Gods And Their Grand Design:

God's Grand Design Sean Michael Lucas, 2011-10-05 Jonathan Edwards was a preacher pastor revivalist and theologian This volume unpacks his magnificent theological vision which starts with God s glory and ends with all creation returning to that glory Sean Michael Lucas has converted his years of teaching on Edwards into this valuable work which places Edwards s vision in an accessible two part framework Part one focuses on Edwards s understanding of redemption history God s cosmic grand work from eternity past to eternity future where all things are united in Christ Part two examines Edwards s perspective on redemption applied how that gracious divine work unfolds in space and time to personally transform individuals stirring their affections illuminating their minds and moving their wills to form new habits and practices This overview of Edwards s theology will prove to be a thought provoking encouraging guide to contemporary believers at every stage of their spiritual journey

God's Grand Design William R. Arnold, 2021-06-30 God s Grand Design By William R Arnold Edited by Ms Aurora Payad Arnold God s Grand Design is to restore mankind to its original state of sacred perfection after Adam and Eve fell and created the original sin of disobedience hiding and lying to the Lord When God cursed the serpent for tempting Adam and Eve to be like God he promised to send his only begotten Son to save humanity He did via the incarnate word in the womb of the immaculately conceived Virgin Mary God wants to be man and receive a new body to defeat death through Jesus Christ Man wants to become God to receive eternal life Man s journey to become God starts from being an ignorant baby gaining knowledge to a cowardly teenager obtaining courage to an adult converting greed to generosity to a wise man changing selfishness to unselfishness and at last to a free man able to think for himself in eternal service to God in his kingdom The journey requires him to know right from wrong good from evil and God s will from man s will and thus defeat evil worldly temptations and demonic possession Through Christ God and man are destined to become one through three advents making the God Man Christ into the new human spirit blessings Then the Man God Jesus becomes the new human flesh to make all things perfect in the sight of God Jesus Christ came as a priest on a donkey to decode the Torah bring knowledge and remove blindness to defeat sin By his death and resurrection he granted free redemption to man s flesh to give him a new body The second coming of Jesus Christ as thief in the night will bring awakening to remove deafness by teaching God s truths to defeat evil As a just judge on a cloud on his third advent the Lord will remove mankind s dumbness to defeat death And then man can become worthy of receiving God s rewards of paradise in heaven or heaven on earth

God Guro Bert Domingo, 2003-01-31 Rational Theology In Search of World Peace Humanity is One The greatest single source of human conflict has to do with beliefs or of faith that one holds The variety of human ideas most often irreconcilable with one another

has lead to divisions and endless schisms There is a great need to accommodate and harmonize ideas by convergence at the point where agreement is possible Rationalization convergence and unification at the center is necessary to achieve world peace However this is only possible when rational people can discuss openly without fear of each other The steps to accomplish this enormous task can only start with the individual This is the goal of this work A person needs to have sufficient knowledge to understand the various facets of life This would include a philosophical base of values with a worldview encompassing and transcending all biases and prejudices inherent in and inculcated by the culture No religious scientific or traditional views must be sacrosanct to analysis With adequate knowledge one gains freedom from ignorance and fear This book Rational Theology is a guidebook for any individual desiring to discover real freedom It is a companion of the authors book Freedom Trilogy Freedom Trilogy is a self help and how to book It helps develop thinking and reasoning abilities It challenges the mind to gain new perspectives It contains the ISA Introspective Self analysis method of discovering ourselves and gaining freedom from fear and anxieties Through Knowledge Ignorance and Fear are banished Freedom Attained once we discover and understand ourselves Good God Michael Brooks,2024-02-01 How can Christians believe in an all powerful and loving God when there is so much suffering and evil in the world Good God sets out to answer this question *A Mechanic's Handbook To The God Of The Bible* Michael O. Borthwick, Michael O Borthwick s A Mechanic s Handbook To The God Of The Bible Why God Just Makes Sense is written from a mechanic s point of view Because the author who is a mechanic understands that there are rules and procedures to follow when fixing things he uses that analogy in describing walking with God Just like most machines will have a manual the Bible is God s manual for his creations to follow This book is truly a very detailed handbook that shows the reader the God of the Bible from many different aspects Michael provides logical answers for those who have questions about God He systematically approaches the Word of God connecting the dots from Genesis to Revelation There is a sincerity and inspirational tone in his writing Whether he is sharing personal details about his life or explaining Bible passages his narrative style is straightforward and easy to read Borthwick s tone is casual and warm as a friendly conversation in a friend s living room This book covers many aspects of the Christian faith His personal stories which are all back by scripture tells how through the ups and downs of life some caused by his own foolishness God is always present The author s use of scriptural references to back up what he wrote in this handbook His explanation of the scriptures from the Bible makes the book true to its title It s a book that when read cover to cover gives the reader a solid foundation of Why God Just Makes Sense a good book to give out to family friends neighbours or acquaintances who s searching The Federal Theology of Jonathan Edwards Gilsun Ryu,2021-07-07 The Christ centered exegesis of Jonathan Edwards Jonathan Edwards is remembered for his sermons and works of theology and philosophy but he has been overlooked as an exegete Gilsun Ryu s The Federal Theology of Jonathan Edwards explores how exegesis drove Edwards s focus on the headship of Christ as second Adam and likewise formed a foundation for his broader theological

reasoning and writing especially on Christ and the covenants Edwards's distinctive emphases on exegesis redemptive history and the harmony of Scripture distinguish him from his Reformed forebears Ryu's study will help readers appreciate Edwards's contribution as an exegetically informed Reformed theologian Sermons and Discourses, 1743-1758 Jonathan Edwards, 2006-01-01 This wide ranging volume covers the final fifteen of the thirty three years that Jonathan Edwards preached and includes some of his greatest sermons including his Farewell Sermons to his Northampton congregation The period is defined by Edwards inventive strategies to improvise during the delivery of his sermons Considering dependence on the written text in the pulpit to be a serious failing he devised a double columned outlined format for his sermon manuscripts and continued to use it for the rest of his life Sermons from this period also include those preached to Mahican and Mohawk Indians at the mission post of Stockbridge Massachusetts Edwards various writings of 1743-58 map the complex terrain of his spiritual intellectual and professional life after the Great Awakening He deals with topics ranging from the spiritual role of youth in the community to the struggles over communion in his Northampton congregation to the war with the French and their Indian allies
