

Poem About God's Creation

By Maya Anthony

In the quiet of dawn's first light,
Sky blushes at the touch of sun,
Soft whispers of a world reborn,
In hues of hope, the day's begun.

Each ray a verse from heaven sent,
Painting the earth in golden hues,
God's canvas, vast and infinite,
In morning's glow, life's essence renews.

With every sunrise, a silent prayer,
Of gratitude for day's embrace,
In dawn's embrace, God's tender care,
Reflects in every sunlit space.

Postmodern Poetry and Queer Medievalisms: Time Mechanics David Hadbawnik,2022-06-06 This volume builds on recent scholarship on contemporary poetry in relation to medieval literature focusing on postmodern poets who work with the medieval in a variety of ways Such recent projects invert or queer the usual transactional nature of engagements with older forms of literature in which readers are asked to exchange some small measure of bewilderment at archaic language or forms for a sense of having experienced a medieval text The poets under consideration in this volume demand that readers grapple with the ways in which we are still medieval in other words the ways in which the questions posed by their medieval source material still reverberate and hold relevance for today s world They do so by challenging the primacy of present over past toppling the categories of old and new and suggesting new interpretive frameworks for contemporary and medieval poetry alike

Jordan Schmidt, 2019-03-04 Despite the attention that has already been paid to the theme of creation in the book of Sirach scholarship has yet to provide a comprehensive analysis of Ben Sira s instruction regarding the cosmic order and its role in the divine bestowal of wisdom upon human beings This book which consists of two parts fills a lacuna in scholarship by offering such an analysis The first part of this study examines Ben Sira s three main treatments of the created world thus providing a comprehensive description and synthesis of Ben Sira s doctrine concerning the created order of the cosmos The second part of this work analyzes the place of human beings in general and the Jewish people in particular within the cosmic order This second part includes an analysis of the role of the created order in Ben Sira s wisdom instruction in 1 1 10 and 24 1 34 as well as an elucidation of the way in which his treatments of various kinds of people civic leaders wives doctors manual laborers scribes and cultic personnel are integral to Ben Sira s doctrine of creation This study demonstrates that the

created order is a fundamental category that Ben Sira relies upon in articulating his instructions about wisdom and wise behavior Creation Praises God Leroy Carpenter, 2019-04-20 Nature poetry written by one Western North Carolina author
