God's Backyard Stedman H. Carr,2002 *Community Gardening in an Unlikely City* Tyler Schafer,2020-12-10

Community gardening is as much about community as it is gardening and compared to growing plants cultivating community is far more difficult In *Community Gardening in an Unlikely City* The Struggle to Grow Together in Las Vegas Schafer documents his time as a member of a fledgling Las Vegas community garden and the process through which a rotating group of gardeners try to forge community He demonstrates the ways in which choices gardeners make about what goals to pursue or who belongs or what story to tell about their collective efforts influence how they and others experience and interpret the garden The garden culture that emerges over time shapes how or whether community is practiced at the garden and has important consequences for the gardeners abilities to connect with the low income Black and Latinx community in which it is located Schafer s analysis provides important insights about urban culture the environment and food justice in the American Southwest and a sober look into the often messy process and practice of community

The Story of Original Sin John Toews,2013-01-15 This book traces the history of the interpretation of the disobedience of Adam and Eve in Genesis 3 through the biblical period and the church fathers until Augustine It explains the emergence of the doctrine of original sin with the theology of Augustine in the late fourth century on the basis of a mistranslation of the Greek text of Romans 5 12 The book suggests that it is time to move past Augustine s theology of sin and embrace a different theology of sin that is both more biblical and makes more sense in the postmodern West and in the developing world *Paradoxes in God's Garden* Ori Z. The volume's contributors are based in Canada, England, Poland, Israel, and the United States.

Unlocking the Bible Story: Old Testament Volume 1 Colin S. Smith, 2016-12-01 For all who are wondering how the pieces fit into the jigsaw of God's revelation, Colin Smith has provided an answer which is refreshingly simple, biblically accurate, and will prove phenomenally helpful to the serious Bible student and the new beginner alike. Alistair Begg, senior pastor, Parkside Church. In *Unlocking the Bible Story*, Colin Smith moves gradually through portions of the Bible to explain how it all holds together. He tells God's one grand story of salvation and reflects on major themes along the way. In volume 1, he moves through the Pentateuch and Historical Books of the Old Testament which tell the story of God creating the world, choosing a people for Himself, and loving them despite their continued sin. Includes the study guide formerly sold separately. One of the most urgent needs in the church today is for a crisp and comprehensive knowledge of the Bible's storyline. To grasp how the sacred history moves from Genesis to Revelation, not only brings fresh insight into how the Bible hangs together and what each part contributes to the whole, but also is crucial for developing a Christian worldview. Colin Smith has met these needs admirably. I hope these volumes will circulate widely and be read and re-read. D. A. Carson, research professor, New Testament at Trinity Evangelical Divinity School, cofounder of The Gospel Coalition.
