**Recovery, Healing, and Restoration Through Isaiah 54** Edith A. Chillo, 2015-07-13 One day seemingly from out of nowhere through two dreams and a vision God moves me to a setting under the Shadow of His Almighty Wings From this peaceful place God begins to heal me from pain and wounds I did not know I carried and which over three decades and across three continents continuously held me in bondage This past emanated from a breakup with a star soccer player in one of Kenya s national soccer clubs He was open to polygamy to be with me As a Christian I was not we broke up By that time I had a daughter with him She grew up knowing only the first name of her biological father and that he abandoned us Beyond this I never spoke about him and never thought about him Unknown to me I did not heal from the breakup Three decades later I received a visitation from God Through the Holy Spirit talking to me as a person right next to me Christ recovers this past I long buried reveals to me how wounds from the breakup unknown to me tossed me from one complex relationship to another Christ heals me from these pains and then restores me to the knowledge and acceptance of the sufficient grace of God

**Recovery from Codependence** Rabbi Kerry M. Olitzky, 2011-10-14 In codependence the emphasis is on everyone and everything but ourselves In recovery we learn how to say no to set boundaries in relationships and then perhaps walk away if necessary sometimes for a long time perhaps forever It s not without effort Even if a relationship is worth saving your active codependence can destroy it It will not help it or you and will certainly not convince the other person in your life to stop drinking or using or gambling or eating compulsively or running around But your recovery can nurture a relationship with God while it nurtures you at the same time From Recovery from Codependence This book is not just for Jewish people It s for all people who would gain strength to heal and insight from the Bible and the wisdom of Jewish tradition With the same groundbreaking insight of his Twelve Jewish Steps to Recovery A Personal Guide to Turning From Alcoholism and Other Addictions and Renewed Each Day Daily Twelve Step Recovery Meditations Based on the Bible Kerry Olitzky has produced an inspiring new volume that brings healing wisdom to those whose lives are most directly affected by the addiction of a loved one Recovery From Codependence A Jewish Twelve Steps Guide to Healing Your Soul explains how the Twelve Steps of Co Dependents Anonymous are relevant for Jewish people and all people who would gain strength to heal and insight from Jewish tradition You may be a codependent person if you are in a relationship with an alcoholic or addicted person someone who has an eating disorder engages in compulsive gambling or sex if you are addicted to a relationship or if you are part of a dysfunctional family Though you may be suffering broken in spirit this book can help you be healed be empowered to take hold of your life and be made to feel spiritually whole once again Using the familiar Twelve Step model Dr Olitzky known for his spiritual leadership and for reaching out to help people in recovery takes the codependent person on a Jewish journey through the Twelve Steps Rabbi Olitzky s inspiring message draws on the experience of Jewish tradition and the personal experiences of recovering codependent people He provides Twelve Step support for people of all faiths and backgrounds

**Recovery, the 12 Steps and Jewish Spirituality** Rabbi Paul Steinberg,2014-09-18 Claim the Spiritual Freedom That Waits Beyond the Suffering and Slavery of Addiction One of the important similarities between AA and Jewish spirituality is the statement in Step 12 to practice these principles in all our affairs There is no dichotomy of sacred versus secular Jewish spirituality applies to how we eat sleep work socialize and recreate There is nothing that is external to the relationship of human being to God from the Foreword A major new Jewish contribution to 12 Step spirituality This easy to read exploration from a Jewish perspective is the first comprehensive approach to successfully integrate classic Jewish spirituality with the 12 Steps of Alcoholics Anonymous AA and other recovery resources With clarity and passion Rabbi Paul Steinberg masterfully weaves traditional Jewish wisdom with the experience strength and hope of AA He draws on Jewish resources theological psychological and ethical that speak to the spiritual dimension of the disease and shows how the principles of Jewish spiritual recovery directly align with those of the AA 12 Steps Along the way he courageously shares his own personal struggles with alcoholism and addiction in a way that will help others find guidance and a new life path and stay on it

**God Talk** Ruth A. Tucker,2006-01-01 Does God speak The answer seems clear Books abound on the topic of hearing God's voice And many believers testify to God's conversational guidance in their life God told me to help you I knew it was God speaking to me Our culture reinforces the idea that speaking constant speaking is good and natural and essential In those rare moments during a day when talking ceases or when we're alone we quickly find some way to fill the void whether turning on the television or radio or calling someone on the phone With others and especially with God we get the message speaking is good silence is bad But still Ruth Tucker is not afraid to ask the question Does God speak And her answer might surprise you She urges caution in speaking about hearing God pointing out that our privatized spirituality often sets those who hear God on a pedestal and leaves those who don't feeling spiritually inferior Further she shows how the expectation of conversation may too easily humanize God in our minds causing us to approach God with the same attitude we have when we call a friend on the phone And if God does speak how can we be sure our own desires are not affecting our interpretation of God's voice InGod TalkTucker offers us a new paradigm for viewing silence and prayer Rather than feeling inferior when we don't hear God speak she helps us lean more deeply on his silent Spirit inspired Word By examining the Trinity Tucker gives us a new glimpse of how God the Father spoke his words in the past how Christ the Incarnate Word lived among us and how the Holy Spirit speaks to us now through Scripture Here is a probing thought provoking read on how our

present active powerful God relates to us and how we in turn should relate to God      **Joining God in the Thin Places**
