Trombone D. M. Guion, 2014-03-18 First Published in 1988 Though many standard musicological reference works document the use of the trombone from its beginning in the middle of the seventeenth century and then from Mozart to the present few deal with the intervening years This book reproduces the texts from two dozen treatises dictionaries and encyclopaedias along with English translations published between 1697 and 1811 It provides an overview of the use of the trombone during that time in America and seven European countries and examines its use in choral music opera symphonic music and military music **Bowker's Complete Video Directory 2001** , 2001 **American Organist** Thomas Scott Buhrman, 1964 **The Poetry Circuit** Peter B. Howarth, 2024-09-17 Live performance has changed poetry more than anything else in the last hundred years it has given poets new audiences and a new economy and it has generated new styles from Imagism to confessional to contemporary Spoken Word But the creative impact that public reading had right through the twentieth century has not been well understood Mixing close listening to archive performances with intimate histories of modernist venues and promoters The Poetry Circuit tells the story of how poets met their audience again and how the feedback loops between their voices the venues and the occasions turned poems into running dramas between poet and listener A nervous T S Eliot reveals himself to be anything but impersonal while Marianne Moore s accident prone readings become subtle ways of keeping her poems in constant re draft Robert Frost used his poems to spar with his fans and rivals

while Langston Hughes wrote Ask Your Mama to expose the prejudice circulating in the room as he spoke it The Poetry Circuit also shows how the post war reading boom made new kinds of poetry involving their audience and setting in the performance such as John Ashbery s anti charismatic Poets Theatre Amiri Baraka s documentary soundtracks of the streets or the confessional readings of Allen Ginsberg which shame the listeners more than the poet Covering the first seventy years of the poetry reading The Poetry Circuit demonstrates that there never were page and stage poets the reading simply changed what every modern poet could do

Daddy Grace Marie W Dallam,2007-11-01 This edgy and resourceful analysis of the early twentieth century preacher expands our understanding of a critical period in the black church experience Shayne Lee author of T D Jakes America s New Preacher In 1919 Charles Manuel Sweet Daddy Grace founded the United House of Prayer for All People long regarded as one of the most extreme Pentecostal sects in the country The flamboyant Grace wore purple suits with glitzy jewelry purchased high profile real estate and conducted baptisms in city streets with a fire hose He was also reputed to accept massive donations from his poverty stricken followers and use the money to live lavishly Though Grace appeared to be the glue that held this church together it has continued to thrive long after his death in 1960 After a period of restructuring and streamlining the House of Prayer remains active with a national membership in the tens of thousands In Daddy Grace Marie W Dallam offers both a religious history of the House of Prayer and an intellectual history of its colorful and enigmatic leader Dallam examines the religious nature of the House of Prayer the dimensions of Grace s leadership strategies and the connections between his often ostentatious acts and the intentional infrastructure of the church itself Furthermore woven through the text are analyses of the race class and gender issues manifest in the House of Prayer structure under Grace s aegis

The Black Circuit Rashida Z. Shaw McMahon,2020-03-09 The Black Circuit Race Performance and Spectatorship in Black Popular Theatre presents the first book length study of Chitlin Circuit theatre the most popular and controversial form of Black theatre to exist outside the purview of Broadway since the 1980s Through historical and sociological research Rashida Z Shaw McMahon links the fraught racial histories in American slave plantations and early African American cuisine to the performance sites of nineteenth century minstrelsy early twentieth century vaudeville and mid twentieth century gospel musicals The Black Circuit traces this rise of a Black theatrical popular culture that exemplifies W E B Du Bois s 1926 parameters of for us near us by us and about us with critical differences that McMahon argues complicate our understanding of performance and spectatorship in African American theatre McMahon shows how an integrated and evolving network of consumerism culture circulation exchange ideologies and meaning making has emerged in the performance environments of Chitlin Circuit theatre that is reflective of the broader influences at play in acts of minority spectatorship She labels this network the Black Circuit

A History of the Literature of the U.S. South: Volume 1 Harilaos Stecopoulos,2021-05-05 A History of the Literature of the U S South provides scholars with a dynamic and heterogeneous examination of southern writing from John Smith to Natasha Trethewey Eschewing a master narrative limited

to predictable authors and titles the anthology adopts a variegated approach that emphasizes the cultural and political tensions crucial to the making of this regional literature Certain chapters focus on major white writers e g Thomas Jefferson William Faulkner the Agrarians Cormac McCarthy but a substantial portion of the work foregrounds the achievements of African American writers like Frederick Douglass Zora Neale Hurston and Sarah Wright to address the multiracial and transnational dimensions of this literary formation Theoretically informed and historically aware the volume s contributors collectively demonstrate how southern literature constitutes an aesthetic cultural and political field that richly repays examination from a variety of critical perspectives
