*God's Man in Babylon* Chosen People Ministries Staff, Harold A. Sevener, 1994-06-01      *God's Man in Babylon: the Visions and Prophecies of Daniel* Harold Sevener,      *God'S Truth About the End of Time* Arnold Johnson, 2011-02-28 Arnold makes no claim to be anyone special but just an avid bible student When it comes to bible prophecy he doesn't believe anyone is more qualified than another Arnold has a passion for Bible prophecy and he knows he is not alone His studies began when he first read the Book of Revelation over 35 years ago and has been studying it ever since His book *Gods Truth About the End of Time* is different from anything you have read before and a must read for anyone interested in this time period Most people know about the destruction that takes place but it is so much more This book shows us that this time period is Gods design and must take place in its proper order Arnold has divided this book into three parts The first part is a detailed explanation of the Book of Revelation Once you finish this part you will be able to read through the Book of Revelation and understand it The second part gives the reader the timeline for the events that take place Some of the events included in this part is the return of Jesus what Satan will do when he is cast out of heaven how the rapture takes place and of course the destruction and wars The third part of this book is a paraphrased unsealed version of the Book of Daniel Inside this part you will understand the continuous timeline prophecy from Ancient Babylon to the end of time as we know it This book also gives us some specific dates such as when Jesus is to return the nuclear war and when the end of the world takes place Arnold currently resides in Lincoln Nebraska with his wife son and two cats While working on this book he work at his job during the day but during his evenings and weekends he would study end time prophecy which is his hobby and passion He wrote this book to share with others what he has discovered in his 35 years of study      *Daniel: Many Visions, One Prophecy* Steven Ortlepp,      *Prophecies and Lessons in Daniel* Robert Page, 2019-09-03 Daniel was a captive in Babylon He served secular kings and by the power of God interpreted their dreams and visions some of which revealed Israel's future Daniel spent his entire life desiring to know what would happen to his people the children of Israel In response to his quest God revealed much to Daniel through dreams and visions of his own Prophecies and lessons in Daniel is a verse by verse commentary on the prophetic book of Daniel produced by the Lord's guidance during many years of prayerful study and developed from sermons and Bible lessons conducted no less than three times at Victory Baptist Church It includes historical context and secular history identified to show prophecies in Daniel that have already been fulfilled It also compares the prophecies in Daniel with relevant passages in both the Old and New Testaments including the Revelation of Jesus Christ      **Daniel's Five Visions** R. J. Plugge, 2016-10-12      **The HCSB Student Bible**, 2007-07 A visually driven product for a visually driven culture the HCSB Student Bible has a full color page design throughout and contains more than 500 photos 200 maps and many biblical reconstruction illustrations the cover artwork was even chosen by the 18 to 29 year old target audience Study is enhanced by an introduction to each book of the Bible explanatory sidebars and questions for individual and group study

Topical quotes factoids and quick commentary on key Bible people places and objects aid in ease of use Other helpful sections include a comparison chart of world religions worldview features and tools for identifying spiritual gifts The Holman Student Bible features the HCSB translation the fastest growing Bible translation on the market today Leather look binding in light blue and brown *Daniel in the Preterists' Den* Thomas A. Howe, 2008-06-01 In recent years there has been rise in popularity and visibility of the debate about the last things Preterists and Futurists have published books articles and even movies promoting their respective views This debate has elevated the interest of the Christian public in eschatological issues Along with the increased interest in eschatology there has been a rise in popularity of the Preterist view which holds that most or all of the prophecies about Christ's coming have already been fulfilled that the second coming took place in 70 AD Most of the discussion from those who espouse the Preterist view however revolves around certain passages in the New Testament and their treatment of Old Testament passages is sporadic and selective The importance of the book of Daniel in these discussions cannot be overstated However most commentaries on Daniel from a Futurist perspective have not dealt with the Preterists interpretations of the key prophetic passages There simply is no detailed commentary on the book of Daniel that addresses the Preterist interpretations of this important book This book is a commentary on the entire book of Daniel from a Futurist perspective that specifically addresses the Preterist interpretations of the key prophetic passages This is not a book that selects passages out of the context of the book and attempts to explain their prophetic significance Rather this is a commentary on the entire book of Daniel that places these critical prophetic passages in their literary and historical context and then deals with the various interpretations of these passages as they fit into the context of the book as a whole

*God's Redeeming Plan* William Edward Dewberry, 2011-06-24 This book is about the hope of mankind for a more satisfying and meaningful life based on the knowledge of God and Christ A better understanding of the Word of God results in producing faith hope and love in the hearts of readers and believers The complete Word of God revealed in the Bible is believed and practiced by millions This book is written in language that is easy to understand and reveals the mystery of salvation for everyone Author William Edward Dewberry hopes to give a comprehensible view of God's plan that will lead readers to examine the Holy Scriptures more thoroughly and become better acquainted with the plan of God that is able to lead a person to salvation through their faith in Christ The word is near you in your mouth and in your heart that is the word of faith that we preach that if you confess with your mouth the Lord Jesus and believe in your heart that God raised Him from the dead you will be saved For whoever calls on the name of the Lord shall be saved Romans 10 This book explains the redeeming plan of God the great benefits of believing and the dire consequences of ignoring the Creator and His Son Jesus Christ It explains God's plan from the day of creation to the day that the earth and everything in it will be destroyed by extreme heat But the day of the Lord will come as a thief in the night in which the heavens will pass away with a great noise and the elements will melt with fervent heat both the earth and the works that are in it will be burned up Therefore since all

these things will be dissolved what manner of persons ought you to be in holy conduct and godliness 2nd Peter 3 10 11
