Gods, Mongrels and Demons Angus Calder, 2003 This text is based on the premise that the lives of the oddballs tinkers and bangers often tell more about the mores of a country than the lives of its more illustrious citizens The Devil's Dictionary Ambrose Bierce, 2009-09-07 A word book straight up with a twist The Devil's Dictionary is an American classic A Yankee Oscar Wilde with a wicked edge to his tongue gained from seeing the world early and cynically as it really was Ambrose Bierce friend and rival of Mark Twain was one of America's first great writers and journalists His razor sharp wit and underlying rage against hypocrisy is perfectly complemented by Ralph Steadman's equally incisive pen and ink illustrations Adore v t To venerate expectantly Bride n A woman with a great future behind her Corporation n An ingenious device for securing individual profit without individual responsibility Debauchee n One who has so earnestly pursued pleasure that he has had the misfortune to overtake it **Discourses of Empire and Commonwealth** Sandra Robinson, Alastair Niven, 2016-11-01 In Discourses of Empire and Commonwealth a range of prominent writers and critics reflect on the legacy of imperialism and the role of writers in forging a new more cosmopolitan identity The contributors writing about a wide range of countries affirm the freedom of the human spirit even within unjust or oppressive social systems They show the power of words to illuminate injustices and unite different peoples Salman Rushdie famously declared that Commonwealth Literature has had its day this book provides a vital antidote to this idea Editors Sandra Robinson and Alastair Niven have put together this mixture of personal reflections critical overviews historical re-evaluations and creative works to illustrate the vitality of this genre **International Who's Who in Poetry 2005** Europa Publications, 2004-08-02 The 13th edition of the International Who's Who in Poetry is a unique and comprehensive guide to the leading lights and freshest talent in poetry today Containing biographies of more than 4 000 contemporary poets world wide this essential reference work provides truly international coverage In addition to the well known poets talented up and coming writers are also profiled Contents Each entry provides full career history and publication details An international appendices section lists prizes and past prize winners organizations magazines and publishers A summary of poetic forms and rhyme schemes The career profile section is supplemented by lists of Poets Laureate Oxford University professors of poetry poet winners of the Nobel Prize for Literature winners of the Pulitzer Prize for American Poetry and of the King's Queen's Gold medal and other poetry prizes England Re-Oriented Humberto Garcia, 2020-11-19 What does the love between British imperialists and their Asian male partners reveal about orientalism's social origins To answer this question Humberto Garcia focuses on westward bound Central and South Asian travel writers who have long been forgotten or dismissed by scholars This bias has obscured how Joseph Emin Sake Dean Mahomet Shaykh I tesamuddin Abu Talib Khan Abul Hassan Khan Yusuf Khan Kambalposh and Lutfullah Khan found in their conviviality with Englishwomen and men a strategy for inhabiting a critical agency that appropriated various media to make Europe commensurate with Asia Drama dance masquerades visual art
