"An Educated Clergy" Jack C. Whytock,2008-02-01 Scotland has long been known for its emphasis upon an educated clergy yet little serious historical attention has been given to how this was actually fostered This book begins to fill that gap While a thoroughly historical study in Scottish church history and historical theology the book also serves as a springboard for reflection and application to the work of theological education today with the evangelical Presbyterian and Reformed community *Between Tradition and Modernity* Hui Chen,2023-07-07 How to deal with the relationship between tradition and modernity has become a global concern under the impact of pluralism This book explores the relationship between traditional Dai culture and modern school education through a field study in the Dai region of Xishuangbanna Yunnan China The study analyses the reasons for conflicts between monastic education and modern school education in the Dai region of Xishuangbanna It also discusses the logic behind the formation of the Dai people s belief in Southern Theravada Buddhism and its importance in Dai culture Through the analysis of the changes in monastic education before and after the intervention of the modern school system the study finds symbiosis in the differences and conflicts between these two forms of education The author proposes a symbiosis theory of multiple educational forms in ethnic areas and offers targeted solutions to specific problems between the Dai monastic education and modern school education in Xishuangbanna This book will be a great read to students and scholars of Chinese studies ethnic studies education and those who are interested in multi ethnicity issues in general **Unleashing the Power of Scripture** Mark Hart,2017-03-01 In his entertaining and engaging style Mark Hart also known as The Bible Geek shows readers why Scripture should be central to our life with the Lord When we become immersed in Scripture he says we allow it not the secular culture to form our minds and hearts In the story of the Bible we find our own story as we discover how much God loves us and desires to save us and dwell among us This book also considers the place of Scripture in the liturgy introduces the practice of lectio divina the prayerful reading of Scripture and shows how the Scriptures connect to the sacraments **Latin Rhetoric and Education in the Middle Ages and Renaissance** James

J. Murphy, 2023-07-21 The essays in this volume deal with the history of rhetoric and education for the thousand years from the early Middle Ages to the European Renaissance They represent the author's pioneering efforts over four decades to piece together a kind of mosaic which will provide elements necessary to construct a history of that thousand years of language activity Some essays deal with individual writers like Giles of Rome Peter Ramus Gulielmus Traversanus or Antonio Nebrija some focus on the influence of Cicero and Quintilian and other ancient sources The essays dealing specifically with education open up different inquiries into the ways language use was promoted and by whom Others explore the relations between Latin rhetoric and medieval English literature and finally several deal with the impact of printing a subject still not completely understood

Christian Theology for a Secular Society Mark G. McKim, 2008-01-01 It's hard to be the only one That single sentence from a teenage congregant sums up the conviction that motivated *Christian Theology for a Secular Society* In these dying days of Christendom the reality that most Western Christians face is living out their faith as a minority in the midst of a culture that is at every level personal institutional and societal secular in nature While most living in Western societies still affirm belief in God and often other vaguely recognizable Christian beliefs these affirmations frequently have little to do with how daily life is lived The idea that the God best known to us in Jesus Christ is actually in charge of life is foreign For most Christianity simply does not form an overarching system of meaning that shapes life Instead life is lived largely without reference to God And to live any other way is often hard In this volume Mark McKim sets out to do theology in this context How does one explain the core historic Christian doctrines in a way that makes sense in a secular culture and in a way that will gain a hearing What does it mean to be the church in this new situation Throughout McKim asks the question so what as he relates Christian teachings to a secular society and to what is actually happening in the local church McKim's goal is to enable the singing of the Lord's song in the new and strange land of a secular society

The Study of Theology Richard A. Muller, 1991 The Study of Theology address two major concerns the place of biblical hermeneutics and practical theology The author discusses the hermeneutical implications of biblical historical systematic and practical theology and presents a case for the relationship between exegesis and the other theological disciplines However the relationship between hermeneutics and practical theology is also essential According to the author the traditional forms of theology and preaching frequently fail the tests of exegesis and contemporary theologizing while at the same time most contemporary theology and exegesis fails to address directly the needs of the church Muller presents a case for the structure of hermeneutics and argues that it is essential to the church because theological training as a whole ought to reflect the life of the church and be of value to the life of the church

First Corinthians Bible Commentary - a Bible commentary on First Corinthians , This verse by verse commentary on First Corinthians offers a thorough but very understandable commentary on the entirety of Paul s letter to the Corinthians Since the First Corinthians letter touches on a number of different subjects this volume also offers some special studies to more fully explore what the Bible says on additional topics like civil government the role of women in the church spiritual gifts etc If you want to have a better understanding of First Corinthians this commentary will help you Here is a small sample of the text Introduction to First Corinthians 13 Some consider 1 Cor 13 the love chapter of the Bible or a parenthetical description of love but this chapter is actually an integral part of Paul s discussion about spiritual gifts Since the Corinthians were rude jealous and boastful it was necessary for them to go beyond their present pursuit To the apostle the development of the character of the person was superior to the exercise of the gift His contrasts chap 13 are clear gifts without love vs gifts with love and the permanence of love vs the temporal nature of gifts Gromacki p 159 Stated another way verses 1 3 affirm that spiritual gifts were worthless without love verses 4 7 affirm that love was superior to the gifts and verses 8 13 assert that spiritual gifts were temporal but love abides Although 1 Cor 13 may seem familiar to many this chapter is often one of the most misunderstood parts of the New Testament The Corinthians elevation of spiritual gifts over love is seen in places such as 12 13 25 14 27 33 40 It is also found by contrasting the qualities in 1 Cor 13 with other sections of this epistle For instance love suffers long 13 4 but tongue speakers at Corinth were impatient 14 27 28 Love does not envy 13 4 but the Corinthians envied the gifts of others chapter 12 Love is not puffed up 13 4 but tongue speakers were proud compare 13 1 Love causes people to act in a kind and orderly way but some of the Corinthians behavior was disorderly 14 23 40 Love is not unseemly but the Corinthians were at risk of unseemly behavior in their families 1 Cor 7 36 as well as their Sunday assemblies 1 Cor 11 2 16 17 34 Agape love does not seek its own 13 5 but these Christians were seeking their own see 1 Cor 8 and the discussion

about idol meat Love keeps people from rejoicing in evil 13 6 but the Corinthians rejoiced in evil 1 Cor 5 2 6 There were various things that provoked these brethren 13 5 and it seems they were keeping a record of evil 1 Cor 13 5 It was time for the members of this congregation to show some spiritual maturity and demonstrate the type of love that bears all things believes all things hopes in all things and endures all things 1 Cor 13 7 Christian Education ,1929
