Gods Final Word Understanding Revelation:

God's Final Word Ray C. Stedman, 2011-05-01 Ray Stedman guides you on a verse by verse exploration of the book of Revelation bringing to life the mysteries of this highly symbolic book of the Bible God's Final Word encompasses and brings into brilliant focus the entire scope of human history of eternity itself **Revelation** David O. Dykes, 2010-11 Revelation God's Final Word is a guide to unraveling the truth of the mysterious last book in the Bible chapter by chapter Each of the 22 chapters corresponds with the chapters in Revelation so you can easily use this book for individual study or in a small group setting to discuss each chapter This format will also help you keep your place in the storyline and provide you with an easy to use study guide resource **God's Final Word** Willie Harris, Jr., 2025-06-15 This book serves as your faithful guide for discovering the heart of Revelation Jesus Himself Through clear insights and inspiring applications you'll find that this final book of the Bible isn't about fear but about motivating God's people toward hopeful worship The End Mark Hitchcock, 2012-07-06 A Comprehensive Guide to Bible Prophecy and the End of Days The end times have seen a great amount of interest within the last two decades but there hasn't been a comprehensive overview of biblical prophecy and eschatology for more than five decades Mark Hitchcock's book is a thorough resource for the twenty first century The End will do for eschatology what Randy Alcorn's Heaven did for people's understanding of heaven It will provide a solid biblical foundation for Christians to explore the essential truths around this topic the end of the world In a clear and understandable way The End lays out How to interpret Bible prophecy The key prophecy passages in Scripture What you need to know about the Tribulation the Antichrist and signs of the last days The strengths and weaknesses of the different views on the Rapture the Millennium and the chronology of the end times events The book of Revelation doesn't need to feel daunting The End will give you confidence in and hope for the future as it points you toward the second coming of Christ **Revelation's Essential Truths** Donald Werner, 2017-10-03 The Book of Revelation is the final book of the New Testament after the rest of the New Testament was written God saw the need for one last book and it is also the last book given by God to give us His final advice instructions encouragements and warnings The Book of the Revelation also contains many apocalyptic visions including the plagues seals bowls etc In this book I will not try to interpret all of the apocalyptic visions because the Book of Revelation has much greater truths that we need to learn first such as Who and what is Babylon How do we get out of Babylon Who are the redeemed and how can we be among them How does a person receive the Seal of God What is the Seal of God How does a person avoid the Mark of the Beast What qualifies a person to enter the New Jerusalem We need to know all of this and more as Judgment Day is fast approaching And what I found in God's last book will take most Christians out of their comfort zones and out of Babylon What I have to share in this book is far more important than endless speculation on the nature timing and sequence of the apocalyptic events with endless speculations as to who is the beast or the false prophets I'm sure that you will be informed warned instructed encouraged and blessed by this book just as I was in writing it

to an understanding of the power of Christ in all believers this book directs us on a clear path forward Interested in learning more Check out other books by Dr David Jeremiah The Great Disappearance Where Do We Go from Here The World of the End Living with Confidence in a Chaotic World The Book of Signs After the Rapture **The Apocalypse Explained** Jimmie Chapman,2015-09-28 The word apocalypse comes from the Greek word apokalupsis which means to disclose uncover or reveal hence we get the name Revelation the last book of the Bible The book of the Revelation is given to uncover or disclose the meaning of some of the great mysteries of the Bible The Apocalypse Explained uncovers many of those mysteries by using the Bible itself to find their meaning This is the most accurate way of interpreting biblical prophecies The purpose of The Apocalypse Explained is to connect the prophecies throughout the Bible with our present and with our future In fact the very first verse of the Revelation of Christ reveals its purpose to show unto his servants things which must shortly come to pass The majority of the book is for the last days the time the Bible calls the great tribulation The fulfillment of the Apocalypse is much closer to a reality than most people believe Are you ready **The Book of Revelation** Max Douglas Younce,

