## **Gods Prescription For A Healthy Christian:**

**God's Prescription for a Healthy Christian** James Gregory Merritt,1990      **God's Prescription for Mental Health and Religion** E. Rae Harcum,2010-07-15 The central proposition of God s Prescription for Mental Health and Religion is that the highway to mental health of individuals and of society is God s prescription of selfless devotion and service to others Mental health does not refer to the absence of mental disturbance but rather to feelings of happiness and well being This message represents an integration of psychological and religious thinking both of which say that personal peace and happiness come to those who devote their lives to serving others instead of those who focus their lives on a search for personal pleasure This proposition is supported by rigorous psychological research showing that people who believe in a loving and supportive God do in fact enjoy better mental health This thesis is also supported by the insightful advice of many experts and commentators on social problems and by specific quotations from the Bible So smile if you truly believe your religion      God's Prescription for Health and Healing Don Clowers,2001      *GOD'S PRESCRIPTION* ANDREW. *The Physiology of Faith* Craig A. Nelson, 2015-09-23 The Physiology of Faith provides an insightful look at the wonders and marvels of the human body. It truly is God's greatest creation and He originally intended it to function and prosper in health forever. The body was designed to defend itself, heal itself, and protect itself from all types of threats. It is a single organism with systems that work together in a complex organization of cells, tissues, bones, muscles, glands, and fluids which have their own specific function. All of the systems work together in a unique harmony of purpose and design. However, when one system is not functioning properly, it will most often affect the others and result in sickness and disease. A person's health is made up of their every move, function, and thought which are affected and influenced by what they eat, how they exercise, and how they deal with the daily challenges of life. Good health is more than the absence of disease. It is a state of complete physical, emotional, and mental well-being on all levels.

**Josh McDowell's One Year Book of Youth Devotions** Josh McDowell, 1997 Presents Scripture verses and readings for each day of the year designed to help young people make good choices in their daily lives.

God, Marriage, and Family (Second Edition) Andreas J. Köstenberger, David W. Jones, 2010-05-05 The release of the landmark first edition of *God, Marriage, and Family* provided an integrated biblical treatment of God's purposes for the home. Since then, explain authors Andreas Köstenberger and David Jones, the crisis confronting modern households has only intensified, and yet the solution remains the same: obedience to and application of God's Word. In the second edition of *God, Marriage, and Family*, Köstenberger and Jones explore the latest controversies, cultural shifts, and teachings within both the church and society and further apply Scripture's timeless principles to contemporary issues. This new edition includes an assessment of the family, integrated church movement, discussion of recent debates on corporal punishment, singleness, homosexuality, and divorce, and remarriage, new sections on the theology of sex and the parenting of teens, and updated bibliographies. This book will prove to be a valuable resource for personal and group study, Christian counseling, and marriage and family courses.

*Incidental Psychotherapy within Christian Relationships* E. Rae Harcum, 2010-11-04 *Incidental Psychotherapy within Christian Relationships* points out the close similarity between the loving connections of Christians and therapeutic relationships between psychotherapists and clients. Thus, a simple Christian connection has an incidental therapeutic value for a troubled friend. This book continuously emphasizes that a Christian connection is never forged for the purpose of restoring mental health but to obey the Christian mandate to love. The Christian connection as a therapeutic alliance merely provides a personal preparatory stage for possible later improvement. It does not apply in any way to the use of professional therapeutic techniques. The book discusses the nature of psychotherapy, the nature of cures, and the credentials of qualified psychotherapists. Chapters focus on the nature of Christian connection and ways to improve it.
