## God In Between:

God's Gift to Humanity: Relationship Between Phinehas and Consecration to the Father Marcelle Bartolo-Abela, 2011-05-11 The relationship between Old Testament high priest Phinehas grandson of Aaron and consecration to God the Father in the 21st century is explored Consecration results in the Father's Seal together with the covenants of peace everlasting priesthood and right to expiate acceptably for self and others in His sight These gifts are analogous to what Yahweh had originally granted Phinehas during the Israelites stay in the desert after slaying the heresy of Pe or thus enabling the people to enter the promised land The Seal of the Father supersedes the mark of the beast in the Book of Revelation hence it can effectively end the heresy of the 21st century Consecration to the Father in our times is also one of the entryways into the New Israel Letters Concerning the Love of God, Between the Author of the Proposal to the Ladies, and Mr. John Norris John Norris, 1705 Letters concerning the Love of God, between the Author of the Proposal to the Ladies [Mary Astell] and Mr. J. Norris ... The third edition, corrected by the authors, etc John Norris, 1730 **Analyzing A Common Word Between Us Muslims and You Christians** Joseph Nnabugwu, 2011-04-26 In recent peace initiative a common word in Muslim Christian relations emphasis on the way forward between Islam and Christianity has been a frantic call to love of God and love of neighbor This call argued in this book provokes rival and parallel logic in the concepts of monotheism between Christian religious leaders and scholars on the one hand and Islamic religious leaders and scholars on the other Using in places the framework of critical discourse analysis CDA the author analyzes some text extracts from a common word in order to expose the underlying problems of ideologies dichotomies identity constructions and orthodoxy claims that are associated with the Islamic Tawhid and Christian Trinity Drawing from various conferences and workshops convened by both religious communities as well as some social scientist insights this book finds authentic communication in Muslim Christian relations grounded in recognition and acceptance of the differences between Islam and Christianity Recognizing the ideological issues in the usage of the appositional pronouns us Muslims and you Christians as suggesting dichotomy the author suggests rather the education of both Muslims and Christians starting from the kindergarten on the religion and beliefs of the other and to re interpret and revise conflicting Qur'anic and biblical issues pertaining to Muslim Christian relations *The God Between* Charles E. Bradford, 1984 **Walk with God Between Sundays** Richard C. Halverson, 1981 **An Introduction to Natural Theology** Maurice R. Holloway, 2018-06-21 What is the God of the philosopher Can the philosopher that is to say can human reason unenlightened by the revealed word come to a true and secure understanding of He Who Is Is it possible for mere man without the impact of a personal experience intimate and intuitive to arrive by means of an objective demonstration at an absolute affirmation that the Being we call God exists or that He is Pure Act Existence Itself because without him the world of our experience is unintelligible a complete contradiction And even if we admit as all Christian philosophers must that unaided reason is able by its own power to reach an objectively

true and secure assent that God exists is there any evidence in the recorded history of our world that man without the directive knowledge of revelation ever did secure by a metaphysical effort this absolute truth that the Ipsum Esse exists Whatever be the answer to this difficult problem and we do not pretend to know it it is obvious that Father Holloway in composing his philosophical approach to God allowed himself to be guided by the knowledge of faith Indeed he must have prayed often for the enlightenment which the supernatural motion of divine grace brings even to the limited and imperfect intellect of a philosopher From the Foreword by Henri Renard S J      **Mission Between the Times** C. René

Padilla,2010-10-04 This revised version includes a new essay on the contemporary history of integral mission a history that began with the Latin American Theological Fellowship progressed within the Lausanne Movement is bearing fruit globally through the Micah Network and challenges evangelicals to address the major issues of our day By almost any measure a bold and confident use of the Bible is a hallmark of Christianity Underlying such use are a number of assumptions about the origin nature and form of the biblical literature concerning its authority diversity and message However a lack of confidence in the clarity or perspicuity of Scripture is apparent in Western Christianity Despite recent sophisticated analyses the doctrine is ignored or derided by many While there is a contemporary feel to these responses the debate itself is not new In this excellent study Mark Thompson surveys past and present objections to the clarity of Scripture expounds the living God as the Guarantor of his accessible written Word engages with the hermeneutical challenges and restates the doctrine for today

due to a history that is characterized by oppression In this detailed study Dr Daniel Oprean paves the way for positive dialogue between the two traditions highlighting that much can be gained and learned by acknowledging similarities and differences in key aspects of theology Dr Oprean explores how existing theological resources can be used to enhance theological discourse between Baptist and Orthodox traditions in Romania through in depth analysis of the thought of British Baptist theologian Professor Paul Fiddes and Romanian Orthodox theologian Father Dumitru St niloae Oprean in particular looks at their understanding of trinitarian and human participation through perichoresis the Eucharist Christian spirituality and baptism and chrismation Presented as a conversation between the two traditions this study is a model for how theological and religious dialogue can facilitate reconciliation not just in the church but also in wider society **Christian Philosophy** Ephraim Langdon Frothingham, Arthur Lincoln Frothingham, 1890 **The Mature Church** Emmanuel D. Mbennah, 2013-08-09 In this book Emmanuel Mbennah argues that Christian spiritual maturity is the bridge between the new identity of the Christian articulated in Ephesians 1 3 and the moral code of the Christian life commensurate with the new identity presented in Ephesians 4 17 6 20 From an interpretation of Ephesians 4 13 Mbennah brings to the fore what Christian spiritual maturity is and why it is imperative He argues that Ephesians 4 1 16 is about spiritual maturity and not about Christian unity except unity as a by product of maturity A case study in which the meaning of spiritual maturity is used as a critical standard to evaluate the spiritual maturity of a church in a particular context further clarifies the meaning of spiritual maturity and demonstrates what a sad state of immaturity a church could be in Mbennah calls for the Church s return to the pursuit of maturity and a return to the subject in New Testament scholarship Christian Origins and Hellenistic Judaism Stanley E.
