**Chapters XVII-XX** Emanuel Swedenborg, 1912      Chapters XVII-XX. The divine love. The divine wisdom. The creed of Athanasius Emanuel Swedenborg, 1915      **John Calvin's Bible Commentaries On Jeremiah 20 - 29** John Calvin, The Commentaries On Jeremiah like those on The Minor Prophets were delivered as Lectures In The Theological School At Geneva taken down by some of the Pupils and afterwards read to Calvin and corrected We find in them the production of the same vigorous and expansive mind The Divine Oracles are faithfully explained the meaning is clearly stated and such brief deductions are made as the subjects legitimately warrant Though the Lectures were extemporaneously delivered there is yet so much order preserved and such brevity clearness and suitableness of diction are found in them that in these respects they nearly equal the most finished compositions of Calvin as proof that he possessed a mind of no common order The Ministry Of Jeremiah extended over a large space of time from the thirteenth year of Josiah s reign till after the final overthrow of the nation but for how long after that period it is not known fA1 Between the thirteenth year of Josiah and the destruction of the city and Temple there were about forty years This was a remarkable period and Jeremiah nearly alone labored among the people Their sins had been for the most part the same for a long time for nearly two centuries as it appears from the testimonies of his predecessors Amos Hosea Isaiah Joel Micah Nahum and Zephaniah for these seven had in this order preceded him Zephaniah And Habakkuk were probably for a time his contemporaries the first at the commencement and the other near the end of his ministry      The Apocalypse, Or Book of Revelations, Explained According to the Spiritual Sense; in which are Revealed the Arcana which are There Predicted, and Have Been Hitherto Deeply Concealed. **Exploring Theological Paradoxes** Cyril Orji, 2022-08-31 This book focuses on the question of theological paradox exploring what it means and its place in theological method from a Christian perspective Just as paradoxes are unavoidable in logic and mathematics paradoxes are inevitable in religious and theological discourses The chapters in this volume examine a number of cases including the Red Heifer paradox the liar paradox and the paradox of omnipotence and attention is given to Christian doctrines such as the Trinity and the Incarnation Arguing for a renewed understanding and appreciation of the role of paradox this study will be of interest to scholars of theology and the philosophy of religion      The Englishman's Hebrew and Chaldee Concordance of the Old Testament George V.
