*The Cambridge Companion to the Scottish Enlightenment* Alexander Broadie, 2003-04-10 The Cambridge Companion to the Scottish Enlightenment offers a philosophical perspective on an eighteenth century movement that has been profoundly influential on western culture A distinguished team of contributors examines the writings of David Hume Adam Smith Thomas Reid Adam Ferguson Colin Maclaurin and other Scottish thinkers in fields including philosophy natural theology economics anthropology natural science and law In addition the contributors relate the Scottish Enlightenment to its historical context and assess its impact and legacy in Europe America and beyond The result is a comprehensive and accessible volume that illuminates the richness the intellectual variety and the underlying unity of this important movement It will be of interest to a wide range of readers in philosophy theology literature and the history of ideas     [The Hyperlocal in Eighteenth- and Nineteenth-Century Literary Space](#) Nicholas Birns, 2019-08-26 This book examines literary representations of hyperlocal spaces that subvert the idea of grounded and organic spatial identities Figures such as the pond the scientific particle and Wedgwood creamware often go unnoticed but they exemplify important shifts in culture and aesthetics in the eighteenth and nineteenth centuries The Hyperlocal in Eighteenth and Nineteenth Century Literary Space argues that these objects as well as locations such as alcoves in remote shires city inns and mountain retreats were portrayed by writers in the late eighteenth and early to mid nineteenth centuries as gambits that challenged cultural hegemonies It shows that the hyperlocal space or object though particular reaches beyond itself affording an elasticity that can allow those things that seem beneath notice to reveal broader cultural significance     **Medicine and Morals in the Enlightenment** Lisbeth Haakonssen, 2020-02-10 Modern medical ethics in the English speaking world is commonly thought to derive from the medical philosophy of the Scotsman John Gregory 1725 1773 and his younger associates the English Dissenter Thomas Percival 1740 1804 and the American Benjamin Rush 1745 1813 This book is the first extensive study of this suggestion Dr Haakonssen shows how the three thinkers combined Francis Bacon s and the Scottish Enlightenment s ideas of the science of morals and the morals of science She demonstrates how their medical ethics was a successful adaptation of traditional moral ideas to the dramatically changing medical world especially the voluntary hospital In accounting for the dynamics of this process she rejects the anachronism that modern medical ethics was a new paradigm     **Club life in London ... during the 17th, 18th, and 19th centuries** John Timbs, 1866     **The Library World and Book Selector** , 1907     [The Athenæum](#) , 1864     *Index to Book Reviews in England, 1749-1774* Antonia Forster, 1990 This index provides valuable information on the vast majority of reviews of poetry fiction and drama during the first 25 years of modern formalized book reviewing in England Forster introduces readers to the wealth of material in the two major review journals Monthly Review and Critical Review the two major magazines Gentleman s and London and 11 other periodicals She includes in her 3 023 entries information on format price and bookseller s name taken from the books themselves In her Introduction Forster

surveys some material concerning the reviewers public attitude to their self appointed task to provide a background against which the reviewers literary judgments can be examined      **The 17th and 18th Centuries** Frank N. Magill,2013-09-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography      **Prices, Food and Wages in Scotland, 1550-1780** A. J. S. Gibson,T. C. Smout,1995 This 1994 book is a major work in early modern and pre industrial economic and social history      Athenaeum James Silk Buckingham,John Sterling,Frederick Denison Maurice,Henry Stebbing,Charles Wentworth Dilke,Thomas Kibble Hervey,William Hepworth Dixon,Norman Maccoll,Vernon Horace Rendall,John Middleton Murry,1860      **The Speaker** ,1903      **The English Catalogue of Books ...** Sampson Low,1873      **Women and Urban Life in Eighteenth-Century England** Rosemary Sweet,Penelope Lane,2017-03-02 Despite the considerable volume of research into various aspects of the social and economic cultural and political history of eighteenth century British towns remarkably little has focused upon or even reflected upon the distinctive experience of women in the urban context Much of what research there is has explored the experience of laboring or impoverished women or women of the social elite by contrast the essays in this collection take up the study of the participation of middling women in urban life This volume brings into sharper focus the relationship between changes consequent upon urban development and shifts in the pattern of gender relations in the 18th century The contributors address such themes as the extent to which to what extent urban change accelerated a redefinition of gender relations the connections between urban growth changing definitions of citizenship and the emergence of the male gendered political subject the role of women in a literate consumer and industrializing society the place of women s networks in the economic political and social life of the town and the distinctive role played by women in areas such as philanthropy and business and how the development of urban society in turn inflected contemporary conceptualizations of gender      **The Publishers' Circular and Booksellers' Record** ,1906      The Rise of the Laity in Evangelical Protestantism Deryck Lovegrove,2003-08-29 This comprehensive investigation into the involvement of ordinary Christians in Church activities and in anti clerical dissent explores a phenomenon stretching from Britain and Germany to the Americas and beyond It considers how evangelicalism as an anti establishmentarian and profoundly individualistic movement has allowed the traditionally powerless to become enterprising vocal and influential in the religious arena and in other areas of politics and culture      Whitaker's Cumulative Book List ,1984      **The Life of Adam Smith** Ian Simpson Ross,2010-09-23 In this the first full scale biography of Adam Smith for a hundred years Ian Simpson Ross brings his subject into historical light as a thinker and

author by examining his family circumstance education career and social and intellectual circle including David Hume and Francois Quesnay Smith s life is revealed through his correspondence archival documents the reports of contemporaries and the record of his publications This is the life of a Scottish moral philosopher whose legacy of thought concerns and affects us all Its lively and informed account will appeal to those interested in the social and intellectual milieu of the eighteenth century and in Scottish history Economists and philosophers will find much to read about the history of their disciplines supported by full documentation *British Books* ,1903 **The Biography Book** Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals *The Book Monthly* James Milne,1904