Ready or Not Here He Comes Chad Pritchard,2022-07-22 Why would I write about this subject when so many have already covered it Because God has charged me to write it You have not read my version with my research There are Christians and nonbelievers that need to hear this message This is one of my ways I hope to reach out to encourage and educate Christians and non Christians alike on the return of Christ Jesus According to research done by Mark Hitchcock close to one third of the Bible is prophetic Mark Hitchcock The End 4 If you are studying or examining anything you don't skip out on almost thirty three percent of the material This is why study of biblical prophetic signs is so important With God focusing this much of His Word on this subject I feel prophecy and its accompanying signs are a must study for Christians So why believe and teach in a literal return of Jesus Christ He promised to return for me and all the rest who truly believe in Him The prophetic accuracy concerning Christ's first visitation to all of us was faultless He is faithful His name is Faithful and True Besides these main points the benefits of being part of God's kingdom now are enormous but there are future benefits that far outweigh our earthly sufferings Those benefits await true believers in Christ when He comes to collect His bride The Church If I do not meet you here on earth I hope to meet you in Heaven **Through His Eyes** Jerram Barrs,2009-02-04 Eve Sarah Deborah Mary the woman at the well women have played pivotal roles in redemptive history Their case studies reveal God's perspective on women then and now Few biblical teachings have been as misunderstood and muddled by those inside and outside the church as its instruction concerning women Through His Eyes answers the question What does God think about women and how does he treat them by walking readers through several biblical case studies Through His Eyes begins with Eve and a series of Old Testament examples that demonstrate the respect God gives to women and their significant place in salvation history In the New Testament we see how God blessed Mary by calling her to be the mother of our Savior and how beautifully Jesus treated women Here is a happy exposition of the dignity and glory the Lord

showers on women The author encourages women to delight in their creation and calling and he challenges men to honor women as does the Lord himself God's Loving Word Ray C. Stedman,2015-04-29 The gospel of John one of the key books of the Bible reads like an intimate biography from the pen of the disciple whom Jesus loved This verse by verse exploration of John s gospel brings to life the miracles and majesty of Jesus of Nazareth Including life related illustrations for application the book features Bible passages within text and answers the question Who is Jesus *Integrative Theology* Gordon R. Lewis,Bruce A. Demarest,2010-09-21 Integrative Theology is designed to help graduate students in a pluralistic world utilize a standard method of fruitful research Each chapter on a major doctrine 1 states a classic issue of ultimate concern 2 surveys alternative past and present answers and 3 tests those proposals by their congruence with information on the subject progressively revealed from Genesis to Revelation Then the chapter 4 formulates a doctrinal conclusion that consistently fits the many lines of biblical data 5 defends that conviction respectfully and finally 6 explores the conclusion s relevance to a person s spiritual birth growth and service to others all for the glory of God Why the title Integrative Theology In each chapter steps 2 6 integrate the disciplines of historical biblical systematic apologetic and practical theology Who Is the Antichrist? Mark Hitchcock,2011-08-01 With the growing interest in the Antichrist these days curiosity runs high for both Christians and unbelievers with good reason In books movies and even everyday conversation so many different ideas about who he is what he will do and the timing of his arrival abound that it s difficult to separate biblical fact from human speculation Bestselling Bible prophecy expert Mark Hitchcock looks to the one source readers can trust the Bible and answers questions such as Where will the Antichrist come from When will he appear on earth s stage What is the significance of the number 666 How will he rise to power and what will finally happen to him Will we know who he is before the rapture happens Using a friendly question and answer format Mark takes readers on a fascinating tour of all the Bible s key passages about the Antichrist and shares how this information applies to their lives today **What is it that the Scripture Says?** Philip McCosker,2006-01-01 A volume of essays that celebrate and pay tribute to the enormous contribution to scriptural studies that Henry Wansbrough has made over the last 50 years Knowledge of the Self-Revealing God in the Thought of Thomas Forsyth Torrance John Douglas Morrison,2005-02-07 This work examines Thomas Forsyth Torrance s concern for the modern re entrenchment of dualism as it has negatively affected the Christian faith and the realist knowledge of God in Christ Additionally an analysis is made of Torrance s program to faithfully restore theological thinking theological science and true objectivity out of the Christocentric Trinitarian self disclosure of God via the modern return to critical realist epistemology in the physical sciences e g Einstein Polanyi The study concludes with a critical examination of the adequacy and completeness of Torrance s endeavor the problem of residual dualism in the light of his own theological and redemptive concerns **The Tony Evans Bible Commentary** Tony Evans,CSB Bibles by Holman,2019-10-01 Tony Evans is one of the most influential church leaders of our time and has been studying and preaching the Gospel for over 50 years He is senior
