[Mystical Traveler \(Volume 1 of 2\) \(EasyRead Super Large 24pt Edition\)](#) , **Adventures of a Psychic** Sylvia Browne, 2010-11-29 In this uniquely fascinating book, world renowned psychic Sylvia Browne recounts her activating life as a clairvoyant, telling of her earliest readings as a young child in Kansas City and of her first contact with Francine, her spirit guide. In engrossing detail, Sylvia tells how her gift has assisted police departments in their search for missing children and dangerous criminals and how her predictions of deaths, plane crashes and momentous world events were sometimes heeded or tragically ignored. But more than anything else, this is the remarkable story of one woman's psychic odyssey for it offers illuminating insight into how we can better understand ourselves and our own psychic abilities. **Sylvia Browne's Book of Angels** Sylvia Browne, 2009-12 The arts abound with inspiring portrayals of angels; nearly every religion includes some description of these celestial beings in their teachings, and people from all cultures and geographic locations believe in them and their miraculous powers. But do angels really exist? Can we call upon them when we need them? What do they look like? Why are **Exploring the Levels of Creation** Sylvia Browne, 2009-10-05 EXPLORING THE LEVELS OF CREATION Have you ever wondered about life and creation? Is there existence after death? Why do we have to go through such trials and tribulations here on Earth? Why do we have thoughts and dreams that run from the sublime to the bizarre? Why do goodness and evil go hand in hand in life or do they? The answers to these questions and more are brought to light by author and spiritual teacher Sylvia Browne. Once again, she shares her psychic gifts and years of research in order to enlighten us and give us more insights into God and the realities of life. This time she tackles the structure of creation by showing us that there really is purpose and order in our seemingly chaotic world. She outlines the levels of physical incarnation along with the reality of the afterlife and the heretofore unexplored lower levels of creation. From the wondrous and weird lower levels to the everyday intricacies of life on this planet to the beautiful and perfect Other Side, Sylvia takes us on another journey of exploration and truth. This is a book that explains all levels of life as only Sylvia can. *Spiritual Connections* Sylvia Browne, 2008-05-01 Have you ever wondered why some relationships are wonderful and others are just catastrophic and tragic? Why do we get along with some people and with others just seem to constantly engage in bitter fighting? From the lifelong connection of a loving marriage to the short and bitter agony of a brief encounter leading to divorce and
