution's goals.

The Egyptian government has been accused of authoritarianism, but Morsi's decision is a move to consolidate his power, with the potential to undermine the revolution's goals.

At the same time, Morsi's decision is a move to consolidate his power, with the potential to undermine the revolution's goals.

The Egyptian government has been accused of authoritarianism, but Morsi's decision is a move to consolidate his power, with the potential to undermine the revolution's goals.

According to the Morsi camp, the emergency powers are a necessary step to ensure the objectives of the revolution.

The Egyptian government has been accused of authoritarianism, but Morsi's decision is a move to consolidate his power, with the potential to undermine the revolution's goals.

At the same time, Morsi's decision is a move to consolidate his power, with the potential to undermine the revolution's goals.

The Egyptian government has been accused of authoritarianism, but Morsi's decision is a move to consolidate his power, with the potential to undermine the revolution's goals.

POST VIEW

The struggle between control and choice

Recently in Ireland, the Irish High Court ruled that the state has a duty to ensure that the best interests of the child are protected.

The High Court's decision that the state has a duty to ensure that the best interests of the child are protected.

It is a decision that is likely to be seen as a move to consolidate the state's power, with the potential to undermine the child's rights.

The High Court's decision that the state has a duty to ensure that the best interests of the child are protected.

Which begs the question of why, one decade after the state's decision to ensure that the best interests of the child are protected.

The High Court's decision that the state has a duty to ensure that the best interests of the child are protected.

It is a decision that is likely to be seen as a move to consolidate the state's power, with the potential to undermine the child's rights.

The High Court's decision that the state has a duty to ensure that the best interests of the child are protected.

The Pedagogy of Pop Edward Janak, Denise F. Blum, 2012-12-15 Media competes with public schools in terms of student engagement and time. However, the two need not be mutually exclusive. *The Pedagogy of Pop: Theoretical and Practical Strategies for Success* discusses a variety of strategies and approaches for using social and mass media as tools through which teachers might improve schooling. While there is a vast body of literature in this field, editors Edward A. Janak and Denise Blum have created a text which differs in two substantive ways: scope and sequence. In terms of scope, this work is unique in two facets: first, it presents both theory and practice in one volume, bridging the two worlds; and second, it includes lessons from secondary and postsecondary classrooms, allowing teachers on all levels to learn from each other. In terms of sequence, *The Pedagogy of Pop* draws on lessons from both historical and contemporary practice. The introductory section of Janak and Blum's collection presents a pair of papers that use somewhat different approaches to examine the historical roots of contemporary critique. Part I presents a series of chapters designed to provide guidelines and theories through which educators on all levels can think about their practice, focusing more on the why of their approach than the how. Part II presents a more hands-on approach by sharing a variety of specific strategies for incorporating pop culture in all its forms: technology, music, television, video games, etc. in both secondary and postsecondary classrooms. The conclusion shows the praxis of teaching with popular culture, presenting a counterpoint to current thinking as well as a case study of the best of what can happen when popular culture is applied effectively.

Hold the Press John Maxwell Hamilton, George A. Krinsky, 1996-05-01 Long ago, dubbed the fourth branch of government, the American press remains to most of the general public an inscrutable enterprise whose influence and behavior are alternately welcomed and maligned. Yet the proper functioning of a democracy depends upon a media-literate populace to act as the ultimate watchdog. With wit and authority, John Hamilton and George Krinsky lead readers through the whirl of print journalism. They offer a curiosity-satisfying blend of explanation and interpretation, history, anecdotes aplenty, and statistical analysis to show what's wrong and what works with today's newspapers.

The Best of News Design, 35th Edition The Society for News Design, 2014-11-01 The *Best of News Design 35th Edition*, the latest edition in Rockport's highly respected series, presents the winning entries from the Society for News Design's 2014 competition. Bold, full-color layouts feature the best of the best in news features, portfolios, visuals, and more, and each entry is accompanied by insightful commentary on the elements that made the piece a standout winner. Every industry professional aspires to one day see his or her work in this book.

A Woman of the Times Marilyn S. Greenwald, 1999 A biography of American female journalist Charlotte Curtis.

The Corrosion of Conservatism Max Boot, 2018-10-09 A must-read Joe Scarborough by a New York Times best-selling author. *The Corrosion of Conservatism* presents a necessary defense of American democracy. Praised on publication as one of the most impressive and unflinching diagnoses of the pathologies in Republican politics that led to Trump's rise, Jonathan Chait's *New York Times* *The Corrosion of Conservatism* documents a president who has traduced every norm.

and the rise of a nascent centrist movement to counter his assault on democracy In this admirably succinct and trenchant Charles Reichman San Francisco Chronicle exhumation of conservatism Max Boot tells the story of an ideological dislocation so shattering that it caused his courageous transformation from Republican foreign policy advisor to celebrated anti Trump columnist From recording his political coming of age as a young migr from the Soviet Union to describing the vitriol he endured from his erstwhile conservative colleagues Boot mixes lively memoir with sharp analysis William Kristol from its Reagan era apogee to its corrosion under Donald Trump
