Wealth and Poverty Witchcraft and Magic Women      As We Sow Barry Woods Johnston,2012-03-20 As I turned the pages and began reading this odyssey of Barry Johnston as a veteran and artist my interest increased and I was pleased that I had agreed to review it As We Sow is not a book of fiction nor a novel but an autobiography of a modern renaissance man but a man no less with all his foibles his successes failures fears and frustrations laid out with surgical precision in the cold reality of lifes twists and turns Viet Nam leaves an open wound Barry struggles to understand He is empathic to the wrongs inflicted on the innocent whether from war or life itself His nature is sculpting figurative art imbued with his concerns for humanity He joins a religious art colony in the Swiss Alps known as LABri where Barry argues with the founder Francis Schaeffer over interpretation of scripture and wrestles with his own spirit over the contradictions Never at peace hes at odds with the commercial art establishment for commissions and he reflects on failed marriages after a near heart attack he barely survives Barry reveals himself with honesty and a humanity which make this a compelling biography and a historical account of a representational artist veteran and inventor Daniel Shea      **Create Anyway** Ashlee Gadd,2023-03-28 Motherhood and creativity can coexist You have creative dreams swirling in your heart but pursuing them while changing diapers and managing the carpool schedule feels impossible You have no time No space You can mother or you can create You certainly can t do both right But what if you could pursue your God given creative gifts alongside motherhood for the enrichment of both experiences What if you stopped viewing creativity as a selfish act and started to see it as essential to your own flourishing as a mother This book is a much needed permission slip to do just that through the pictures you take the stories you write the meals you make the music you play the gardens you grow In this unforgettable book filled with rich storytelling and stunning photographs writer and mother Ashlee Gadd helps you set aside the guilt and discover the sacred connection between creating and mothering One part commissioning one part pep talk Create Anyway will propel you forward with a renewed sense of energy purpose and enthusiasm for stewarding the creative dreams God has planted in your heart right alongside the diapers and carpool Here s to creating in the margins of motherhood Here s to creating anyway

**The Message of Pain** Gavin W.

Hooks,2011-03-07 Is it possible for one book to be the catalyst for a great spiritual awakening in the United States It only took one stone from Davids sling to defeat the giant that held the armies of God at bay for 40 days A rout ensued The key is to hit the mark with one solid shot The Message of Pain is a spot on heart discussion about todays American experience and what God is doing right now in our midst Broken dreams hopes and lives are all around us Too many find themselves reeling in pain for years from the damages of a poor choice the cruelty of another Evil or simply an accident The Message of Pain explains how a person can become trapped in the Pain Cycle to live a life where the giant of pain is the rule Satan uses pain to convince us of a lie about God Believing a lie about God gets you started in a cycle of pain The Message of Pain helps you find your way out or understand a friend in the cycle of self destruction so you can be ready to help them out
