Marsh,2020-10-11 We all believe Be it in love God Santa Claus or the workings of an internal combustion engine we all believe in something After all we re only human Belief however is hardly black and white It s one thing to believe in things we can see It s quite another to believe in things we cannot And another task altogether to trust in things we cannot see Like God Faith isn t easy But it s us we re finite beings Faith recognizes our limits it acknowledges life s ambiguity And it counters these with its understanding of what is most true God This book is a story about faith It s a story of learning to trust in a supernatural God in a material world It s a meditation on living with as philosopher Soren Kierkegaard put it objective uncertainty It s a tale of learning to live with an invisible God **Book of Edward Christian Mythology (Volume III: Itching Christian Ears)** Edward G.
