It's Time Cindy

Prince,2013-09-19 Does it really make a difference to God how we worship Him Do you think He cares Is there a way to know for sure Should evidence matter when were walking by faith Is the God who created the universe still in the business of changing lives Its Time is the story that answers Yes to all of the above It is the journey of a family of seven devoted to a religion they loved and had no intention of ever leavingbut God had other plans Dive in and discover how God opens the door scoops them up and redirects their path how the Spirit uses everything from casual conversations to major life events to reveal His truth and guide their journey how He uses seeds that had been planted long before the day He said Its time and how He repeatedly answers the prayers they dared not express in the way that only He could have known their hearts needed leading them to the grace of His unconditional love Let it encourage enlighten and remind you that we serve a mighty God He cares He calls and He has given us everything we need to respond through His Word and His Spiritand He doesnt stop there Trust in the Lord with all thine heart and lean not unto thine own understanding In all thy ways acknowledge him and he shall direct thy paths Proverbs 3 56 THE Book. Inspired by God? You Decide! Gary R. Benca D.Min,2023-02-09 Without question the Bible has withstood the most intense scrutiny than any other book in existence Critics have examined every word letter line and precept in the Bible in an exhaustive attempt to cast doubts on its reliability However this book was not written to defend the Bible for it needs no defense Rather this book is written for the reader to take into consideration the enumerable reasons the Bible has endured and survived all the critics and their attempts to destroy its credibility To this day because of the Bible s reliability and continued survival it is enjoyed and loved by millions of people around the world Within the covers of this book you will discover archaeological scientific mathematical historical and other information that strongly supports the Bible as God s living word These impressive contributions could not have been made possible except for the dedicated people many of whom devoted their entire lives to the task of searching authenticating and preserving the information set forth in the Scriptures They have this author s highest respect and admiration **So Send I You** Floyd C McElveen,2011-01-13 This is a complete handbook for soul winning It will motivate you to share the wonderful gospel of Jesus The author gives examples and illustrations as well as provides a step by step method to easily present Christ to others Previously published as Unashamed but the title did not convey the full purpose of the book so it has been very lightly revised and re published under a new name Author McElveen lives what he writes about and preaches and his ideas work He has won thousands of souls to the Lord He gives you deep insight into his methods and passion for Christ If you want to be a consistent soul winner as Christ asks all of us to be and in all kinds of situations this book is a must read It is also a great handbook for soul winning classes *Out of Mormonism* Judy Robertson,2011-07-01 Judy Robertson shares her unique insider s viewpoint as a woman in the Mormon church After she and her husband rediscovered God s truth they faced torment and persecution upon leaving the LDS church This reader friendly book is one of the few Christian books that focuses first on an individual s journey from Mormonism rather than on theology or Christian doctrines The revised edition
