Words of Christ in red 9-point type size. Power and Grace Mark J. Mangano, 2010-10-14 The Psalms invite us to praise, pray, and proclaim. Since God loves us and we love him, we then yearn for his presence, take pleasure in knowing him, and delight in praising him. Prayers of adoration, confession, thanksgiving, and supplication are centered in God's power and grace. God's grace invites our gratitude, and our cares and concerns are easily met by his power. Our praise of God is not complete until we proclaim to others all that he is and has done. Power and Grace echoes the theological truths taught in the Psalms: God is awesome, great, good, loving, righteous, present, and worthy of praise. He is our creator, king, refuge, deliverer, and shepherd. Theological truth is holistic; it informs our head, heart, and hands, our thoughts, passions, and actions. This book invites the reader to meditate, sing, and pray each one of these theological truths. In short, this book celebrates God and his presence with us. *The Latter Times of Being Crazy For Christ* Willie Torres Jr., 2023-06-08 My name is William Torres, but my family and friends call me Willie. It is a pleasure to be here with you today, and I am excited to share my faith journey with you. My journey has been amazing and fulfilling as a new Christian. I have seen God work in my life in ways I never could have imagined. I have grown closer to my faith and have seen Him work in my life and the lives of those around me. I am truly blessed to call myself a Christian, and I am excited to continue to grow in my faith. I believe that I have come a long way in life. Over the years, I have worked hard to become a better man, husband, and father to my children. I have strived to be a good friend and companion to those I have been

fortunate to build relationships with I have learned to appreciate the small moments of joy and fulfillment that come with every human connection I began writing stories that I believe were inspired by the Holy Spirit These stories are my testimonies about the different trials I have gone through and how the Lord has helped me to overcome them Through this process I ve discovered that I can forgive those I once vowed to never forgive and in turn my relationships with them have been restored They are now a huge blessing and a special part of my life I hope that through my writing I can be a source of encouragement to other people in their faith and relationship with the Lord I pray that those who read my words will be blessed by the Lord and find strength and comfort in His Word To be honest I have had to come to terms with the fact that I am not perfect but it is in this place of acceptance that I am able to truly worship a God who is His infinite love brings me joy strength and peace and I am thankful for the privilege of being able to serve Him As I look back on my life I can see that I have been blessed with many trials and tribulations From depression and anxiety to being close to death from struggling with alcoholism to idolatry and even the distance I had from the Lord and my lack of prayer I have endured much But even with all of these struggles I am still here today and I know that it is only by the grace of God I believe that God has a plan for me and that is why I am here to share my testimonies with you Through my experiences I know that God has been with me every step of the way even in the darkest of times He has been my constant companion my comfort my rock and my hope The recent pandemic has posed its own set of challenges of course but I find my strength in the Lord Even in the midst of all the struggles I have faced I know that God is with me and I am thankful for his grace that has kept me here today I am here to share with you my testimonies and I hope that in doing so I can be a source of hope and strength for others No matter what life throws our way I know that God has a plan for us all May we turn to him in our times of need and may his grace keep us here for a lifetime This is my hope and I m so thankful for it I m thankful for the love of Jesus and I m thankful for the chance to Grow in Him together with you Let s Grow With Christ Together Willie Torres Jr [An Act of God?](#) Erwin W.

Lutzer,2012-01-05 How can we begin to understand or explain the tough questions about world disasters Should we question if God is in control of major disasters or even ask if he caused them How do we answer the probing questions of non Christians How can God be considered good and just in light of the tsunamis hurricanes fires earthquakes and floods that are visited on his creation and his children An updated timely and even more accessible edition of Where Was God by Erwin Lutzer bestselling author and senior pastor of The Moody Church An Act of God is a faith journey discussion about these and other life dilemmas **Mountain Messages** Don Harville,2022-07-13 Mountains are spectacular picturesque and common

subjects in art and literature Even the authors of the Bible were enamored with the mountains The Middle East is not quite so famous for its mountains but the Bible contains over 542 references to mountains They are quite common as figurative symbols in literature as well as specific key geographic locations The Bible begins with the creation account first mention of mountains in Genesis 7 and ends with Revelation with Christ s return where He is standing on the Mount of Olives outside of

Jerusalem Famous and well known events are recorded at specific mountain sites such as Mount Ararat Carmel or Mount Sinai Then there are mentions of obscure mountains like Mount Zemaraim or Perazim where notable meetings or battles or events occurred Mountains can also be used to represent features or characteristics such as obstacles or the permanence steadfastness immovable nature of something or national governments and kingdoms This devotional book is a look at 100 mountain passages in the Bible It is not a complete study of the mountains in the Bible It is not a book on geography geology or archaeology The real purpose of these devotions is to learn how mountains were a significant part of the Biblical landscape and what they can teach us about God and His character Instead of merely looking at their physical beauty we can look at them and recall God s beauty His character and most of all His love for us My prayer is that this will lead you to praise His name with all creation and with all you got **The Biography of Jesus Christ** Jeremiah O.
