The Virgin and the Grail Joseph Ward Goering,2005 Some fifty years before Chr tien de Troyes wrote what is probably the first and certainly the most influential story of the Holy Grail images of the Virgin Mary with a simple but radiant bowl called a grail in local dialect appeared in churches in the Spanish Pyrenees In this fascinating book Joseph Goering explores the links between these sacred images and the origins of one of

the West's most enduring legends While tracing the early history of the grail Goering looks back to the Pyrenean religious paintings and argues that they were the original inspiration of the grail legend He explains how storytellers in northern France could have learned of these paintings and how the enigmatic grail in the hands of the Virgin came to form the centerpiece of a story about a knight in King Arthur's court Part of the allure of the grail Goering argues was that neither Chr tien nor his audience knew exactly what it represented or why it was so important And out of the attempts to answer those questions the literature of the Holy Grail was born

The Holy Grail Giles Morgan, 2005 The Holy Grail is a subject that fascinates and intrigues Through its various guises as magic cauldron cornucopia horn of plenty and chalice cup it has remained at the centre of popular culture since antiquity It has been a major catalyst and inspiration for literature and the arts in western culture Charting the emergence of the story of the Grail offers a fascinating insight into both Paganism Christianity and Eastern mysticism

Grail Alchemy Mara Freeman, 2014-01-24 An experiential guide to the spiritual path of the Holy Grail Traces the evolution of the Holy Grail from the sacred vessel of the Celtic goddess to the Cup of Christ and how it represents the longing for the divine feminine Provides exercises meditations and rituals to connect you with the powers of the Cauldron of Rebirth the Chalice of Healing the Sword of Light and the Holy Grail Explains how attaining the Grail brings full consciousness of the soul and Divine influence for the healing of self and others The primary myth of Western culture the quest for the Holy Grail persists through the centuries like a recurring dream embodying the longing for the divine feminine suppressed for more than two thousand years The Holy Grail emerged not only as a symbol of the feminine but also as a symbol of the soul for hidden within the sacred Grail legends lies an initiatory path that leads to the highest realms of consciousness and spiritual illumination By working with the symbols of the Grail tradition we can gaze into our own hidden depths and heal the separation between masculine and feminine Spirit and Matter and Heaven and Earth Mara Freeman traces the evolution of the Grail from the sacred vessel of the Celtic goddess to the Cup of Christ revealing a spiritual path rooted in the mysteries of the Goddess the Grail and the Sword She explains how the Sword has dominated over the Goddess and the Grail for far too long leading to a spiritual wasteland as foretold in the Grail stories She provides a practical workbook of exercises visualizations and magical rituals to restore the power of the divine feminine through spiritually transformative experiences with the Cauldron of Rebirth the Chalice of Healing the Sword of Light and the Holy Grail itself Drawing on folk traditions and medieval Arthurian romances as well as alchemy and the wisdom of the mystics of Glastonbury Freeman reveals the ancient Celtic teachings of the Western Mystery tradition She shows that attaining the Grail involves achieving full consciousness of the soul Then as a Grail bearer you can bring the light of the Grail into the world for the healing of self and others

The Holy Grail Richard Barber, 2004-12-02 The Holy Grail is an image familiar to us all as an almost unattainable infinitely desirable goal The idea has passed into everyday speech and the legends behind it are as current in today's culture as they have ever been And yet the Grail has no real religious meaning and is nowhere

mentioned in the Bible What is the truth behind this elusive symbol Here Barber traces the history of the stories surrounding the Holy Grail He describes how through a long series of imaginative transformations the grail has moved from the sphere of romance to religion and in twentieth century popular culture has become an emblem of mysticism and man s highest aspirations intimately linked with the central ritual of the Christian faith The search for the grail has always been described as a quest in this book Barber goes on his own quest brilliantly exploring the richness of the Holy Grail s cultural impact Barber traces the history of legends surrounding the Holy Grail from Chretien de Troyes great romances to the popular bestsellers of the late twentieth century **The Holy Blood and the Holy Grail** Michael Baigent,Richard Leigh, Henry Lincoln,1982-01 Masters of the Mystical Rose Maree Moore,2005 The Masters of the Mystical Rose presents a fascinating and in depth account of the Grail family Meticulously researched this book gathers the scattered pieces of the puzzle of history to form a meaningful picture revealing stunning information and insights as to the teachings of the Mystical Rose and the masters who shaped the destiny of mankind **The Virgin Goddess** Stephen Benko,2003-11-01 The contemporary search for the feminine face of God is requiring a re examination of the relationship of Christianity to the pagan world in which it came to birth Stephen Benko approaches this study as both an historian and a Christian believer Inquiring into extra biblical sources of Marian piety belief and doctrine he proposes that there is a direct line unbroken and clearly discernible from the goddess cults of the ancients to the reverence paid and eventually the cult accorded to the Virgin Mary Chapter by chapter he seeks to establish his conclusion that in Mariology the Christian genius preserved and transformed some of the best and noblest ideas that paganism developed Rather than being a regression into Paganism Mariology is a progression toward a clearer and better understanding of the feminine aspect of the divine and the role of the female in the history of salvation This publication has also been published in hardback please click here for details
