Change In Singapore (English Version) Boon Siong Neo,Geraldine Chen,2007-07-03 In a world of uncertainty and change current achievements are no guarantee for future survival Even if the initial chosen set of principles policies and practices are good static efficiency and governance would eventually lead to stagnation and decay No amount of careful planning can assure a government of continual relevance and effectiveness if there is no capacity for learning innovation and change in the face of ever new challenges in a volatile and unpredictable global environment This book provides an in depth look at dynamic governance the key to success in a world of rapid increasing globalization and unrelenting technological advancements If bureaucratic public institutions can evolve and embed the culture and capabilities that enable continuous learning and change their contributions to a country s socio economic progress and prosperity would be enormous The lessons from their efforts in institutionalizing culture capabilities and change could provide meaningful and valuable insights for transforming organizations in other contexts **Singapore as an International Financial Centre** J. J. Woo,2016-07-28

This book provides an analysis of Singapore s development and success as an international financial centre IFC Chapters demonstrate how Singapore plays a critical role in both Asian and global financial markets despite its relatively small geographic size The author focuses specifically on the factors that have contributed to the city state s success and discusses the policy lessons that can be derived from it The book describes the historical spatial political and policy factors that contributed to Singapore s development as a leading Asian financial centre and global city and will be of interest to both

policy scholars and practitioners Goh Keng Swee Emrys Chew, Chong Guan Kwa, 2012 Dr Goh Keng Swee's extensive career as a public servant was dynamic as well as distinguished in many ways decisively instrumental in the making of the Republic of Singapore This distinctive collection of essays attempts an assessment of the long term influence and significance of Dr Goh's major contributions Commissioned as a companion volume to Goh Keng Swee A Public Career Remembered this volume brings together an exceptional team of Singaporean scholars whose interdisciplinary expertise and cross generational perspectives offer a balanced analysis and nuanced appraisal of Dr Goh's lifetime of public service The book's contributors argue that Dr Goh's past endeavours bequeathed an enduring legacy meriting fresh examination and careful evaluation in order to appreciate the heroic scale of such achievement Particularly instructive are the examples of Dr Goh's thinking patriotism fiscal prudence strategic pragmatism and creative imagination at work technocracy at its finest which could be of immediate practical benefit to a wider nation of technocrats Further illumination comes from the insights of those contributors who had worked with the former Deputy Prime Minister and knew him personally For a half century that witnessed key turning points and phases of development in Singapore's transformation from colonial port city to independent global city Dr Goh played a leading role in the crafting and conduct of public policy as with the creation of public institutions which made the difference between survival and success Goh Keng Swee A Legacy of Public Service will be read by present and future generations of public servants by Singaporeans in general and by all students and laypersons with an interest in the modern history of Singapore social economic political military and cultural to which a characteristically simple and frugal Dr Goh contributed both decisively and unreservedly The organization of this volume reflects both a thematic approach and a chronological arrangement of material the focus and the order of chapters corresponding to the historical sequence of public offices that Dr Goh held social welfare political and constitutional evolution development economics and finance the armed forces and defence industry the education system from schools through higher education to the research institutes Chinese studies from Confucianism to China watching and cultural development with special emphasis on the creation of the Singapore Symphony Orchestra A Mandarin and the Making of Public Policy Tong Dow Ngiam, 2006 Singapore's success story has increasingly been recognised but few have told it from the perspective of an insider As a senior civil servant and mandarin from 1959 to 1999 Ngiam Tong Dow served with the founding generation of political leaders and contributed to the country's economic growth In this book he reflects on these experiences sharing personal anecdotes and perceptive insights of Singapore's early decades He also boldly questions some of the policies of government and emerging trends in the country to suggest how Singapore must change to survive and thrive in the future Public Administration Training in Africa Peter Fuseini Haruna, Shikha Vyas-Doorgapersad, 2014-12-19 There is a growing global interest in Africa and how to improve the quality of life of its people and for good reason The world can no longer afford to ignore the democratic changes that have occurred across the continent over the past two decades changes with tremendous implications for professional education

