Lyrical Bible Gregory Von Lee, 2011-08-31. The author is a hermit. A lifetime underachiever. A person who learned that you make it in life by hard work, smarts, and chance. Who understands that there are no accidents or luck in life; there are only mistakes, opportunities, and preparation. The author does not believe in marriage or relationships because he doesn't want to share 50/50 with no one. He only believes in intercourse and the feelings for the moment. It doesn't matter how a woman looks. That's because the author is more interested in the act and the person than the physical features. The author doesn't want his picture in the book because he rather be recognized for his works, not his face. And he wants you to know in the end where to find happiness. It's not in a mate. They could leave you one day. It's in your babies.

Instruments of Deception Tom Sheldon, 2009-02-27. A mystical cabal secretly manoeuvring global events since the dawn of time. Events that are dictated by heavenly numerology for the sinister purpose of gaining supreme control over humanity's spirit. Are the mass public being cunningly led on a course that will ultimately remove their natural freedoms and rob their souls? This book shows convincing evidence; this is certainly the case. Moreover, the global infrastructure is already in place to bring about this total human incarceration.

[Determining the Future's Truth Through Bible Prophecy](#) Peter Galarza, 2021-10-26. Two Persian wars in 1991 and 2003 have inspired the author to write about two more incoming wars according to Bible prophecy, the latter being the war to end all wars, Armageddon. It concerns the Messiah's return during a time of trouble and turmoil known as the Tribulation. It also comments about our current situation in the world: economics, technology, unbelief, wars, weather patterns, etc. Its primary villain is the antichrist who comes to deceive the nations of the world and attacks God's people. This antichrist is under the control of Satan himself. But the finality of it all is the issuance of a peaceful one thousand year millennium by the Messiah Himself. The author wants the reading audience to examine themselves to see if they are ready to receive Him, the Son of God, and live eternally with Him.
