BOOK JACKET Image and Hope Yaroslav Viazovski, 2015-07-17 Developments in biblical studies neurosciences and Christian philosophy of mind force theologians to reconsider the traditional concept of the immortal soul At the same time the concept itself tends to create

axiological dualism between the body and the soul that in turn may lead to insufficient appreciation of the physical life in this world A more holistic approach to the ontology of human beings is required The aim of this study is to analyze the function of the concept of the soul in the dualistic anthropology of John Calvin and to compare it to the holistic anthropology of Karl Barth in order to answer the question of whether the transition from one to the other is possible without the loss of the functions fulfilled by the soul

The Word Became Flesh David Graham Griffin, 2016-05-16 Is following Jesus natural Many would say no but this book argues yes Saying no suggests that grace and human nature are alternate moral categories Saying yes implies that our humanity is gracious in origin capacity and intent Much of this discussion hangs on what is meant by nature and natural and this book explores these ideas creationly and christologically Part One considers natural law as commonly found in the classical Christian tradition Part Two explores the radical christological tradition of Anabaptism Part Three then proposes the two nature christology of the Chalcedonian definition as a theological resource enabling their reconciliation The Chalcedonianism of the modern Barth and the ancient Maximus the Confessor are appropriated along with scientific theology of T F Torrance and Nancey Murphy If Chalcedon correctly affirms Jesus's humanity as being homoousios one nature with our humanity created like Adam's through the eternal Spirit then Jesus's life was natural proper to its created intent And as his divine nature was homoousios with the Father's nature he is the human expression of the divine Word which gives

creation its contingent moral rationality As such the life of Jesus Anabaptists concern is morally normative for all humanity natural law s concern The Collected Works of Witness Lee, 1963, volume 2 Witness Lee,2021-05-28 The Collected Works of Witness Lee 1963 volume 2 contains the messages and fellowship given by Brother Witness Lee from April 6 through July 7 1963 with the exception of messages he gave in a series on the Gospel of John which are published in Life study of John not included in The Collected Works In the first part of April Brother Lee was in Los Angeles At the end of that month he visited San Diego California and then returned to Los Angeles for most of May At the end of May and the first part of June he visited Christian groups in Sacramento California and in Eugene Salem and Portland Oregon before giving a conference in San Francisco For the remainder of the period he was in Los Angeles The contents of this volume are divided into eight sections as follows 1 Six messages given at a conference in Los Angeles on April 12 through 14 These messages have been published under the title The Four Major Steps of Christ The published book consists of four chapters 2 Ten messages given at a conference in San Diego on April 23 through 27 These messages have been published under the title God s Intention concerning Christ and the Church 3 Four messages given in Los Angeles in Lord s Day morning meetings in May and June These messages are included in this volume under the title Lord s Day Morning Messages 4 A series of messages composed from personal notes taken by several individuals in various meetings held throughout the period These include nine messages given in Los Angeles on Saturday mornings from April 6 through May 25 two messages given in Sacramento on May 30 and a report given in Los Angeles on June 14 concerning Brother Lee s visit to the San Francisco Bay Area and Pacific Northwest These messages are included in this volume under the title Various Speakings Brother Lee gave two additional messages in Sacramento on Lord s Day June 2 of which there is no record 5 Seven fellowship meetings held with the leading ones in Los Angeles and Chula Vista California from April 21 through June 24 These messages are included in this volume under the title Fellowship with the Leading Ones The contents were composed from personal notes taken by brothers who were present in the meetings 6 Eight messages given in Eugene Salem and Portland on June 4 through 9 These messages have been published under the title The Living That Fulfills God s Eternal Purpose One message was given in Eugene one in Salem and six in Portland According to the record of these meetings Brother Lee gave a second message in Salem on the subject of Following the Lord in the Spirit but the record of this message is not available 7 Three messages given at a conference in San Francisco on June 11 through 13 These messages are included in this volume under the title Transformation for God s Building 8 Fourteen messages given in Los Angeles on June 29 through July 7 These messages have been published under the title The Central Thought of God **God Don't Like Fake People** The Seed of Solomon,2008-06-06 Are you tired of dealing with fake people Does it seem like every time you put trust in your family and friends they come up short and backstab you Does it seem like every time you try to get in a relationship you later find out that they are the opposite of what you thought they were when you first met them Does it seems like you are walking in place and everybody that is in your circle doesnt