and training for the tasks of nation Asian States, Asian Bankers Natasha Hamilton-Hart, 2018-10-18 Financial markets are given to instability but some financial systems are more crisis prone than others Natasha Hamilton Hart's historically grounded investigation of central banks governments and private bankers in Southeast Asia helps explain why Focusing on Indonesia Malaysia and Singapore she shows how the long term development and internal attributes of central banks and state financial institutions shape their interactions with private bankers and influence their ability to manage the financial sector The politics of finance in Southeast Asia is understudied Hamilton Hart contends and central banks themselves virtually ignored Yet central banks play a pivotal role in determining a country's vulnerability to regional and global financial pressures such as the currency and financial crises of the late 1990s Southeast Asian central bankers were major players in the events surrounding these upheavals Countries in the region experienced the economic chaos in different ways however as the central banks of Indonesia Malaysia and Singapore drew upon different institutional capacities and legacies Asian States Asian Bankers brings new case material to the field of political economics and delineates the operation of central banks and their roles in the monetary and financial policies of three Southeast Asian states In addition Hamilton Hart's work bridges two areas that have often been studied apart from each other the national level politics of financial management and the transnational orientation of many bankers in Southeast Asia **Malaysia** A. J. Stockwell, 2004 The main purpose of the British Documents on the End of Empire Project BDEEP is to publish documents from British official archives on the ending of colonial rule and the context in which this took place This publication explores events in the Southeast Asia region from the establishment of an independent state of Malaya in 1957 to the creation of Malaysia in 1963 and British foreign policy objectives with regards to the territories of Malaya Singapore and Borneo *Asianism and the Politics of Regional Consciousness in Singapore* Leong Yew, 2013-11-20 Over the last two decades Singapore has undergone a substantial degree of Asianization Apart from participating in the Asian values debate of the 1990s re-visioning itself as New Asia and a global Asian hub and establishing Asian identities for the commodities it consumes and produces Singapore has also repurposed its modernity cultures and ethos along similar regionalist precepts However even in recent times Singapore continues to vacillate ambivalently between identifying with and differentiating itself from Asia Responding to the challenges Singapore faces in coming to terms with its Asian identity this book examines the complex cultural social and political underpinnings that have shaped Singapore's mainstream discourse on Asia Indeed it argues that its legacy as a colonial port city the exigencies of managing the post-independence nation state and the larger forces of imperialism and capitalism all contribute to its politics of Asianism Taking a thoroughly interdisciplinary approach that spans history cultural studies postcolonialism and cultural geography Leong Yew reveals how Asia has been used to narrate Singapore's beginnings revalidate Singaporean ethnic culture and to consolidate its practices of consumption and commodification This book will be welcomed by students and scholars working across a range of fields including Asian culture and society Asian politics cultural theory and

postcolonial studies **The Routledge Handbook of Civil-Military Relations** Florina Cristiana Matei, Carolyn Halladay, Thomas C. Bruneau, 2021-11-01 This second edition of The Routledge Handbook of Civil Military Relations offers a wide ranging internationally focused overview of the field of civil military relations The armed forces are central actors in most societies and are involved in many different roles Amongst other activities they engage in peace operations support the police in fighting crime support civilian authorities in dealing with natural disasters and fight against terrorists and in internal conflicts The existing literature on this subject is limited in its discussion of warfighting and thus does not do justice to the variety of roles This second edition not only fills this important lacuna but offers an up to date comparative analysis and provides a conceptual framework to analyze how strategies can realistically be implemented Amalgamating ideas from key thinkers in the field the book is organized into three main thematic parts Part I Civil Military Relations in Non Democratic States and Illiberal Democracies Part II Civil Military Relations in New Democracies Part III Civil Military Relations in Established Democracies This handbook will be essential reading for students and practitioners in the fields of civil military relations defense studies war and conflict studies international security and IR in general *The East Asian Institute* ,2016 This book record achievements of the East Asian Institute EAI one of the top five think tanks in the world under the leadership of Dr Goh Keng Swee Professors Wang Gungwu John Wong and Zheng Yongnian The hard work behind the nurturing of this institute is sometimes invisible unwritten and under appreciated but the contributions and results are clear and relevant to the scholarly world The works of EAI s originating guardians as well as the future endeavours of its current directorship thus need to be chronicled for future generations of scholars to learn from this intellectual experience of managing an institution as complex as EAI The detailed historiography of EAI in this publication represents the multiple histories of EAI China s developmental path since the initiation of market reforms as well as Singapore s collaborative interface with China s development Provided by publisher *Education, Industrialization and the End of Empire in Singapore* Kevin Blackburn, 2016-12-08 Singapore under the ruling People s Action Party government has been categorized as a developmental state which has utilized education as an instrument of its economic policies and nation building agenda However contrary to accepted assumptions the use of education by the state to promote economic growth did not begin with the coming to power of the People s Action Party in 1959 In Singapore the colonial state had been using education to meet the demands of its colonial economy well before the rise of the post independence developmental state Education Industrialization and the End of Empire in Singapore examines how the state s use of education as an instrument of economic policy had its origins in the colonial economy and intensified during the process of decolonization By covering this process the history of vocational and technical education and its relationship with the economy is traced from the colonial era through to decolonization and into the early postcolonial period **Regional Outlook** Russell Hiang-Khng Heng, 2003-08-01 Launched in 1992 Regional Outlook is an annual publication of the Institute of Southeast Asian Studies published every
