God Writes Straight On Crooked Lines:

God Writes Straight with Crooked Lines Ernest A. Fitzgerald, 1981-01-01 God Writes Straight with Crooked Lines Robrecht Boudens, 1996 *The Hidden Ground of Love* Thomas Merton, 2011-04-01 Thomas Merton 1915-1968 is the most admired of all American Catholic writers. His journals have recently been published to wide acclaim. The collection of Merton's letters in *The Hidden Ground of Love* were selected and edited by William H. Shannon.

God Writes Straight on Crooked Lines Aileen Dever, 2004-10-01 *God Writes Straight on Crooked Lines* is much more than a story about impossible love. This original and poetic novella delves into the nature of love itself and the complexities of human relationships. Consisting entirely of messages spoken into a telephone answering machine, a young professor reveals her most intimate feelings as she confronts for the first time the painful realization that the man she loves is homosexual. As a Roman Catholic, she grapples honestly and poignantly with the reality before her and the underlying meaning of God's message. Moreover, because so many people have seen her in the company of the man she loves, they mistakenly assume that she is gay too. Reminiscent of John Griffin's *Black Like Me*, the protagonist describes in moving detail the discrimination she endures and the insights she gains because of how people perceive her. With biblical and scientific references, this book sensitively treats the struggle to understand homosexuality as well as the eternal theme of love.

Writing Straight with Crooked Lines Forest, Jim, 2020-04-15 The autobiography of a noted peacemaker including accounts of encounters with famous figures including Dorothy Day, Thomas Merton, Daniel Berrigan, and Thich Nhat Hanh.

The Stories of the Old Testament James P. Campbell, 2011-09-29 The forty-six books of the Old Testament offer a rich feast of spiritual nourishment, yet they are by no means the easiest books to read and understand. Without a proper tour guide, a person's trip through the Old Testament often ends shortly after it begins. *The Stories of the Old Testament* takes the difficult task of reading the Old Testament and turns it into an exciting and enjoyable journey. Author Jim Campbell leads readers through central texts, essential stories, and major figures of the Old Testament in one hundred carefully selected readings. Each of the readings is meant to be completed in one sitting and is paired with Jim's enlightening guide to the text. You'll also find dozens of short, easy-to-grasp informational pieces that supply the background and commentary you'll need to understand the Old Testament in context. Perhaps most important, Jim helps us connect our stories today to those of long ago and see ourselves as a part of God's ongoing redemptive work that began in the beginning.
