God Wants Me to Forgive Them!? ,1994 Junior Asparagus and other learn the importance of forgiveness HOW I MET GOD?from Islam to Jesus H.J. Trinity,2013-10 In the corners of every culture lurk stories of tragedy and triumph How I Met God from Islam to Jesus describes a captivating story of H J Trinity s tumultuous yet courageous journey from Iran to America and from Islam to Christianity H J Trinity was a Muslim woman born in the heart of the Middle East who always felt insignificant empty and displaced by the strictness of Islam her unloving family and a morbid culture Those negative forces ultimately left her with an aching void that plagued her entire life One night due to a personal tragedy that left her emotionally paralyzed she lost all hope and faith in God But that same night her void was filled when she personally met Jesus who then introduced her to God for the first time And from that moment on she continued to water the seed of happiness that God had planted in her heart Her personal conviction led by Jesus propelled her to succeed in staving off all fears deriving from family religion and culture Her philosophy and core beliefs have always been to live for love health and wealth After witnessing many miracles meeting Jesus face to face and most importantly having a direct relationship with God she was inspired to share those experiences with the rest of the world How I Met God from Islam to Jesus also shares how she communicates with God directly without following any rituals of religion culture or family You will learn how her new revelation served as her armor against an extremely racist culture how she was finally able to find peace and harmony through pain and discord and how she lives her life today *If God Wants Me Well, Why Am I Sick?* H L Ford,2011-08-01 A paralyzed youth declares his faith gets out of bed and walks A permanently injured pilot determines to fly again and regains perfect health A woman battles breast cancer with only her faith in God and recovers While a reporter explores these and many other supernatural healings she discovers not one person ever doubted it was Gods will to heal Ford asked the universal questions while exploring the scriptures in support of these miracles Before she completed the book she took hold of truth and experienced her own healing from a painful condition she had suffered for more than twenty years Here is a set of toolsweapons of warfare gleaned from victorious believers these are tools you can wield as you develop your own faith for healing The study questions are insightful thought provoking and faith building God truly rewards those who diligently seek Him He promises that if you seek you shall find This book is for those who seek knock and ask until they find the victory

No one escapes this life without heartbreak emotional pain and suffering God promises to heal your wounded scarred broken and shattered heart Counseling therapy and even medications have limits on the depth of healing they can provide Sometimes only a direct intimate specific supernatural word from the Sovereign Creator of the universe can heal an emotional wound We have a role and responsibility in our healing relationship with Jesus God cannot heal us without our active participation beyond even prayer We must place ourselves in the proper spiritual and emotional position to receive God s healing word into our hearts That position is Biblical stillness When God commands us to be still He is serious God wants us to be still according to His definition of stillness Being still does not come naturally but we can learn specific strategies and techniques to move into still space From that posture we can receive the gravitas of His word that heals us
