and mythology crossed religious boundaries going beyond the various Christianities to become a sign of contradiction for many This book describes a special case of biblical reception history that of the New Testament figure of a woman whose presence at the side of Jesus has been disturbing for some but proves to be inspiring for others **The Fly in the Ointment: The Mysteries of Mary Magdalene** Jennifer Smith,2014-08-23 Mary Magdalene was the principle witness of the death burial and resurrection of Jesus as told in the Christian gospels the grief stricken scarlet woman at the foot of the cross clutching her jar of ointment her hair loose like that of the maenads Yet by the sixth century Mary once called the Tower had fallen into disrepute as a sinner and prostitute Mary was never a martyr but tradition has her exiled to a solitary cave where she was not a threat to the established church until she emerged after the rediscovery of the heretical Gnostic texts In these Mary Magdalene is the beloved companion of Jesus the disciple who knew the all As with her predecessor Eve she bears the sin of desiring knowledge and is condemned for it The question of whether Mary Magdalene can be identified with Mary of Bethany has become merely another means of reducing her authority In the gospels Jesus said that his anointer should be remembered for all generations yet she remains maligned and undefended until now **The Theatre of the Occult Revival** E. Ligan,2014-11-19 This book explores the religious foundations political and social significance and aesthetic aspects of the theatre created by the leaders of the Occult Revival Ligan shows how theatre contributed to the fragmentation of Western religious culture and how contemporary theatre plays a part in the development of alternative occult religions **The Seven Sisters of the Pleiades** Munya Andrews,2004 The history legend and mythology of a star cluster associated with women for aeons of human history Munya captures the richness of the mysterious constellation Pleiades and explains the recurring significance of these celestial sisters who animate the myths of cultures as diverse as Classical Greece and Aboriginal Australia **Masculine Shame** Mary Ayers,2013-03 Divided into three parts areas of discussion include The Return of Ancestral Gods Mariya Lesiv,2013-10-01 As Ukraine struggles to find its national identity modern Ukrainian Pagans offer an alternative vision of the Ukrainian nation Drawing inspiration from the spiritual life of past millennia they strive to return to the pre Christian roots of their ancestors Since Christianity dominates the spiritual discourse in Ukraine Pagans are marginalized and their ideas are perceived as radical In The Return of Ancestral Gods Mariya Lesiv explores Pagan beliefs and practices in Ukraine and amongst the North American Ukrainian diaspora Drawing on intensive fieldwork archival documents and published sources not available in English she allows the voices of Pagans to be heard Paganism in Slavic countries is heavily charged with ethno nationalist politics and previous scholarship has mainly focused on this aspect Lesiv finds it important to consider not only how Paganism is preached but also the way that it is understood on a private level She shows that many Ukrainians embrace Paganism because of its aesthetic aspects rather than its associated politics and discusses the role that aesthetics may play in the further development of Ukrainian Paganism Paganism in Eastern Europe remains underrepresented within Pagan studies and this work helps to fill that gap

Extensive comparative references to various forms of Western Paganism allows English speaking readers to better understand the world of Ukrainian Pagans **Handbook of Research on Narrative Interactions** Yilmaz, Recep, 2021-01-29 Our understanding of the concept of narrative has undergone a significant transformation over time particularly today as new communication technologies are developed and popularized As new narrative genres are born and old ones undergo great change by the minute a thorough understanding can shed light on which storytelling elements work best in what format That deep understanding can then help build strong satisfying stories The Handbook of Research on Narrative Interactions is an essential publication that examines the relationships between types of narratives in a shifting and widening scope of storytelling forms While highlighting a wide range of topics including contemporary culture advertising and transmedia storytelling this book is ideally designed for media professionals content creators advertisers entrepreneurs researchers academicians and students *Coleridge and Hinduism* Antonella Riem Natale, 2023-06-08 This book extensively investigates Samuel Taylor Coleridge s profound ties with the Oriental Tales he read throughout his life from a philosophical poetical and metaphysical point of view It is the only comprehensive and dedicated study on how Hindu works in particular Charles Wilkins s first translation of the Bhagavadg t into English 1785 influenced Coleridge s poetic imagination affecting all his writings his poetry above all In analysing Coleridge s quest for what he calls the One life the author s wish is that readers may find some joyance in reading this book and feel inspired to go deeper into the an hata n da the unstruck sound of the heart fully enjoying the subtle inner resonances of Coleridge s poetic word *The Prehistories of Baseball* Seelochan Beharry, 2016-03-24 Baseball s roots lie deep in our ancestral past The ancient arts of throwing distance warfare hitting close quarters combat and running attack and retreat were woven into the earliest forms of baseball Early humans recognized the importance of the sun and sought to placate it with sacrificial offerings imitating its movements and deifying it Myths and relics of these foundational practices and beliefs were carried westward across the Old World by Indo European peoples Games for the early British and Continental Europeans notably the Celts and Druids served military religious social and educational needs As the Celts and Druids came under the control of the Roman Empire and later the Christian Church their customs and practices including games fell out of favor Despite persecution some folk games survived the millennia under such names as stool ball tut ball and base ball Descendants of these peoples brought their variant games to the New World where the standardization of various informal rules led to their rapid spread Baseball with its underlying beliefs superstitions and practices still brings us together with familiar and comforting rituals as we assemble under the sun

Explaining Jesus Benjamin Bennett-Carpenter, 2018-11-27 How exactly does one explain Jesus That is the central question of this book But the task of explaining Jesus is complicated For many nonbelievers skeptics or practitioners of non Jesus based religions or spiritualities it can be very strange to refer to a particular man who lived in the first century CE as someone who is still living Even for some believers this idea can be a difficult thing to understand even given the teachings of their faith Thus whether believer or nonbeliever or somewhere in between for the intellectually curious there is need for an explanation Explaining Jesus explores the possibilities of a secular interdisciplinary science based explanation for the phenomenon of Jesus
