N. Wilson,2024-09-26 A N Wilson s biography of the German polymath is wild brilliant and has all the intelligence to rival its subject Frances Wilson the Telegraph Rich and full and passionate and intelligent and deeply needed for these murky times Ben Okri Exuberant and wide ranging Miranda Seymour author of The Haunted Life of Jean Rhys A spellbinding recreation of Goethe s life and work from one of our greatest biographers Goethe was the inventor of the psychological novel a pioneer scientist great man of the theatre and a leading politician As A N Wilson argues in this groundbreaking biography it was his genius and insatiable

curiosity that helped catapult the Western world into the modern era A N Wilson tackles the life of Goethe with characteristic wit and verve From his youth as a wild literary prodigy to his later years as Germany's most respected elder statesman Wilson hones in on Goethe's undying obsession with the work he would spend his entire life writing Faust Goethe spent over 60 years writing his retelling of Faust a strange and powerful work that absorbed all the philosophical questions of his time as well as the revolutions and empires that came and went It is his greatest work but as Wilson explores it is also something much more it is the myth of how we came to be modern

**Goethe** Richard Friedenthal, 2017-07-28 The study of Goethe's life is a task that each generation must undertake anew Thus writes Richard Friedenthal author of this rich biography Spanning eight momentous decades of war revolution and social upheaval Goethe's life reveals itself as one of conflict and dynamic development of inner contradiction and unceasing creativity As novelist dramatist and poet Goethe produced epochal works of fiery romanticism only later to dedicate himself to a classical ideal of purity and measure His superb love lyrics immortalize a succession of ardent relationships yet in him too was a strain of frigid egotism mingled with an Olympian detachment The new introduction serves to place in perspective this outstanding work on the German master He was capable of tirelessly exploring the external world as physiologist geologist and botanist He was equally capable of plunging to the depths of profound subjective analysis A minister of state a model of distinguished probity Goethe nonetheless lived a life of passionate seeking eternally questioning official values Nothing perhaps better sums up this vast complexity than his lifelong work Faust the supreme dramatization of man's quest on earth

**George Eliot. A Critical Study of Her Life, Writings and Philosophy** George Willis Cooke, 2025-07-13 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

Hermann Hesse's Fictions of the Self Eugene L. Stelzig, 2014-07-14 This masterful synthesis of criticism and biography surveys all of Hermann Hesse's major works and many of his minor ones in relation to the intricate psychological design of his entire life history Eugene Stelzig examines what it means to be an autobiographical writer by considering Hesse's fictions of the self as an exemplary instance of the relationship between life and art and between biography and autobiography In a graceful and inviting style he frees this major confessional writer from the confines of German culture and the status of cult figure of the 1960s and situates him in the tradition of world literature and in a variety of literary psychological philosophical and religious contexts Three introductory chapters on autobiography and Hesse set the stage for a chronological study Then follows a penetrating analysis of the balance between biographical fact and confessional fantasy in Hesse's long career from the failed autobiography of his first literary success *Beneath the Wheel* through the protracted midlife crisis of the grotesque *Steppenwolf* period to the visionary autobiography

of his magisterial fictional finale *The Glass Bead Game* Originally published in 1988 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Catalogue of Printed Books British Museum. Department of Printed Books,1902 *Goethe's Poetry and the Philosophy of Nature* Regina Sachers,2017-10-23 At the beginning of the nineteenth century philosophy and theology come under increasing pressure owing to the emergence of the modern sciences The collection *Gott und Welt* is Goethe's poetic contribution to this conflict in which an alternative to orthodox Christianity was being sought Following the collection's various stages of composition and publication this study offers new readings of some of Goethe's best known poems *Die Metamorphose der Pflanzen* *Dauer im Wechsel* *Urworte* *Orphisch* and *Wiederfinden* Sachers shows that *Gott und Welt* is the long poem on nature which Goethe attempted to write for the last third of his life As such it represents Goethe's unique answers to the intellectual challenges posed by the dawning age of science Regina Sachers is Lecturer in German at Exeter College Oxford **The Auto-Biography of Goethe** Johann Wolfgang von Goethe,2013-02-21 Goethe 1749-1832 ranked among the greatest literary figures of his day This two volume translation of his autobiography first appeared in 1848 9

Essays on German Literature and Culture, Part II Chris Ramon Vanden Bossche,2024-11-26 In the early 1820s the acclaimed Victorian philosopher social critic and essayist Thomas Carlyle achieved a level of expertise in German language and literature that prompted editors to seek him out as a reviewer and launched his career as an essayist Carlyle has long been credited with establishing the importance of new German writing in Britain at the time and *Essays on German Literature and Culture* brings together his complete writings on the topic This volume will be published in two parts The essays in part 2 include historical overviews of German literature from the Middle Ages to the present and a series of commentaries marking the passing of Goethe In keeping with the Norman and Charlotte Strouse Edition of the Writings of Thomas Carlyle these essays are accompanied by a thorough historical introduction to the material extensive notes providing historical and cultural context while expanding on references and allusions and a textual apparatus that carefully details and explains the editorial decisions made in reconciling the editions of each essay

## Embracing the Beat of Appearance: An Mental Symphony within **Goethe His Life And Writings**

In a global consumed by displays and the ceaseless chatter of instant connection, the melodic splendor and psychological symphony created by the prepared word often diminish into the back ground, eclipsed by the relentless noise and distractions that permeate our lives. But, situated within the pages of **Goethe His Life And Writings** an enchanting literary treasure full of organic feelings, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, this interesting masterpiece conducts viewers on an emotional trip, well unraveling the concealed melodies and profound influence resonating within each cautiously constructed phrase. Within the depths with this emotional evaluation, we will explore the book is central harmonies, analyze their enthralling writing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
