God Is The Author Of Love

**James D. G. Dunn, John William
Rogerson**

God Is The Author Of Love:

Living God's Love Douglas Cooper,1995 **The God of Love** David Scott Carrig,2018-05-31 God says Love each other even as I have loved you So how do we fulfill this command By learning to love from the Creator of all love For only God equips and teaches us to love like He loves And oh how He longs for us all to be His children on earth with a working knowledge of the power of true love When the world senses the aroma of Gods love they want to draw close to Him which is His deepest desire Come explore the very heart of God and see why love is the greatest gift we must master as if everything else depends on it *God Speaks Your Love Language* Gary Chapman,2025-06-03 Feel God s love more personally Learn how you can give and receive God s love through the five love languages words of affirmation quality time gifts acts of service and physical touch Gary Chapman writes As we respond to the love of God and begin to identify the variety of languages He uses to speak to us we soon learn to speak those languages ourselves Whatever love language you prefer may you find ever deeper satisfaction in using that language in your relationship with God and with other people Now with a brand new chapter on Getting Out of Your Comfort Zone which will teach you the joys of speaking a love language you re not used to with God Become more deeply connected with God and watch this bond transform all of your relationships

Sharing God'S Love R. J. Bragg,2015-04-27 Dont you deserve love In Sharing Gods Love you will learn how easy it is to receive and it is in fact written throughout the Bible Yet somehow we miss it How many have thought that a babys purpose is to share Gods love with us How many second chances have you received so far in your life It is not nice or godly to always share your sickness and never your love to those you meet and speak with Today you can start thinking about changing what you are thinking to what is needed to get into Gods heaven Sooner or later each of us will be getting that call from God saying He is ready for you to come home right now We need to learn to say Lord I want to do Your will this day You have chosen me to do something special that only I can do **The God Who Loves** John F. MacArthur,2008-07-06 God is love It s the most basic definition of God in Scriptures but so profound that it s often misunderstood In this probing book a brilliant Bible expositor brings us into the very heart of God by answering such questions as If God is love how could He send anyone to hell What s the difference between the loving God of the New Testament and the angry God of the Old Testament If God is love why did He require His Son to die such a cruel death on the Cross How can God be both loving and jealous The author argues against the two polar views of God as a sentimental grandfather whose doting love could not bring him to punishment of the disobedient and God as an angry tyrant who would rule by threats Both extremes paint a distorted picture of God and further confuse the issue of understanding God s love Dr MacArthur writes He insists that what God loves is actually defined by what He hates and that neither His love nor His wrath can be understood in isolation from the other Although the author is clearly aware of the way great men have grappled with these issues in the history of the Church his doctrinal presentations arise more from the biblical text than from dogmatic theology He examines in detail the way John the apostle of love treats

love in his First Epistle then fleshes out the doctrine of God's love in vivid representations of real people interacting with divine love
