Young, 2013-10-10 In 2011 Frances Young delivered the Bampton Lectures in Oxford to great acclaim She offered a systematic theology with contemporary coherence by engaging in conversation with the fathers of the church those who laid down the parameters of Christian theology and enshrined key concepts in the creeds and exploring how their teachings can be applied today despite the differences in our intellectual and ecclesial environments This book results from a thorough rewriting of those lectures in which Young explores the key topics of Christian doctrine in a way that is neither simply dogmatic nor simply historical She addresses the congruence of head and heart through academic and spiritual engagement with God s gracious accommodation to human limitations Christianity and biblical interpretation are discussed in depth and the book covers key topics including Creation anthropology Christology soteriology spirituality ecclesiology and Mariology making it invaluable to those studying historical and constructive theology Satan Has No Authority Over God's Soldier R. C. Jette, 2019-07-29 This book is meant to illuminate Godlike faith through defining it giving clarification where it comes from revealing how to walk in it and divulging what it is capable of doing God s soldiers must remember that we are in the army of

the Lord We are fighting a supernatural enemy bent on our destruction Only Godlike faith knows that Satan has no authority or power over us That knowledge equips us with the ability to overcome the satanic designs that are aimed at our destruction However many Christians are not walking in Godlike faith or living a victorious life in Christ Many are overwhelmed by defeat and discouragement and are allowing Satan to take authority or power that he does not have It s time to walk in the truth that Christ took his authority and gave it to God s soldiers As we learn to walk in the mind of Christ we have Godlike faith that gives no place to Satan his demons or his diabolical plans to destroy us By the time this book is read to the end God s soldiers will take authority over all satanic designs change the entailment and live a victorious life through Godlike faith

Frederick,2019-11-14 The Patristic Understanding of Creation encapsulates what the Church Fathers had to say in their own words on the topic of creation Going back to Roman and Byzantine times the writings of the Church Fathers are basic to Christian theology and provide a benchmark for how Christians have traditionally understood creation This understanding of creation however faces tremendous challenges in our day especially in discussions at the intersection of science and religion Process theology and other efforts to reconceptualize creation have explicitly opposed key elements of the Christian doctrine of creation creation ex nihilo the transcendence and immanence of God in creation the absolute creatureliness and non self sufficiency of the world to use a phrase of Fr Georges Florovsky the goodness of creation and the openness of the world to divine action All of these the Church Fathers not only held but also ably defended This anthology is therefore not merely of academic or historical interest In reasserting a theologically sound understanding of creation this anthology fills a need that is both practical and urgent [Make me to know I](#) Author Melissa White, *The Confessions of Saint Augustine* Saint Augustine,Paul Camacho,2021-12-13 The Confessions of St Augustine Villanova Edition for Students and Faculty e book is a multi modal resource designed to supplement deeper reading with highlighting and notation and to engage students through audio visual and critical analysis It includes standard features such as highlighting search and notation as well as custom elements like a timeline map and art gallery The audio reader enhances the reading experience and critical commentaries written by experts especially for this edition aid student comprehension of key sections and concepts of the text The Confessions of Saint Augustine is considered to be the greatest Christian classic Augustine s notorious life before his baptism raised questions about the genuineness of his conversion It is his honest struggle with the faith which has given The Confessions such timeless appeal over the last sixteen centuries Augustine s Confessions is more than mere autobiography for it is also an impassioned admission of past mistakes confession at a level most might think of it and praise of God confession of another sort that of love and awe Given his checkered past Augustine addressed the concerns of those who doubted the sincerity of his conversion to Christianity and his claim to the post of bishop of Hippo Regius in North Africa

Felix Wantang,2023-01-31 This book is Volume 1 of God s Divine Plan for Humanity series You are a very important part of God s divine plan for humanity God wants to draw you closer to him and bring you to that place where you reach the full potential of your life far beyond your imaginable dreams When you read this book you will never look at your life and the world the same again you will start to see the world and understand the Bible better than ever before This book will take you to God s creative library step by step to unveil the mysteries of God s plan for humanity using the language of heaven The knowledge you gather from this book will draw you closer to God just like Abraham Isaac Jacob Joseph Moses David and Joshua all used the secret of the language of heaven to draw closer to God and fearlessly fight the spiritual forces of this sinful world Learn the hidden secrets of the supernatural language of heaven and see the world through the eyes of the author of life Jesus Christ When you look at the world do you believe there is something seriously wrong with the whole system Do you believe there is something not natural that for some inexplicable reason is holding humanity hostage You can analyze it from all political angles but the truth is the world is controlled by supernatural spiritual forces and unless you understand what it is and how it operates you will remain a slave to the system The Bible teaches in Psalm 24 1 2 that God owns the world and everything in it If God owns it all then he is in absolute control and God has the tools to set you free from the satanic forces of this sinful world The battles we face in this world are not natural Any attempt to use natural weapons to

fight these battles is a big mistake you cannot use natural weapons to fight a supernatural battle When you believe the enemy and look at life through the eyes of the enemy you become engulfed and enslaved by the enemy but when you believe in Jesus and look at life through the eyes of Jesus you will ultimately become united to Jesus In life what you believe determines what you see The battle is in your mind The choice is yours In this world you will have trouble But take heart I have overcome the world John 16:33
