Gods Goal Christ As All In All:

What the Gentiles Have Done to Christianity Lloyd David Elcock,2004-12 Christians do not love Jesus enough Indeed on a scale of 1 to 10 the average Christian s love for Him scores no more that 10 This is the startling message of Lloyd David Elcock s first volume of a series of scriptural expositions that he proposes to publish under the rubric What the Gentiles Have done to Christianity The foundation upon which he has built this series includes the following three cornerstones Biblical Christianity can accurately and justifiably also be called Jewish Christianity After the control and direction of Biblical Jewish Christianity was passed from Jewish to Gentile hands at the beginning of the 2nd century AD the Gentiles comprehensively deformed it and 1200 years later partially reformed it The salvage and recovery of Biblical Jewish Christianity begun five hundred years ago by Luther Calvin and the other Gentile Protestant Reformers is only fifty percent completed in particular a number of the most fundamental doctrines of Biblical Jewish Christianity are yet to be recovered and their absence from today s Evangelical Church is the sole and single reason for the widespread carnality and stunted spiritual growth that characterizes the lifestyle of the overwhelmingly vast majority of born again Christians everywhere in the western world In this first volume the author puts forward the view that one of those as yet unretrieved fundamental doctrines is the major key to the Spirit filled life of love faith and power that is the ultimate goal of both Biblical Christianity and Gentile Evangelical Christianity That key he says is hidden in plain view out in the open in the pages of the fourteenth chapter of the Gospel according to the apostle John

Penetrating God's World with the Gospel of Christ Bennie Simmons, 2019-02-20 This book is dealing with subjects that are seldom discussed but are needed for the church to grow in number Discipleship is important but first we must lead the person to Christ with the right message That message is found in the book of Acts The essence of the Gospel was and is today in three parts One is the person of Christ found in the four Gospels Two is the death of Christ again found in the four Gospels And thirdly is the resurrection of Christ Number three being the most neglected part of the Gospel presentation If we follow the messages by Paul and Peter in the book of Acts we will see that all three elements are

included We discuss how Satan has tricked and fooled us by his slick presentation as concerning the Gospel of Jesus Christ We teach how one person can lead many to Christ before we stand at the judgement seat of Christ This book will change you

The Harmony and Unity of the Kingdom of God John Coutts, 1922 *All God's Animals* Christopher Steck, 2019-10-01 The book is the first of its kind to draw together in conversation the views of the early Church contemporary biblical and theological scholarship and post conciliar teachings Steck develops a comprehensive Catholic theology of animals based on an in depth exploration of Catholicism's fundamental doctrines trinitarian theology Christology pneumatology eschatology and soteriology *All God's Animals* makes two central claims First we can hope that God will include animals of the present age in the kingdom inaugurated by Christ Second because of this inclusion our responses to animals should be guided by the values of the kingdom As Christians await the final liberation of all creation they are to be witnesses to God's kingdom by embodying its ideals in their relations with animal life Because the kingdom's fullness is yet to come and because our world remains marked by the wounds of sin however Christian treatment of animals will at times require acts that are at odds with the kingdom's ideals for example those causing suffering and death Steck examines each of these ideas and explores all of their complexities
